Suspect arrested in murder at Garfield Heights barbershop

Garfield Heights Police Chief Robert Byrne said a suspect in the November killing of a man at Skillz Barbershop on Turney Road has been arrested.

"Following a lengthy investigation by the Garfield Heights Detective Bureau, an arrest warrant was obtained for the arrest of Marlon Clemons, a 39-year-old Warrensville Heights resident," Byrne said via email. "Clemons is accused of shooting 21-year-old King Todd on November 22, 2016 at Skillz Barbershop located at 5629 Turney Rd."

Byrne said Clemons was arrested on Monday, Jan. 23, by the Northeast Ohio Violent Fugitive Task Force in Cleveland. Clemons is currently being held in the Garfield Heights City

Proposed tax increase to go to third reading in Bedford

By Judith Goldsworth

At the regular Bedford Council meeting last week residents spoke out on what they see as a spike in crime in the city, and about." officials announced a special meeting at City Hall at 7 p.m. this Thursday, Jan. 26, to possibly put a three quarter percent income tax increase on the May 2 ballot. If passed by voters, the additional revenue likelights on timers." He added could be used to increase police presence and improve safety in the city.

Council placed an ordinance and resolution regarding the proposed income tax increase on second reading at last week's meeting. These were the only for any safety concerns she two items on the agenda. Both might have and to discuss popieces of legislation need three readings to pass. Deli in Bedford robbed again

By Judith Goldsworth

John's Deli in Bedford was robbed for the second time in two months last week. Police Chief Kris Nietert stated yesterday that no arrests have been made yet, and a suspect is still being sought.

The Northfield Road store, which was robbed in early December, was robbed again at about 7:50 a.m. on Friday, Jan. 20, by a suspect described as a short black male, in a black shirt and black pants, according to the police re-

It was not stated in the report whether a weapon was used.

The suspect stole money from two registers in the store and left on foot.

Evidence was collected at the scene and video footage gathered from the store's owners was turned over to the detective bureau, police stated.

Garfield Hts., Newburgh Hts. receive funding for sewer projects

The Northeast Ohio Regional Sewer District's Board of Trustees has awarded \$7.2 million to 12 communities as part of the agency's newly-launched Member Community Infrastructure Program (MCIP), among them Garfield Heights and Newburgh Heights.

MCIP assists communities with local infrastructure improvements including new sewer infrastructure, repairs to reduce infiltration and inflow (leaking pipes) and remove failing septic systems from the environment to improve the region's water quality, public health and the environment.

"The projects we are funding through the Member Community Infrastructure Program will address impacts to human health and the environment from aging local sewer infrastructure," said Kyle Dreyfuss-Wells, deputy director of Watershed Programs. "We are very pleased to partner with these communities to move these great projects forward."

Grants awarded include \$717,533 to Garfield Heights for Northwest Neighborhood Sanitary/Storm Sewer Reconstruction - Phase 1, and \$400,000 to Newburgh Heights for the East 54th and Brow Avenue Sewer Separation.

Many of the other projects approved for 2017 include the elimination of household sewage treatment systems or septic tanks. These projects, located in Seven Hills, Olmsted Falls, Moreland Hills, Strongsville, Parma and Olmsted Township, will result in approximately 900 new customers for the Sewer District and the elimination of the associated water quality impacts of such systems.

Garfield Heights Council okays purchase to play at The Q; of surveillance cameras to stem tide of crime

By Ellen Psenicka

Garfield Heights Council met Monday night and passed legislation to enter into an agreement with Security Installations for the purchase, installation and maintenance of a citywide video surveillance network at a cost not to exceed \$20,000.

Under the proposed agreement, Garfield Heights would purchase 50 cameras to be installed at locations targeted by the city in conjunction with the Garfield Heights Police Department.

According to the ordinance, the cameras would provide the city and police with valuable evidence that could be used in the prosecution of criminals caught on tape, as well as serve as a deterrent to future crimes where individuals avoid criminal activity knowing cameras could be present in the area.

"We need to do whatever it takes to make our city safe," Mayor Vic Collova said during the

The legislation also stated that the cameras would be placed in public locations that would not impede upon the privacy of residents or their homes, and that information recorded by the network would only be viewed where a crime has taken place, and such information could be used in the apprehending or prosecution of a criminal.

Police Chief Robert Byrne noted recent crime trends in the city. He said there has been a rash of daytime burglaries lately with criminals stealing flat screen televisions from homes, and that thefts from autos has become a serious problem. He advised residents to remove valuables from their cars and lock them when not in use. Byrne also warned against leaving unoccupied cars running, an easy target for car thieves.

The chief also praised the good police work done in obtaining an arrest of the suspect wanted in the murder last November at Skillz Barber Shop on Turney Road.

Also passed at Monday's council meeting was an amendment to the collective bargaining agreement between the city and the Fraternal Order of Police, Ohio Labor Council, giving jailers and record clerks a one percent pay increase.

An emergency resolution was passed ratifying the appointment by the mayor of Bill Johnson to the city's Recreation Board for the term effective January 1, 2017 and ending December 31, 2022.

A resolution was also passed allowing the city to apply for the 2017 Community Recycling Awareness Grant.

The next regular meeting of council is set for Monday, Feb. 13.

Letters to the Editor Judge Pianka will be missed

We in the Greater Cleveland Polish American community have lost a very dear member, Judge Raymond Pianka. We are very proud of him as a family man and public servant. He was a well respected participant and patron of Polish culture who promoted knowledge of all things Polish. For example, he gave to the children's Polish Schools to foster their knowledge and participation in keeping traditions alive for generations to come.

And we are extremely proud of his accomplishments on the bench that sought to improve this great city of Cleveland.

His traits of honesty, fairness and unselfish devotion to all were a great example. On a personal level, I initially met him in our days at Cleveland State University and was impressed by his

We in the Polish American community highly salute this fine human being, Raymond Pianka, and express our sincere condolences to his family. The city of Cleveland has lost a good man. Let us build on his example.

District honors GHBOE members

The Garfield Heights City Schools would like to pay respect to the members of the Board of Education as the entire district celebrates Board Recognition Month in the State of Ohio.

Board Recognition Month is held during the month of January each calendar year to set aside time to officially "thank" the service of these individuals in their stewardship of the district.

Our school board members are the formal citizen-based liaison between the educational leadership of the school district and the community. Their main responsibilities include establishing and approving the budget each and every year, setting the district mission, vision and goals and helping to establish board policy.

Board members receive inquiries from the community-at-large and answer questions when they arise. Meeting at least one time publicly each month, so that the public can observe and participate in the gatherings of the Board, each member plays a distinctive role in the management of the district.

Please join the Garfield Heights City Schools in honoring the Garfield Heights: Board of Education. They are: President Gary Wolske, Vice President Christine A. Kitson, Member Robert A. Dobies, Sr., Member Joseph M. Juby and Member June A. Geraci. The entire district thanks them for their service.

Low cost spay/

For the last 40 years, Valley Save-A-Pet has provided low cost spay/neuter services to pet owners in the Greater Cleveregular cost of spay/neuter for their pets. Approximately 26 veterinarians have joined in to help with the organization's Have-A-Heart Program.

The veterinarians have discounted the cost of the first rabies and distemper vaccines at the time of spay/neuter. This program runs from February 1 through November: Monday, Wednesday, Thursday and Friday from 11 a.m. to 2 p.m. For this service, call 440-232-9124.

Modest additional charges will be required for all animals not current on shots and for most large dogs whose weight might require special anesthesia.

Valley Save-A-Pet also provides services for feral cats through its "Trap, Neuter, Return" project and works with feral cat caretakers to spay/neuter the colony populations and reduce future births. For more information on the feral spay/neuter program, call 440-232-9124 on Mondays only from 11 a.m. to 2 p.m.

Several minutes later, dispatch received a 9-1-1 call from the 18year-old who said the suspects were back at Giant Eagle. He said they had been inside the store and were getting into their car. They fled from the parking lot at a high rate of speed towards the freeway entrance ramp on Transportation Blvd., where police conducted a traffic stop. The driver, 20, of Garfield Heights, was removed from the vehicle and detained, as well as the passenger, 21, of Maple Heights.

Inside the car, officers confiscated a pellet gun replica of a handgun. The female claimed the other party involved instigated the argument and tried to start another fight several minutes later inside the grocery store. The 20-year-old was issued a summons for possession of the pellet gun.

Robbery

The owner of the Sunoco at 4935 Turney Rd. told police a man had been walking behind the gas station for 5-10 minutes on [anuary 16th, around 7 a.m., then came into the store and said, 'Give me all the money!" After the owner handed over the cash the suspect fled eastbound on Summerdale Ave. Officers searched the area with negative results.

Shots Fired

 Witnesses told police they saw two men near Sammy's Auto at East 131 St. and Rexwood arguing on January 20th, around 8:30 p.m. They said one of the males pulled out a handgun and fired a single shot towards the other male and then fled eastbound on Rexwood. Officers collected a single shell casing as evidence.

•On January 21st, around 11 p.m., police were dispatched to the area of East 135th and Orme Rd. for a report of shots fired. Officers saw a group of juveniles standing in front of a home in the 13200 block of Orme and spoke to the homeowner who said she was having a birthday party for her 13-year-old daughter when she heard multiple gun shots outside. She went out to A resident of the 5300 block of East 129th St. told police he saw investigate and saw a silver sedan speed away from the scene. a man come from the neighbor's backyard with a chair that he put After hearing the shots, she ended the party and told everyone to next to a window, then climbed up and tried opening the window, go home. She believes the incident stemmed from not allowing around 1:25 p.m. on January 16th. The caller said he was not sure a few juveniles into the party.

Police searched the area and found 12 shell casings in the street Police searched and said no one had been inside, but detectives near the incident. Officers also searched the area for suspects arrived to collect fingerprints off the window. Police searched the with negative results.

Theft

An employee of the Walgreens store on Rockside Rd. told police A resident of the 13400 block of Thraves Ave. told police she and a man came into the store around 1:30 a.m. and bought a bag of her daughter left their home around 6:50 a.m. on January 17th, potato chips. The man grabbed a handful of cash from the and when her daughter came home around noon, she found the register, about \$100, and fled from the store. Police found a side door had been forced open. Two TVs, an iPad, laptop discarded Walgreens bag with a bag of chips inside next to the computer, Xbox and \$80 cash had been stolen. Detectives were building. Officers searched for the suspect with negative results.

> While an officer was still at the store talking with the employee about the theft, around 1:50 a.m., they noticed a second male was behind the counter attempting to steal cigarettes. When the man realized he had been caught, he quickly dropped three cartons of cigarettes, valued at nearly \$170, and tried to walk away. The officer stopped the man, identified him as a 37-year-old Cleveland resident, and questioned him. The man denied trying to steal anything. He was arrested and charged with theft.

The man claimed he and two friends were sitting in his car in the **Trespassing**

Residents of the 12900 block of Eastwood Blvd. told police they arrived home around 2:45 p.m. on January 19th and saw a man standing in their driveway next to their side door. They said the same male was at their home around the same time on January 18th knocking at the side door and turning its handle. Officers detained the male, a juvenile, and the residents positively identified him as the male they saw at their home on both days. Collova announces purchase of 50 surveillance cameras for Garfield Heights in Chamber's 'State of City' address

By Ellen Psenicka

Garfield Heights Mayor Vic Collova gave his annual "State of the City" address last Wednesday at the Knights of Columbus Grand Ballroom on Granger Road, sponsored by the Garfield Heights Chamber of Commerce.

A major announcement by the mayor was the city's pending purchase of 50 security cameras to be placed in hot spots throughout the city creating a video surveillance network.

Shown above at last week's "State of the City" address in Garfield Heights are, from left: Pat Salemi, Community/Public Relations/Grant Coordinator for Garfield Heights; Mayor Vic Collova; Garfield Heights Chamber of Commerce Executive Director Gabriella Huszarik; and Garfield Heights Economic Development Director Noreen Kuban.

An emergency ordinance authorizing the mayor to enter into an agreement with Security Installations for the purchase, installation and maintenance of the cameras was passed at Monday's meeting of Garfield Heights Council.

With the motto "Open for Business/Closed to Criminals," the Garfield Heights Police Department and Security Installations will determine where the devices will be located, Collova said.

the negatives and said they would benefit the city by helping in Defense Service Medal.

police investigations, creating strong evidence for prosecutors and discouraging criminals from coming into the city.

The mayor also said any businesses which would like to sign up with Security Installations for cameras will be able to get them at the same cost as the city. Contact the mayor's office for details.

Mayor Collova also noted the Turney Road repaving project should start this April when the asphalt plants open; Bridgeview developers are working with the mayor and Economic Development Director Noreen Kuban and hopefully the city will have a major announcement in the spring; resurfacing of the bridge over Valley View is slated to start in October; and Garfield Heights is working to enhance its Meals on Wheels program.

Collova stated the Meals on Wheels program has a waiting list of seniors who would like to participate in the program. Any individual or business that would like to donate to the program can send a check to Finance Director Barb Biro's attention at the Garfield Heights Civic Center, 5407 Turney Rd., Garfield Hts., OH 44125 and earmark it for the senior center's Meals on Wheels program.
