## Citizens Bank in Bedford robbed

The Citizens Bank at 453 Broadway Ave., Bedford, was robbed Monday morning. The following information is according to Vicki Anderson, an agent with the Cleveland Division of the FBI.

The unknown suspect entered the bank around 10:50 a.m. and presented a demand note threatening that he had a weapon, though a weapon was not observed. The teller gave the suspect cash and it is believed that he fled the bank in a 2005 silver Toyota Camry. Witnesses believe he entered the passenger side of the vehicle implying there could be a get-away driver, however, a driver was not observed. No physical injuries were reported.

He is described as a black male, approximately 6'2" and approximately 210 pounds.

Tips can be provided to the Bedford Police Department, 440-232-7600; Cleveland Division of the FBI, 216-522-1400; or Crimestoppers, 216-252-7463. ## Funeral services today for former Maple Heights Mayor Jeff Lansky

Funeral services for Mayor Jeffrey Lansky, Sr., who served as mayor of Maple Heights from 2007 until just over a year ago, will be held today, Wednesday, April 5, at 10 a.m. at Ferfolia Funeral Home, 356 West Aurora Rd., Sagamore Hills, and at 11 a.m. at St. Martin of Tours Catholic Church, 14600 Turney Rd., Maple Heights; interment at All Saints Cemetery, Northfield. Visitation services were held earlier this week at the funeral home.

Mayor Lansky had a long record of public service to the city of Maple Heights, starting in 1987. He not only served eight years as mayor during a difficult economic time for the

city, but also served four years as a District 7 councilman and 12 years as council president. He died Thursday, March 30, surrounded by his family, after a battle with heart disease. He was 57.

Mayor Lansky received many awards and honors during his career, including being named one of Ohio's Finest Public Servants by the Ohio Senate; one of Ohio's Outstanding Citizens by the House of Representatives; an Outstanding Young Man of America; and the Cleveland State University David C. Sweet Outstanding Elected Official Award.

He was a field representative for the National World War II Memorial in Washington, D.C., earning Defender Status for funds raised; recipient of the Beechbrook Hearts of Hope Award for working with at-risk children; recognized on the Wall of Tolerance in Montgomery, Alabama for contributions to youth promoting tolerance and patience; honored as the Man of the Year for the Leukemia and Lymphoma Society; and was nominated by the late Congressman Steven LaTourette for the Profile in Courage Award from the John F. Kennedy Public Library Foundation.

Mayor Lansky was known as a "tireless champion for the youth of Maple Heights," according to his family, and could often be seen attending sporting events and awards ceremonies. "He took the time to get to know the students and their families," his family said, adding, "Through the years, countless students were recognized by the mayor for their achievements at city council meetings, but most special to Jeff were the invitations to family celebrations, which he attended with pride."

Current Maple Heights Mayor Annette Blackwell was endorsed by Mayor Lansky after

Jeffrey Lansky, Sr.

he chose not to run for a third term in 2015. She stated that Mayor Lansky not only left behind his family, but also "hard-working city employees, as well as the 23,000 residents of Maple Heights, whom he served with the commitment of making a difference in their lives."

He was the loving husband of Mary A. (nee Ferfolia), with whom he just celebrated his 25th anniversary, cherished dad of Allyson Newell-Binekey (Kevin), Megan Flyer (Zachary), Colleen Newell (Sean Kaplan); and Jeffrey A. Lansky, Jr. He also leaves behind granddaughter, Donna Newell; mother, Dorothy Lansky; sister, Mary Ann Bunjevack (Milan); and a brother, Martin (Aileen). He was preceded in death by his father, Martin C. Lansky.

He is also survived by his mother-in-law, Alice Ferfolia (the late Donald L.); brothers-in-law, Donald B. Ferfolia (Margaret) and Mark Ferfolia (Christine); sister-in-law, Donna Lang Arenschield (the late Richard); and was an uncle, great-uncle, cousin, and friend to many.

The family suggests donations in his name be made to the Jeffrey A. Lansky Legends of Courage Scholarship.

# Special Sunday at St. Stan's

By Joseph Feckanin

Last Sunday, April 2, the Shrine Church of St. Stanislaus marked the 12-year anniversary of the death of the beloved Polish pope, Saint John Paul II (Karol Wojtyla), at the 10 a.m. Mass. The service concluded with veneration of three relics, those of John Paul II, St. Maximilian Kolbe and St. Padre Pio (the Padre Pio chalice).

The relic of John Paul is housed at St. Stanislaus, but the relic of Maximilian Kolbe was brought to Cleveland by Brother Donald Thielsen, OFM Conv., of the National Shrine of St. Maximilian Kolbe in Libertyville, Illinois, and the Padre Pio chalice is kept by The Padre Pio Prayer Group of Cleveland. Cindy Klimkowski Russo is the group leader of the prayer group and custodian of the chalice.

Shown above are, from left: Jolanta Bartosik, Cindy Russo holding the St. Padre Pio chalice, and Brother Donald Thielsen, holding the St. Maximilian Kolbe relic. Photo by Joseph Feckanin

The late Pope John Paul II canonized Maximilian Kolbe (he died at Auschwitz during World War II taking another's place in a death cell). St. Padre Pio, known for the "stigmata," was revered by the young Karol Wojtyla, who met him in the late 1940's after the war. During their meeting, Padre Pio told Wojtyla that one day he would be pope.

The three relics, all connected in some way, came together last Sunday, the anniversary of the date John Paul II died 12 years ago. What a testimonial to the three men who walked in the footsteps of the Savior, Jesus Christ, and continue to this day to witness the faith by their examples.

## 'Lux In Tenebris' to premiere at Atlas Cinema April 21st; features scenes shot locally

"Lux In Tenebris," a complex and thoughtful independent movie directed by Cleveland's own B.R. Tatalovic featuring scenes shot in Cleveland and Garfield Heights, will have its premiere at the Atlas Cinemas, 22624 Lakeshore Blvd., Euclid, at 8 p.m. on Friday, April 21.

Oscar-nominated actor Eric Roberts leads a cast of 50 Ohio actors in the film, written by Alex Russo, who also stars in the film and serves as one of the producers. Also producing the film are Tatalovic and Warner-Turney neighborhood native Deborah Ochwat.

The film's producers explained the movie's plot saying, "Growing up with traumatic childhood memories, two Cleveland sisters seek an eternal light in a world of darkness," adding, "'Lux In Tenebris' dramatically and metaphorically explores various socio-cultural issues in American society, including interracial relationships, religion, love, hate and hypocrisy."

The producers stated: "If you love non-mainstream drama and

a slightly controversial study of humans, you'll find it in this independent film." The film's suggested rating is R, for some foul language, brief scenes of violence, implied adult content and adult situations.

The music for the film was recorded by Cleveland's Meg Stepka, Marc James, Mechanics of Things, Matt Skitzki, C.J. Money Hog, and Peach Martine, including several international recording artists, said the producers, who also stated that this self-and-crowd-funded indie film was shot on several locations in the Cleveland-Akron area, including Elmwood Elementary School in Garfield Heights.

Tatalovic, besides his directing and producing duties, teaches film and media arts at Cuyahoga Community College. And besides serving as an actor, writer and producer, Russo is an artist and educator.

Tickets for the film are \$10 each and may be purchased in advance by ordering through Atlas online ordering, [www.atlascinemas.net/shore.aspx](http://www.atlascinemas.net/shore.aspx). When visiting the site, please look for the 8 p.m. show on Friday, April 21.

The screening of the film will be followed by a question and answer session with the filmmakers and actors, and an after-party at a nearby location to be determined. For more information on this film, see the trailer at <https://vimeo.com/belgrad/lux>; also, additional details and data are available at <http://www.imdb.com/title/tt3568078>.

## Aggravated Robbery

Police spoke to an employee of Medina Bay Ltd., a clothing store on Transportation Blvd., who said a man came into the store on April 1st, around 6:15 p.m., and asked him to get two pairs of shoes and some clothing together and hold them for him until later. The employee complied, and a short time later the man returned to the store brandishing a handgun. The employee said the man pointed the gun at his head and demanded he put the clothes into a bag. The employee complied and the man fled on foot. He was described as having dark dreadlocks in a ponytail and a large tattoo on his neck.

Later officers were searching the area of Mapleleaf Dr. for a carjacking suspect from an incident in Maple Heights. Police said the victim's car had been left on Mapleleaf and the suspect matched the description of the robbery suspect. Officers used the K9 Unit to search but were unsuccessful.

On April 2nd, around 4:50 a.m., police received a call from a Garfield Heights woman who said an unknown male was sleeping in her basement. Police arrived and the resident identified him as her estranged son who did not have permission to be inside her home. Police said he matched the description of the robbery suspect and the carjacking suspect, and found two pairs of shoes and a pair of pants that matched the items stolen from the clothing store.

Based on the description of the robbery suspect and the clothes retrieved from the basement, police determined there was enough reasonable cause to believe the teen was the suspect in the clothing store robbery. An affidavit was completed for aggravated robbery.

## Arson

On March 29th, around 12:45 a.m., the Garfield Heights Fire Department arson investigator was called to the area of Chaincraft and Broadway Ave. where a 2007 Ford Edge was found on fire under the Whitehouse Bridge. The investigator processed the scene and said the vehicle needed to be towed to the police impound lot. The owner of the vehicle was contacted and said the vehicle was last seen parked in a driveway on Dearborn Ave. in Cleveland. Police said it is likely the car was stolen.

## Attempted Auto Theft

A Garfield Heights resident said that between 7 and 9 p.m. on April 2nd, his car was broken into while parked in a parking lot in the 4700 block of Turney Rd. He said the suspect broke out the back left window of the car and damaged the steering column and lock tumbler in an attempt to steal it. Nothing was taken from inside.

## Felonious Assault

A Cleveland resident ran to a home in the 13600 block of Thornhurst Dr. for help on April 1st, around 11:25 p.m., after he had been shot in the leg on South Parkway. When police arrived the man said he was being walking eastbound on South Parkway towards East 139th St. when he was approached by a man who said, "I remember you tried to fight me." Before he could reply, the victim said the man pulled out a gun and "opened fire" on him. He was struck above his right knee which exited through the back of his knee. He said he ran behind a brown house, jumped a fence, and knocked on a door on Thornhurst Dr. to ask for help. He was taken to Cleveland Metro Hospital and was released.

around 4 a.m. Police said he was reluctant to give police any other information. Officers also learned the man had a warrant for auto theft with the Cuyahoga County Sheriff's Office.

Police searched the area on South Parkway where the man said the shooting occurred and found eleven 40-caliber bullet casings and tempered glass fragments. A cell phone was also found at the apron of a driveway in the 13700 block. Police found gunfire damage to a nearby home's storm door and spoke to the homeowner who said she heard numerous gun shots and cars speeding away. Another five 9mm casings were also found in the street in the 13700 block. Officers were approached by a man at the scene who said he saw a newer white sedan without its lights on and a blue SUV speed off after the gunfire.

On April 2nd, around 12:45 a.m., as police were finishing the investigations on Thornhurst and South Parkway, they saw a newer white sedan without head or tail lights on, heading southbound on East 136th St. Police followed the vehicle, and as it began speeding away from officers they tried to initiate a traffic stop. As the vehicle reached speeds in excess of over 65 miles per hour in the East 153rd St. and Seville area, officers terminated the pursuit and advised Cleveland PD of the situation.

## Shots Fired

A resident of the 13800 block of Christine Ave. told police he heard several gun shots on March 30th, around 6:40 p.m., and when he went to investigate he noticed the outer pane of his kitchen window had been shattered. Police checked the area and also found a vehicle parked in front of a home in the 4400 block of East 139th that had been damaged. The resident of East 139th said he and two family members were trying to jump start the car parked out front when a newer white Chevy Impala pulled into the intersection of East 139th and Maplerow and began firing several rounds towards them then sped away northbound on East 139th.

While checking the area, police found eleven .45-caliber shell casings in the intersection. A home in the 13800 block of Rexwood Ave. was also struck by gunfire.

## Theft from Auto

On April 1st, a resident of the 13800 block of Wolf Ave. told police someone broke into her car overnight and stole her leather purse, worth \$800, and miscellaneous cash, totalling \$165, from the center console and her wallet. She said the car may have been left unlocked unintentionally. She gave police a small black glove found inside the car that did not belong to her as possible evidence.

## Weapon Offense

A woman called police on March 28th, around 11:25 p.m., and said she had seen three highly intoxicated men walk into Bonkers Bar on Turney Rd., and one of them was carrying a gun. She gave police a description of the males and police went to the bar and saw three males matching the description given. An officer stood next to one of the males who was acting very nervous, and after explaining why they were there, police frisked the suspect. The officer found a handgun in his waistband and he was identified as a 20-year-old Euclid resident. He was arrested without incident.

As the 20-year-old was being arrested, a second suspect at the bar started showing signs of nervousness and he appeared to be holding a cigar containing suspected marijuana. Police asked if "everything was okay" and the male began stuttering in nervousness. He told police he was unarmed, but officers observed a gun in his waistband. The 19-year-old Garfield Heights resident was also arrested without incident and issued a summons for possession of suspected marijuana.

The third suspect was seen standing by a hallway at the back of the bar where the restrooms were located. He also appeared to be very nervous, and as the two others were being arrested, he retreated further into the hall and returned a few moments later. As one officer stood near the suspect and another checked the restroom for weapons, the suspect fled from the bar and ran westbound across Turney Rd. Police and the K9 Unit chased the male who was then arrested and identified as a 21-year-old from Cleveland. He told police he hid a gun in the bathroom and appeared to be intoxicated. He was taken to Marymount Hospital to be treated for a dog bite on his thigh. The gun was found hidden in the women's restroom.

All three weapons, a Glock 19mm handgun, an FMK 9mm and a Davis Industries .380 Auto Caliber handgun were confiscated. Each gun was loaded with ammunition and two of the guns had a hollow-point bullet in the chamber at the time of the arrest. The weapons were checked through LEADS and none were stolen. All three men were charged with possession of a firearm on beer/liquor permit premises.

# Letters to the Editor

## Corrects councilman's statement

Dear Sirs;

In an article by Judith Goldsworth, Wednesday, March 29th, 2017, with the headline: "Bedford Official Says Meals program will continue," Mr. Pozar misstated certain facts regarding funding of the SE Clergy Meals on Wheels program.

Although it is true that our organization receives no direct government funds, there is a great misunderstanding that we will not be impacted by a cut in budget to the Older Americans Act. Two-thirds of our clients receive federally paid for meals which are administered by the Western Reserve Agency on Aging, a government entity, through two of our working partners: Maple Heights Senior Center and Rose Center for Aging Well. They provide us 60 meals each day (paid for by the federal government) for qualified residents of Bedford, Bedford Heights, Oakwood Village and Walton Hills.

Mr. Pozar is correct that we do receive donations from private entities, charitable groups and others, monies which are applied to subsidizing meals for persons who don't qualify for federal meals: those under 60 years old, those requiring special diets. These donations from private sources and our clients themselves also help to keep our program operating, paying our rent, insurance and even office supplies. To my knowledge, in the last 10 years, we have never applied or received any Community Development Block Grant.

Our 85 volunteers and wonderful donors will continue to provide service and assistance to keep our program running, but we also need the continued commitment of federal funds for a growing senior population to make it all possible.

We suggest in the future if Mr. Pozar wishes to answer questions about our Meals on Wheels Program, he might want to check with our officers to determine the facts first. We hope that the misinformation Mr. Pozar provided will be corrected as soon as possible.

Sincerely,  
Dinah Mouat

# Budish announces new initiative to help coordinate senior services

County Executive Armond Budish and Cuyahoga County Division of Senior and Adult Services (DSAS) recently announced the launch of "One Call for Wellness," a coordinated programming initiative, that provides a one-stop-shop for supporting older adults in Cuyahoga County.

Just one call to a central number will connect staff at senior centers, senior apartment buildings and other senior service organizations with programs for their senior clientele. These programs cover: financial wellness, nutrition education, health and wellness, and aging mastery.

"Initiatives like 'One Call for Wellness' equips professionals who work with older adults with the tools and programs needed to help our older residents to age at home, rather than an institution, and to empower seniors to take an active role in their own successful aging," said Budish.

The pilot project is a partnership among Benjamin Rose Institute on Aging, the City of Cleveland Department of Aging, ESOP, Fairhill Partners, the Greater Cleveland Food Bank and Rose Centers for Aging Well, LLC. This initiative is funded in part through a Senior Center Innovation Grant awarded by the Cuyahoga County Division of Senior and Adult Services through the Health and Human Services Levy.

"We know that senior centers, senior apartments and municipal offices on aging need a more coordinated, cost-effective approach to providing services to their clientele. 'One Call for Wellness' provides such an opportunity," said DSAS Administrator Dr. Richard Jones.

"Having a one-stop-shop approach like 'One Call for Wellness' will make it easier for seniors to access the programs that give them a path to economic security and healthy living that reduces social isolation," Jones continued.

The National Council on Senior Centers estimates that one in six seniors are at risk for social isolation, which can often lead to debilitating illnesses like chronic depression, heart disease, cognitive decline and an increase risk of suicide.

For more information on "One Call for Wellness" programs and to make a request, visit [www.benrose.org/onecall](http://www.benrose.org/onecall) or call 216-373-1978.

# Developer Nate Zarembo dies

Well known Cleveland developer Nathan Zarembo passed away suddenly last Friday. Among his many projects in and around the Cleveland area was Mill Creek housing development, located on Turney Road in Cleveland, near the Garfield Heights border.

Cleveland Ward 12 Councilman Tony Brancatelli commented on Zarembo's passing, "He was a leader in the resurgence of Cleveland's housing market and on the forefront of our renaissance, a true visionary for what our neighborhoods could become. Mill Creek was a product of Nate's creativity for urban markets, which was one of the largest market rate single family home developments since the 1940's. His passion, vision and creativity will be missed in Cleveland."

Bobbie Reichtell, executive director of the Campus District community development organization, also commented on Nathan Zarembo and his impact locally:

"Slavic Village has lost a good friend in the passing of Nathan Zarembo. He tirelessly worked with Slavic Village Development from 1993 on to create the Mill Creek housing development on Turney Road. He put as much passion and attention to detail in the design of the development and homes at Mill Creek as he did to his higher priced developments in the suburbs. His family had early roots in the Slavic Village neighborhood and his goal was to lift up the neighborhood by building beautiful homes in a setting with neighborhood parks, a community center and a trail to the Mill Creek waterfall.

"He organized a Career Day at Mill Creek with then-Principal Bill Bauer from Miles Park Elementary School. He had every major contractor who was working at Mill Creek set up hand-on displays for every student to hear and learn about a variety of jobs and careers - from roofing and carpentry to architecture and marketing. He also built and outfitted a computer lab at Miles Park Elementary and contributed behind the scenes to numerous community improvement efforts.

"While he developed in other neighborhoods around the City of Cleveland, he had a special attachment to Slavic Village and was currently working on Trailside Homes with Third Federal Savings and Slavic Village Development when he passed away."

# Maple Heights schools treasurer explains levy renewal

Dear Editor:

I write this as an open letter to the residents of Maple Heights. I appreciated the article in last week's Neighborhood News concerning the levy renewal ballot issue on May 2nd. The information was accurate, but the ballot language that the newspaper was quoting can be confusing to anyone. I had a couple of readers call me with questions. So I wish to clarify a few important points:

1. This is strictly a renewal of an operating levy for the same annual fixed dollar amount of \$6,708,732. This is the same amount the voters renewed in 2012.
2. There is no second school levy on the ballot. There are no additional taxes being voted on. This is strictly a renewal levy and is the only issue on the Maple Heights ballot.
3. This levy represents a significant amount of the current operating budget, approximately 15 per cent of the budget.
4. The money from this levy allows for the continuation of educational opportunities for our students, salaries and benefits for staff, utilities, repairs and maintenance of our buildings and buses, and the instructional supplies and equipment that our students need in the classroom.
5. The community's continued support of our schools has led
