## Black Walnut Fest set for Oct. 14th

### Baking contest deadline extended

The Garfield Heights Historical Society is sponsoring its first-ever Black Walnut Fest on Saturday, Oct. 14, from 10 a.m. to 5 p.m. at the museum, 5405 Turney Rd., Garfield Heights.

There will be games for children of all ages, music by the AirChiefs, a Pumpkin Contest (bring your own carved pumpkins to the event), apple cider, and a Black Walnut Baking Contest with four categories for entry: Cakes, Cookies, Breads and Pies. Besides bragging rights and ribbons, each winner will receive a gift bag full of black walnut-themed goodies and a gift card especially for home bakers.

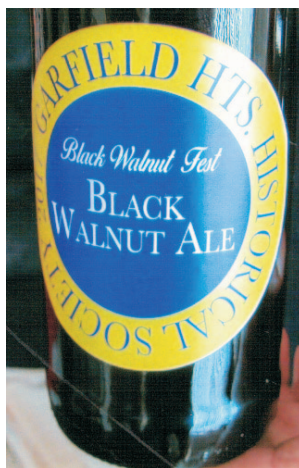

A panel of five celebrity judges, including Garfield Heights Mayor Vic Collova, will determine the winners in each category. The baking contest is open to all amateur bakers. For more information or to participate, go to [www.ghhist.org](http://www.ghhist.org), call 216-475-3050, or use the coupon below. The deadline to enter has been extended to Saturday, Oct. 7.

If you're having a hard time finding black walnuts in the stores, look for them at Farmer Jones Market in Maple Heights, Sam's Club or Ollie's, both in Oakwood.

Chris Katsaris of Chris' Family Restaurant in Bedford is promoting the Black Walnut Fest by offering some lucky diners at her restaurant some of the delicious black walnut orange butter made by Fest organizer Big John Duhanich, which will also be available at the October 14th event for a modest donation.

Also available will be Big John's Black Walnut Ale, a brown English ale brewed with wild harvested black walnuts he personally gathered last fall.

There will be something for everyone at this "nutty" event, so stop by for some fall fun in Garfield Heights.

## M.H. Council declares bar 'nuisance'; approves program for city leaf pickup

By Judith Goldsworth

After repeated reports of assaults, liquor violations, obstruction, numerous other offenses, and several shootings at the All Stars Ultra Sports Lounge at 15755 Broadway Ave., Maple Heights Council passed a resolution declaring the operation a "nuisance subject to abatement" at its meeting last week.

Council's approval of the legislation follows the actions of the Cuyahoga County Prosecutor's Office on May 18th, 2017, in which it filed a nuisance action against All Stars and Adonis Horne, owner of the liquor permit of the establishment and also listed as the bar's owner, as stated in the resolution.

As a result, Cuyahoga County Common Pleas Court issued a preliminary injunction against All Stars on June 21st of this year, "closing All Stars pending

a trial on the merits, scheduled for October 11, 2017," the resolution stated.

Repeated calls to the number listed for All Stars on its Facebook page were not answered, with a recorded message stating that no calls could be taken. Also, the Internet listing for the bar states it is "permanently closed."

According to the resolution passed by council,

there is a long list of incidents reported by Mayor Annette Blackwell, who sponsored the legislation, and Maple Heights police at All Stars, in the Broadway-Libby intersection, going back at least a year.

In its passage of the legislation, council declared the use by All Stars of the property at 15755 Broadway for its business operations to

## Cleveland councilmen add reward money leading to arrest of burglary suspect

Glen Adkins, Jr. is wanted by the United States Marshals Service and the Cleveland Division of Police for multiple charges including felonious assault, assault on a police officer and burglary.

The charges stem from an incident on September 20th in which Adkins allegedly fled from police in a vehicle and dragged an officer as the vehicle sped away, according to US Marshals.

Adkins is also suspected in a string of burglaries in the Slavic Village and Old Brooklyn neighborhoods.

Cleveland councilmen Tony Brancatelli and Kevin Kelley have contributed an extra \$1,000 towards information leading to the arrest of Adkins, according to a release from Cleveland City Council.

They have donated the money to Crime Stoppers, bringing the cash reward of up to \$2,500 to \$3,500 for information leading to his arrest.

"We are focused in working with our Cleveland Police to help solve these break ins," said Ward 12 Councilman Brancatelli. "They have a few of the criminals in custody and are looking for another, Glenn Adkins, Jr. We are asking the public for help in locating Adkins."

Adkins is a 20-year-old white male with reddish-blond hair and is 5'7" inches tall and may be armed. He is known to frequent the areas of Fleet and Harvard aves. and Denison and W. 84th St. Adkins goes by the nickname "Mo."

Anyone with information about Adkins is urged to call Crime Stoppers at 216-252-7463 or submit a web tip at [www.25crime.com](http://www.25crime.com).

Information can also be given to the Northern Ohio Violent Fugitive Task Force at 1-866-4WANTED or text keyword WANTED and your tip to 84711 (tip411). Tipsters can remain anonymous.

## 'Walk for Recovery' this Sunday in Garfield Heights

The 2nd annual "Walk for Recovery" in Garfield Heights will be held this Sunday, Oct. 1, from noon to 2 p.m., to raise heroin and addiction awareness.

The program will begin with a short walk from the Garfield Heights Civic Center, 5407 Turney Rd., to the Garfield Heights Police Station and back. Participants should feel free to make posters for heroin

awareness to carry on the walk. There will be speakers and refreshments following the walk back to the Civic Center and a balloon release in honor of those that have lost their lives to addiction.

With questions, call Ruth Pollack at 216-475-1103 or email [rpollack@garfieldhts.org](mailto:rpollack@garfieldhts.org).

be "a nuisance because of repeated criminal activities."

A nuisance, as defined in the codified ordinances, is "an unreasonable interference with a right common to the general public, including conduct that significantly interferes with public health, safety, peace, comfort or convenience; conduct that is contrary to a statute, ordinance or regulation; or conduct that is of a continuing nature or has produced a permanent or long lasting effect, and has a significant effect upon the public right."

Individuals responsible for creating a nuisance are aware or "should be aware" of the situation, the resolution stated.

Blackwell, Police Chief John Popielarczyk, and Law Director Frank Consolo have been authorized and directed to abate the nuisance in accordance with Maple Heights' codified ordinances "in any manner determined by them to be appropriate and necessary, including revocation of a Certificate of Occupancy and/or a Registration of Rental Property, and/or a Tenant Rental License," the resolution stated.

## Other nuisances

Council passed two other resolutions declaring other properties in the city to be nuisances, at 5205 Milo Ave., and at 15800 Northwood Ave.

In the Milo legislation, it was noted that Blackwell, Popielarczyk, and Councilwoman Ebony Miller had found that police have been sent 12 times to the Milo address since July 2016. Officers have responded to complaints of domestic disturbances involving physical fighting and violence, false 911 calls, fights in the street, gunshots, suspicious drug activity and blocking the street with cars.

The resolution on the Northwood property declares it to be a structural/maintenance nuisance, as Blackwell, the building department and Councilwoman Toni Jones have reported that since December 27, 2016, the garage on this property "has been determined to be structurally unsound" and nothing has been done, despite written notices from the building department to tear the garage down and dispose of debris.

## Leaf collection contract approved

Council approved a resolution for a contract with Three Z Trucking and Supply Co., Inc., of Valley View, to pick up and dispose of leaves on residential properties, after the city had not conducted the service for the past few years.

The contract is for three years, at a cost of \$153,957 for 2017; \$155,958 for 2018; and \$157,959 for 2019. Additionally there are option years for 2020 in the amount of \$159,960; and for 2021 in the amount of \$161,961.

Residential water customers currently pay a fee of \$9 per MCF (MCF equals 7,480 gallons of water, according to the Cleveland Water Department) for improvement, repair and maintenance of the city's sewerage system, that is deposited in the city's Water Usage Fund.

City Engineer Ed Hren stated, "For the last couple of years, the city has not collected leaves. As a result, leaves often accumulate in the city's sewage system causing blockages, deterioration and maintenance issues. It is my opinion and recommendation that leaf collection must be performed on a yearly basis in order to properly operate and maintain and improve the city's sewage system."

Under the codified ordinances, the revenues from the Water Usage Fund can be used towards the leaf collection, Hren stated.

## Other resolutions

Council also passed a resolution for application to the Western Reserve Area Agency on Aging for funding under the Older Americans Act to continue nutrition and transportation services provided by the Maple Heights Senior Center, including meals at the Center, home-delivered meals, transportation and related programs and activities. The application is for the two years from January 1, 2018, through December 31, 2019.

Two resolutions for contracts with the Ohio Patrolmen's Benevolent Association for the city's full-time and part-time corrections officers for the three years through June 30, 2020, were placed on first reading for further discussion.

# Planning officer at Jennings named 'Outstanding Executive'

Jennings' Chief Planning Officer Colleen Lavelle was recognized recently with the Outstanding Executive Award by LeadingAge Ohio, a member driven organization that represents approximately 400 long-term care facilities and care across of continuum of settings located in more than 150 Ohio towns and cities.

The award was presented during the General Session as part of the LeadingAge Ohio 2017 Annual Conference and Trade Show. The award honors a LeadingAge Ohio member employee that demonstrates commitment and leadership to high-quality care, makes a difference in their organization with demonstrated results, and active involvement with professional community organizations, including LeadingAge Ohio.

Since joining Jennings in 1998, Colleen has obtained over \$2.5 million in grant funding to support partnerships with Kent State University, Cleveland State University, and the Benjamin Rose Margaret Blenkner Research Institute on workforce as well as other initiatives.

During her tenure, Jennings' programming has expanded to include assisted living, adult day services, home health, hospice and a child care center.

Colleagues describe Lavelle as "positive" with a "candor outlook" and a pleasure to work alongside.

"Colleen is in a unique position at Jennings," said Allison Q. Salopeck, president and CEO at Jennings. "She is able to focus on our goals and lead us forward to new projects. It's wonderful for her to be recognized for these achievements."

# Bills introduced in Bedford to eliminate hospitalization, raise salaries for future mayor, council placed on first reading

By Judith Goldsworth

Two ordinances before Bedford Council last week, one to eliminate hospitalization for the future mayor and council members and another to raise their salaries, were placed on first reading for further discussion.

The legislation to eliminate hospitalization, which according to the codified ordinances has been in place since 1970, is intended as a cost-saving measure and has been in the planning process for more than a year, Councilman Greg Pozar explained during the vote to amend it and place it on first reading.

As stated in the ordinance, if it is passed at a future meeting, "Effective December 31, 2017, the city shall eliminate the hospitalization, dental, vision and prescription drug benefits for all members of council, including the mayor, for terms commencing on or after January 1, 2018 (Wards 1, 3, 5 and Mayor/At-Large commencing January 1, 2018/Wards 2, 4 and 6 commencing January 1, 2020). The city shall continue to pay the full costs of said insurance for the judges of the Bedford Municipal Court, unless declined."

Pozar stated that an initial ordinance was instigated at his request more than 16 months ago, in an effort to address the city's financial situation, and statistics were compiled regarding hospitalization offered to city officials in other communities.

"Subsequent research done by the finance director and our clerk indicates that 48 out of 59 communities do not offer what we're offering," he continued.

This was prior to the passage of an income tax issue in May, raising the city's income tax from 2.25 percent to 3 percent, and which according to city officials will be used to fund street and sidewalk repairs and hire new police officers.

Pozar said the proposal to eliminate hospitalization for mayor and council could save \$150,000 to \$200,000 a year.

Also placed on first reading was an ordinance to increase the salaries of future mayors and council members in the city. According to information released by Council Clerk Lorree Villers, the annual salary for the mayor is \$13,622.88, with a proposed increase of \$7,200 to \$20,822.88. The current annual salary of each council member is \$12,771.36, with a proposed increase of \$7,200 to \$19,971.36.

As explained in this ordinance, if council were to approve the ordinance to eliminate hospitalization for the future mayor and council members, it would result "in a substantial reduction of the council members' compensation, and savings to the city of Bedford."

Council voted to place this ordinance on first reading, Councilman Donald Saunders dissenting.

## Other legislation

Placed on second reading were two ordinances, one

for the city to accept the donation of property at 83 Henry St. from the owners; and another for a contract between the city and TRW Construction LLC, for demolition of property at 38 Gould Avenue.

The city wants to tear down the Gould property, and TRW has submitted a bid of \$7,800 to conduct the demolition, according to the ordinance, which will be discussed for possible passage at a future meeting.

Also passed was an ordinance for the city to enter into an extension of the lease with option to purchase with MRLM LLC, a landscaping company, for property the city owns at 600 Solon Rd., to December 31, 2018.

Also passed were the following ordinances:

- To amend an ordinance entitled "Criminal Activity Nuisances." This will clearly define that the property owners will be charged following multiple offenses, and only the property owner will be allowed to appeal, City Manager Mike Mallis said.

- To condemn property and structures at 810 McKinley Ave., as it is "unsafe, unsanitary and unfit for human occupancy," the ordinance stated.

- To allow employees to make insurance plan premiums on a pretax basis for calendar year 2018, through Wage Works. This has been done in the past, Mayor Stan Koci noted.

## Announcements

Finance Director Frank Gambosi will be receiving the Dorian Lifetime Achievement Award for his services to public finance, through the Government Finance Officers Association, Mallis stated, adding, "It is a very, very prestigious award."

Norann Circle will have no parking between the hours of 7 a.m. and 4 p.m., on the request of residents and the city, Pozar stated.

Leaf pickup in the city is expected to start at the beginning of October, Mallis stated.

The Children's Fall Fest will be held in downtown Bedford on Saturday, Oct. 7, starting at 11 a.m., Mallis said.

## Cuyahoga County, Tri-C announce partnership to launch Workforce Development Alliance program

Cuyahoga County and Cuyahoga Community College (Tri-C) has announced a Workforce Development Alliance partnership that provides residents free training for in-demand jobs.

The Workforce Development Alliance will offer scholarships to income-eligible residents for enrollment in fast-track training programs at Tri-C. The initiative also includes job-placement assistance for graduates.

Tri-C will award 200 student scholarships during the project's pilot phase, which targets training programs for careers as a State Tested Nursing Assistant (STNA), Patient Access

Specialist or truck driver. Additional training programs may be included in 2018.

"To make Cuyahoga County a prosperous and thriving region, we know it is crucial to give our residents a career path to upward mobility," said Armond Budish, Cuyahoga County Executive.

"This program — with its focus on helping our Health and Human Services clients become trained in employment sectors where we know there are available jobs — is a practical, impactful approach to the skills gap in our community and to county residents' need for good jobs," Budish said.

The alliance between the county and college expands access to Tri-C's award-winning workforce programs and opens doors to jobs with sustainable wages, strengthening families and the community, officials said.

"The skills training offered at Tri-C creates opportunities for a better future," said Alex Johnson, Tri-C president. "This partnership with Cuyahoga County will open those opportunities to many more people in our community."

For additional informa-

tion, visit <http://cjfs.cuyahogacounty.us/en-US/Workforce-Alliance.aspx>. Call 216-987-6578 to enroll in the program.

## Halloween party, Trunk or Treat at Rock Church

The Rock Community Church, 9403 Garfield Blvd. in Garfield Heights, will host a Great Pumpkin Halloween Party on the front lawn (inside if raining) and a Trunk or Treat (candy given out in decorated car trunks) in the church parking lot on Halloween night, Oct. 31, from 5-7 p.m.

Every child will receive a bag of candy and toys, along with a children's bible and fun temporary tatoos on the front lawn. Everyone is welcome to free hot dogs, coffee and drinks.

Trunk or Treat handouts are from individual households and giveaways will vary. Stop by the church during regular trick or treating for candy and hot dogs!

The community is welcome to join the trunk or treat line in the parking lot. Arrive around 4:30 p.m. with your decorated car

trunk and candy to pass out. Organizers ask for nothing scary and that no witches, devils, evil looking objects be used in decorating.

For more information call Dianne at 440-376-1808 or email perezd@ccf.org.

## G.H. schools evacuation drills begin next week

The Garfield Heights City Schools will be conducting a series of practice evacuation drills during the week of October 2nd, including one practice evacuation at each building per day. The intent of the drill is to prepare the students, staff and entire district in the event of a catastrophic building emergency which would prompt a building evacuation.

The district maintains a comprehensive set of emergency evacuation plans, and what will take place next week is the implementation of those plans. One building in the district will practice their own respective emergency protocol each day. The schedule is as follows:

Monday, Oct. 2, Maple Leaf Elementary School at 9 a.m.

Tuesday, Oct. 3, Elmwood Elementary School at 9 a.m.

Wednesday, Oct. 4, Middle School at 9 a.m.

Thursday, Oct. 5, High School at 1:30 p.m.

Friday, Oct. 6, William Foster at 9 a.m.

The practice evacuation drills will include students vacating the buildings and boarding busses that will transport them to the high school, along with the entire building staff. There, students will organize by teacher for a brief period of time. Once the drill is completed, students will return to their buildings for the remainder of the school day.

This is only a practice drill. The Garfield Heights City Schools will work in coordination with the City

of Garfield Heights and the police department for extra help each day next week. The purpose of the drill is to include routine preparatory work in case of a real emergency.

For more information or with questions about this practice evacuation drill, contact the School District at 216-475-8100.

# Letters to the Editor

## Need to privatize public education

The public school system today continues to fail at educating our children both in terms of job training and citizen awareness. The most powerful country to ever exist continues to lag behind other countries when it comes to the very basics expected of this institution. The reason for this is because of the bureaucratic non-incentives consistent with government waste.

Teachers are not held accountable as a unit manager would be held accountable for their unit achieving objectives in a private corporation. They are also not rewarded financially for the success of their students when it comes to test results. And the biggest benefactor of all, private enterprise, is not required to reinvest in an educational system that provides free training to future employees.

The time for privatization of public education is long overdue. We as a country need to finally get serious about training and educating our future citizens. It is time to use corporate property tax along with entertainment property tax as a means of funding schools. Educational facilities from preschools to colleges and universities need to be converted to entities of private enterprise whereby an education is crafted as the finest product available to United States citizens.

Every time I encounter someone in the workplace, I am reminded of just how much we have failed to properly educate United States citizens in the fundamentals of communication: reading, writing, speaking and listening. Few would argue that the time is long overdue for the United States to "get back to the basics" of a fully functional education system. We need to exclusively focus on the development of communication skills from kindergarten to eighth grade along with annual testing that measures aptitude and interest. This is to determine what someone is good at combined with what they like to do. Training in mathematics should be limited to addition, subtraction, multiplication and division. Unless communication skills are fully mastered, there is no need to advance to high school.

For those who graduate to high school, the emphasis could evolve into a curriculum of philosophy, sociology, economics, psychology, science and religious studies. Books such as "For Dummies" and "The Complete Idiot's Guide" could be used to foster an understanding of different religions. Athletic activity would be strictly confined to cardio vascular exercises and all sports would be eliminated. While there would still be an emphasis on communication skills, the focus would now be on developing a foundation of basic knowledge so as to be able to graduate to college. Testing for aptitude and interest would continue through high school increasing the chances of picking the right field of study. Those not continuing on to college would enter some type of apprenticeship training for the purpose of learning a trade. For those who do graduate to college, the student would continue to study an advanced version of the same curriculum as high school but only for the first two years, then they would complete their education by strictly focusing on coursework designed to train them in their field of study. Nearing graduation, internships would be required to begin the transition to the working world. Think of how different our society would be if our education system could just teach the fundamentals of reading, writing, speaking and listening. Let us begin...again.

PS: The Cleveland School System is so ripe for this change.

# Genealogy Society meets

## GHPD seeks 'Speedway Candy Man' robber

The Cuyahoga Valley Genealogy Society (CVGS) will hold its monthly meeting on Monday, Oct. 3, at 7 p.m. in the Willow Room at the Independence Civic Center, 6363 Selig Blvd.

Wally Huskonen, a CVGS member, will discuss, "Why I Am Using MyHeritage DNA," which offers its own ancestry tests, ethnicity analysis and a family finder feature.

Members and the public are invited to this free meeting. Coffee and refreshments will be served. For more information, call President Bobbi Hamm, 330-225-0890.

## N.N. wants your photos!

The Neighborhood News requests that readers who wish to submit digital photos for publication do so via email as high resolution jpeg images. Nondigital photos in good condition may also be submitted at the NN office, 8613 Garfield Blvd., Garfield Hts.

Garfield Heights police are searching for a man they've named the "Speedway Candy Man." He is suspected of robbing thousands of dollars worth of candy from the Speedway at 5122 Turney Rd., according to GHPD Detective Phil Herron.

**Suspect**

Herron said there have been 25 theft reports from Speedway since April of this year and there may be more incidents that have not been reported.

On July 26th, the last time a candy robbery at Speedway was reported, the "Candy Man" went into the store around 1:45 a.m. and stole cases worth of candy, Herron said. "The man walks in with a cane, pulls out a bag and loads up the candy, then gets into the passenger side of a vehicle and leaves," Herron added.

Detectives say the candy is possibly being resold to other convenient stores.

Beer and other drinks, like Redbull, have also been stolen from the store, according to Herron and police reports.

Police were called to the Speedway on September 19th, around 6:50 a.m., and spoke to employees who said a man filled a duffel bag with beer and left without paying, according to a police report. Employees said the man got into the passenger side of a vehicle parked near the front of the store and fled westbound on McCracken.

The store manager believes the same man was involved in a similar theft at the store around 1 a.m. on September 15th. Police do not believe the thefts are connected.

Anyone with information or tips is asked to contact the Garfield Heights Detective Bureau, 216-475-5686.

*(The following information was obtained from filed police reports, police dispatch logs and police department email updates.)*

## CLEVELAND

### Aggravated Robbery

A 56-year-old man told police he was walking on E. 71st St. near Lansing Ave. on September 12th, around 11 p.m., when he was approached by a young male who asked if he had any money. After the man said no, the younger male raised up his sweatshirt and revealed what the older man described as an Uzi in his waistband. The man said again that he had no money and saw three more young males approach him. He said they all pulled out Uzis, pointed them at him and demanded he give them money. The man then gave them nearly \$350 in cash and the males fled southbound on E. 71st St.

### Burglary

Police were called to the area of Turney Rd. and Macomb Ave. on September 23rd, around 3:10 p.m., and spoke to a Cleveland man who said a home he owns in the 7800 block of Force Ave. had been broken into. Police found the front door open and a window shattered. Inside, the furnace, hot water tank and copper piping were missing from the basement.

The man believed he saw the suspects near Turney and Macomb, but the males were identified and cleared by dispatch; they were not arrested.

### Felonious Assault

A 65-year-old Cleveland man said he was driving westbound on Union Ave. on September 21st, around 3:30 a.m., and turned right on E. 65th St. He said an SUV that had been in front of him made a U-turn, pulled up next to his vehicle and opened fire. A bullet struck the driver's side door and exited through the front windshield. The victim said the suspect fired about two times. The Third District Detective Bureau was called to continue the investigation.

A 37-year-old Hamm Ave. resident told police he was stabbed by an "acquaintance" while walking through Dan Kane Park on September 23rd, around 9:35 p.m.

A friend of the victim told police he was also walking through the park, located at E. 65th St. and Kenyon Ave., and noticed the 37-year-old lying on the ground with a stab wound so he called police. The suspect is a mutual acquaintance who lives on Spafford Rd., according to the friend.

The victim was taken to MetroHealth Medical Center for treatment. He told police he didn't know why the man ran up to him with a knife and stabbed him. Police searched the area for the suspect with negative results.

## GARFIELD HTS.

### Aggravated Robbery

Two teens said they were robbed and shot at after trying to buy an Xbox gaming system from a man who listed the system on Offerup.com, a website used to buy and sell items. The teens told police they arranged to meet the male on September 23rd, around 9:45 p.m. While they drove to the final meeting spot on E. 86th St. and Grand Division Ave., they saw a man standing in the 4600 block holding a package. The teens said the system did not have any cords or controllers, and when they asked the seller where they were, the man pulled out a gun and demanded their money. As the teens drove away, the man fired three shots towards the car, striking the back passenger window, back passenger brake light and the back bumper. Investigation ongoing.

### Breaking & Entering

Police were dispatched to Metro PCS, located at 5064 Turney Rd., for an alarm drop on September 21st, around 5 a.m., and noticed the front door glass had been shattered. The back door was also unlocked and an alarm keypad was found on the ground. The owner said a small amount of cash had been stolen. Surveil-

lance video to be forwarded.

### Theft

A 22-year-old woman said she had finished loading groceries into her car after shopping at the Dave's Supermarket in Turneytown Shopping Center on September 21st, around 3:30 p.m., and returned her shopping cart to the cart return area. After realizing she left her purse in the cart, she went back to the return area but the purse was gone. An employee in charge of collecting the carts said he did not witness anyone take the purse.

### Weapon Offense

On September 20th, a woman told police she was staying at a home in the 4600 block of Burleigh Rd. and heard gunshots outside in the early morning hours. When she went outside to investigate, she noticed her vehicle's passenger window and back driver's window were broken, and her cell phone and wallet had been stolen from inside.

The resident of the home said she heard 2-3 gunshots near her residence around 3 a.m. that same morning and noticed the motion light on the front of her garage was on. Around 3:30 a.m., she heard about three shots fired and voices near the front of her house.

Police found three entry holes in the vehicle and two spent casings in the grass about three feet from the vehicle. No bullet holes were found in the house and no one was injured

during the incident. Police searched for potential suspects but found no one in the area.

Around 6:50 a.m., another resident of the 4600 block of Burleigh discovered bullet holes in the window and door of his vehicle. A pair of shoes was stolen from the car. The resident said he thought he heard gunshots around 3:50 a.m. that morning.

## MAPLE HTS.

### Burglary

On September 21st, a maintenance worker at a vacant home in the 5400 block of Elmwood Ave. reported that the water meter, hot water tank, copper piping and electrical items had been stolen. He did not know when the items were stolen but wanted the theft documented.

### Criminal Damaging

Several vehicles parked in the 20600 block of Franklin Rd. near Warrensville Center Rd. were reported broken into and rummaged through on September 24th, around 2:30 a.m. Police noticed a lot of broken glass in the area.

### Gunshots

Police found three shell casings in the 20600 block of Watson Rd. after callers reported hearing gunshots in the area just before 1 a.m. September 25th. Police contacted area hospitals for gunshot injuries with negative results.

### Shoplifting

Around 1 p.m. September 21st, employees of a clothing store at Southgate Shopping Center called police and said a man stole

kids clothing from the store and left in a brown-colored van. Officers searched the area for the suspect with negative results.

That same day, around 7:45 p.m., police were called back to the store to speak with a female shoplifter who was caught with nearly \$120 worth of merchandise. She was issued a citation for theft and is to appear in Maple Heights Mayors Court. It is unknown if the thefts were related.

## POLISH VILLAGE SIGN MISSING

A significant historical piece of Slavic Village has been lost as the Polish Village sign located at 3795 E. 71st has disappeared.

Slavic Village Development and the Cuyahoga County Land Bank have been working together to preserve the sign. Plans were in the works for the sign to be used as part of a memorial for the late Judge Ray Pianka, who cherished the Polish bar marquee. This sign and bar were part of many happy stories with folks who enjoyed good polka music and food and a cold beer there in years gone by.

If anyone has information on where the sign might be, please contact SVD at marilyn@slavicvillage.org or 216-429-1182, ext. 105.

## Adult wellness program at University Settlement

University Settlement, 4800 Broadway Ave. in Cleveland, offers wellness programs designed for older adults and adults with disabilities Monday through Friday, from 9:30 a.m. to 2:30 p.m.

The program includes breakfast, lunch and snacks, on-site nurses, wellness and educational presentations, computer lab and instruction, field trips, social events, exercise programs and more! For more information, contact Ronald Bridges at 216-641-8948, ext. 130 or email to: rbridges@universitysettlement.net.

Garfield Heights Clerk of Council Barbara Molin was honored at Monday night's council meeting with a Certificate of Recognition and a goodie bag for her years of service by the Northeast Ohio Public Energy Council, represented by Anthony Ramos. Shown here at the meeting are, from left: Council President Joseph Suster, Molin and Mayor Vic Collova.

## Garfield Hts. Council notes

By Ellen Psenicka

Garfield Heights City Council met Monday night and passed the following legislation:

- An emergency ordinance authorizing the sale of two municipally owned cars no longer needed by the city.

- An emergency ordinance to make appropriations for current expenditures for the city during the fiscal year ending December 31, 2017.

- An emergency resolution to apply for the 2018 Transportation for Livable Communities Initiative Grant through the Northeast Ohio Area Coordinating Agency. If the grant is received, officials said it

would be used to upgrade a small portion of Warner Road near Garfield Boulevard.

After a rousing chorus of "Happy Birthday" to Mayor Collova, who celebrated his

birthday yesterday, and a "Happy Anniversary" to Collova and his wife, Jeannie, who celebrated their 50th anniversary on September 16th, the meeting was adjourned.

The next regular meeting of council is set for Tuesday, Oct. 10.

## G.H. museum open Saturdays

The Garfield Heights Historical Museum, 5405 Turney Rd., is open every Saturday to the public from 1 to 4 p.m. Free admission.

## MIKE MEETS BERNIE

Neighborhood News publisher Michael Psenicka stopped by the Hard Rock Rocksino in Northfield Sunday to attend a book signing by former Browns quarterback Bernie Kosar (at right) of his recently published book "Learning to Scramble" with Craig Stout. Psenicka gave the signed book to longtime Neighborhood News staffer and Bernie fan Mary Malisiak, who was thrilled with her birthday gift. She actually celebrates her big day today - **Happy Birthday, Mary!!**
