## ODOT to increase fence height on Valley View bridge to improve safety

Minor operations on the I-480 Valley View bridge began Monday, Dec. 4, and are taking place overnight for approximately eight weeks. Overnight Monday through Friday, crews are closing one lane on I-480 east and/or westbound from 7 p.m. to 6 a.m.

Work will include increasing the height of the existing fence on both bridges by three feet to improve safety.

## Redskins lose in state final

The Cuyahoga Heights High School Redskins football team lost last Friday's state championship game against Minster 32-7. This is the second year in a row the Redskins have made it to the state finals only to have the championship elude them.

Head football coach Al Martin said, "What a great experience this football season was for the students at

Hydeia

on November 27th. Her family told Cleveland police that she left home at 7 a.m. on November 14th to go to school and has still not returned. Hydeia is a senior at Maple Heights High School.

Her family said she "does this often, but never for this long," according to the police report. Hydeia has black hair, brown eyes, is 5'9" and weighs 230 pounds. Anyone with information about her whereabouts should call the Cleveland Police Department at 216-623-5000.

Cuyahoga Heights. On any given Friday night, more than 120 students get an opportunity to perform in front of enthusiastic fans."

He said it was a very special moment to see the CHHS band, cheerleaders, majorettes and flag corps perform on the field before, during and at half-time of the game. "And, of course, what a great season our football players had," he continued.

"The thrilling regional final win over Dalton in the final seconds and our second straight trip to the state finals will be just two of many great memories from this season. Thank you to all the players and coaches who worked so hard to make this possible," said Martin.

## COURTROOM IN THE CLASSROOM

Left to right are shown Cuyahoga County Common Pleas Judge Steven Gall and eighth grade Garfield Heights Middle School students TaNija Conway, Tyrique Loury and Ava Pietrzyk, who were among those participating in the county's Courtroom in the Classroom program recently at the Middle School.

Visiting the school were Judge Gall, prosecuting attorneys, defense attorneys, bailiffs and a handful of nonviolent defendants who agreed to have their cases heard before a group of students. The cafeteria at the Middle School was transformed into a Common Pleas courtroom where the cases were heard by Judge Gall and sentences were handed out. The Garfield Heights City Schools has participated in this program for many years so that students could learn more about how the legal and justice system in our county works.

## Xellia in Bedford to expand; Wal-Mart building sold

By Judith Goldsworth

The Xellia pharmaceutical plant on Northfield Road in Bedford has announced plans to expand and hire a number of new workers, and the former Wal-Mart building on Rockside Road has been sold with plans towards development, city officials stated at the Bedford Council meeting last week.

Xellia, an international company based in Copenhagen, Denmark, moved into the former Ben Venue Laboratories location two years ago, after Ben Venue shut down in 2013, with 1100 jobs lost in the process.

In the years since, Xellia has hired about 130 workers, after receiving Food and Drug Administration approval in 2016 to begin packaging and distribution operations. An additional 75 or so new workers are expected to come on board as manufacturing is expected to begin next year, City Manager Mike Mallis stated in his report to council.

Mallis said that city officials, along with representatives from state and congressional offices and Cuyahoga County, were invited to visit and tour the facility recently. "They talked about where they've come from over the last couple of years since they've acquired the property and where they're going."

"The biggest hurdle... is that they worked with the FDA to get a modified consent decree," Mallis stated. "What

## Christmas in Bedford Falls slated for Saturday

All are welcome to enjoy Christmas in Bedford Falls, "It's A Wonderful Life," this Saturday, Dec. 9, from noon to 4 p.m. in historic downtown Bedford.

The afternoon will feature the following free attractions: Rides on Lolly the Trolley, visits with Santa and Mrs. Claus (bring your camera), puppet show, reading of the "Polar Express" story, Balloon Bender Dave, train display, children's craft tent, open houses at Valley Save-a-Pet and the Bedford Museum, tours of the Dunham House, Santa's Pixie Shoppe and much more.

Enjoy hot chocolate and s'mores with the Scouts of Troop 447 at "Scout Alley," located behind Veterans' Park along Broadway. The Scouts will also provide a fire to keep warm and to toast marshmallows.

Don't forget to bring a nonperishable food item to "fill the truck," and the Girl Scouts will be in charge of collecting pet food and pet supplies (blankets, toys, etc.) to be given to local animal shelters. The girls have also created Christmas cards for those in nursing homes - stop by to add a personal note and holiday greeting to the cards.

Along with the Scouts, the Bedford Fire Department will be collecting gently worn coats for those in need and the Cuyahoga County Animal Shelter will bring a few of their "adoptable" dogs.

Christmas in Bedford Falls is sponsored by the Southeast Region Chamber of Commerce.

that does, it lays the groundwork to allow them to produce those lifesaving drugs again in 2018. That will happen."

"They have relocated all of their packaging and shipping operations from Chicago, Illinois, to Bedford," Mallis continued. "That's taking place now. So what that means is everything produced worldwide, in China, India, Raleigh, North Carolina, all those different locations, they come here first and then they get dispensed here."

Mayor Stan Koci, who had also visited the facility, stated of Xellia officials, "They could not impress upon us enough that they're here to stay. The good thing about Xellia is they're owned by a foundation, not a board of directors and a bunch of stockholders. So they're not worried about getting dividends even greater. They're there to do good for the people, and their big thing is pharmaceuticals, dealing with infectious diseases. And in this day and age, that's a huge thing."

## Former Wal-Mart building sold

Koci also announced at last week's meeting that the vacant Wal-Mart Supercenter in the Meadowbrook shopping center at Rockside and Northfield roads had just been sold, prompting the audience to break into applause.

(Continued on Page 2)

## Xellia in Bedford to expand

(Continued from Page 1)

Wal-Mart, which owned the building, shut down the store in early 2016 as part of restructuring efforts, causing about 350 employees to lose their jobs.

"That is some good news," Koci said, adding, "The developer is a big time developer. He's the one that brought Amazon to North Randall."

An online search of the Cuyahoga County Auditor's Office records indicated that the former Wal-Mart Supercenter property at 22209 Rockside Rd., transferred into the new owner's name, identified as Bedford

Rockside LLC & Holdings Bedford Rockside LLC, on Wednesday, Nov. 22, with a sales amount of \$2,251,547.

### 2018 budget passed

Council passed legislation to approve the city's 2018 budget in the amount of \$42.3 million, which will cover all expenses, expenditures and operations in Bedford for next year.

Councilman Donald Saunders commented, "What a lot of people don't realize is that a little community like this has a \$42 million budget, and it's because we have our own utilities. And because of those utilities, we can respond, greater and faster than a lot of other surrounding communities."

### To apply for \$200K in grants

Council also passed an ordinance to apply for a total of \$200,000 in grants from Cuyahoga County, including \$150,000 in Community Development Block Grant funding, and \$50,000 in Community Development Supplemental Grant funding. If the county approves the grants, the city may use the money for surveillance cameras in the Auto Mile area and Broadway Avenue streetscaping.

Mallis said that a public meeting was held recently to get citizen input and discuss the various projects. "We're submitting a plan for cameras and have not received the final proposal yet. We're kind of waiting on the grant till we know the exact amount to be able to extend it beyond the Auto Mile."

A recommendation had been made to use the supplemental grant funding potentially for streetscaping of the Broadway corridor of the city, Mallis said.

If the city were successful in receiving the supplemental funding, the possibility existed of renewing the grant and do another thoroughfare, perhaps Northfield Road, the following year, he stated.

Also passed by council were the following pieces of legislation: to declare 86 Willard Avenue a nuisance and condemning the property; declaring 188 Greencroft Avenue a nuisance and ordering action, including roof and porch repairs; and providing for a contract with GPD Group for engineering services for the city for 2018.

A motion to accept a recommendation of the Planning Commission for Colwood LLC of Pemberville, Ohio, owner of an apartment complex at 93 Solon Road (also known as the Wolves Cove Apartments), seeking to reconstruct a 24-bay parking garage to replace the structure that was demolished, was approved.

### Annual Christmas Concert with Raine Austen

Can you believe it's that time again! Next week Raine Austen will be hosting the Annual Christmas Concert at St. Martin of Tours Church on Turney Road, Sunday, December 17th at 7:00 pm. Raine Austen and Sax man, Dave Millen will be joined by David Pratt on vocals (Renegade Gentlemen), Frank Restifo on guitar with his daughter, Alanna Restifo on violin & viola. Award winning drummer, Pete Politis, will make an unforgettable cameo, and the usual surprises. If you were at the concert last year, then you witnessed the start of a new tradition. With the sudden and unexpected passing of Raine's mother last season, a new tradition was born. Bring a photo, a card, a note, a letter, or just a special name written on a piece of paper of someone remembered during the Christmas season to place in the beautiful "Christmas Prayer Box". After the concert, this prayer box will be placed in our adoration chapel where your loved ones will remain in perpetual prayer. In the spring these items will be lifted in smoke the same as the palms for the Easter season. See you on December 17th! Bring your friends, your family, your neighbors, everyone you know and everyone you don't know. Don't forget your seat cushion! Your donation is graciously appreciated.

## GARFIELD HTS.

### Theft

A 61-year-old Maple Heights woman said she was loading groceries into her trunk in the Marc's parking lot on December 1st, around 10:30 a.m., when a teenaged male went into her car through the front passenger side and stole her purse that had been sitting on the seat. She then watched him run to an older black SUV parked just north of her vehicle in the next aisle. She followed after the male and jumped onto the hood of the SUV in an attempt to get her purse back, but got off the vehicle before it sped off northbound through the lot. Witnesses said there were a total of four men in the vehicle. Officers searched the area for the SUV with negative results. The woman was told to cancel her stolen credit cards.

### Theft from Auto

Around 2:30 a.m. November 27th, a resident of the 5300 block of Roland Dr. said she was woken up by a trash can falling over and saw two males were breaking into her car parked in the driveway.

When police arrived, they saw the two males standing in the yard next to the vehicle. As officers approached them, the males fled towards E. 135th and Bangor Ave.

An officer found one of the males laying face down on the back deck of a home in the 13600 block of Bangor and he was arrested. The 18-year-old Cleveland resident, who is known to GHPD for breaking into cars overnight, was charged with obstructing official business and possession of criminal tools and was held on a \$6000 bond. Police were unable to find the second suspect.

Also on November 27th, five more residents, all in the 5300 block of Roland Dr., reported their cars had

been damaged, broken into or items had been stolen from them overnight.

A resident of the 5600 block of Turney Rd. called police around 8:30 a.m. on November 30th and said someone broke into her car and stole her gun between 5:30 p.m. November 29th and the time she called police.

A resident of the 6100 block of Turney Rd. called police around 12:50 p.m.

November 30th and said someone had broken into her car and stole her gun and GPS system. She said she hadn't been in her car for a few days and was not sure when the theft occurred.

## CLEVELAND

### Felonious Assault

Police were dispatched to the 6600 block of Ovington Ave. on November 17th,

around 7:30 p.m., for a report of shots fired into a home and a woman struck. When police arrived the 39-year-old woman was being treated by EMS and said she had been shot in the lower back area. She was then taken to MetroHealth Medical Center for further treatment.

The woman's husband said he had been sitting with his wife when he heard about five gunshots outside

the house then heard a vehicle with a loud exhaust drive off towards E. 66th St. He was unable to provide any suspect description. He told police he has several children living in the house but was unsure of any ongoing issues involving his children.

Police found several holes that penetrated the siding of the house and four shell casings were found in the street and collected as evidence.
