Garfield Hts. hires counsel for new Justice Center

By Ellen Psenicka

Garfield Heights took its first step in building a new municipal center for the city Monday night as council passed an ordinance to hire Bricker & Eckler as special counsel for future construction projects.

The law firm will represent the interests of the city in the proposed construction and financing of a new city Justice Center and police station.

The following emergency legislation was also passed by council at its Monday meeting:

- Placed on second reading a temporary moratorium on the requirement to complete an interior Point of Sale inspection on any dwelling that is being sold, transferred or conveyed in the city. According to the legislation, this was made necessary because recently several municipalities have been sued by residents whose sale of their real property has been delayed or disrupted by the requirement of first obtaining a Point of Sale inspection. The moratorium will be further reviewed, said the resolution, "until pending litigation in this area has concluded or once the State of Ohio provides guidance on this issue."

- Amendment to the Collective Bargaining Agreement between the city and the Fraternal Order of Police, Ohio Labor Council, jailers/record clerks caused by a typographical error in the ordinance number.

- Authorized the mayor or his designee to register with U.S. Communities for the purpose of cooperative purchasing.

- Declared April to be Autism Awareness Month and April 2nd to be World Autism Awareness Day.

Citizens Bank in Maple Heights robbed again

The Citizens Bank at 15765 Broadway Ave. in Maple Heights was robbed last Friday afternoon for the second time this year.

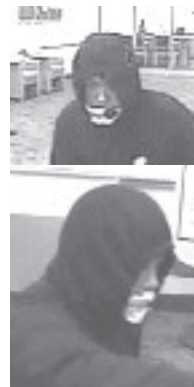

Around 3:15 p.m. last Friday, March 9th, a lone black male armed with a hand gun entered and robbed the bank, according to FBI Special Agent Vicki Anderson.

Anderson said the armed suspect approached a teller and demanded money. The teller complied with the demand, provided the suspect with cash and the man fled on foot. A dye pack was provided and exploded outside near the bank, according to Anderson.

"The suspect may have red dye on his hands and/or clothing and may be disbursing money with red dye," said Anderson. The suspect was wearing dark clothing, including a hoodie and a mask which covered the lower half of his face.

This branch of Citizens Bank was also robbed on February 23rd of this year, and in October 2017.

Tips can be provided to the FBI Cleveland Division at 216-522-1400 or the Maple Heights Police Department, 216-587-9624. Tips can remain anonymous and reward money is available for tips leading to the successful identification and prosecution of the individual responsible.

Bedford votes to streamline Rec Dept. fees

By Judith Goldsworth

Bedford Council voted on a number of pieces of legislation regarding the city's Recreation Department at its meeting last week, including one to streamline its recreation fees.

Fees for all programs will be set forth by the Recreation Director, and "shall be subject to change," according to the legislation.

The new ordinance allows additional programming to be added easily, City Manager Mike Mallis stated, adding, "We want to go forward and see the various fees for some unique programs that we are looking to do."

He added, "Not by any means is this us making any adjustments to our regular scheduled programming. This gives us the ability to work with independent contractors that are offering new types of programs."

Council also passed two ordinances that will improve the process of allowing residents to pay online for recreational programs, including one for a five-year contract with eTrak for \$3540 for recreation software to streamline the registration process and payment of programs.

An ordinance for a three-year contract with Anovia

Payments LLC, to provide credit card services and allow use of the eTrak software was also approved.

Mallis said that, as a bank, Anovia will handle all transactions for online registration. "You can register for baseball, softball, and so on...this will be more convenient for residents as far as registration," he said.

Council also voted to adopt new Building Code standards, which reflects amendments and changes to different codes in recent years.

"Every year the codes

change, and we are changing them to the most current edition of the code," Mallis said.

Mallis asked residents who saw evidence of water main breaks to contact the city. If necessary, residents would be notified of boil alerts.

Bedford received a grant for recycling, which will be used for two shred days and public materials.

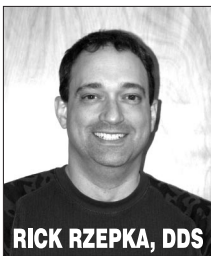

A Ward 1 and Ward 4 meeting will be held at Bedford City Hall at 7 p.m. on Monday, March 26, council members stated.

Home repair loans available through NHS

Neighborhood Housing Services (NHS) of Greater Cleveland, the only licensed nonprofit lender in the State of Ohio, is offering home repair loans of up to \$60,000 for qualified applicants, and neither credit score nor current home equity are determinants.

Projects range from a new roof or driveway to installation of accommodations

for seniors or the disabled. The NHS lending team will work with customers to accommodate their specific financial situations, including multiple term and payment options. All loans are originated, underwritten and serviced through NHS of Greater Cleveland.

To help borrowers ensure quality and legitimacy of repair work, NHS of Greater Cleveland provides construction management services so that your safety comes first and that the contractor you select will help to meet your needs.

The winter months are ideal to undertake repairs or renovations. Contractors have greater availability and you are more likely to secure the timeframe that best works for you.

Not sure how to select a contractor or where to begin? NHS can help with that, too. Contact Mary Neighswander to discuss your needs at 216-458-4663 or send an email to mneighswander@nhs.cleveland.org.

Garfield Hts. hires counsel

(Continued from Page 1)

Members of the Garfield Heights Youth Hockey 10U team were present at the meeting and were recognized for their successful 2017-18 season by Mayor Vic Collova and council.

The 12-member team participated in the Cleveland Suburban Hockey League 10U A3 Division. They were honored not only for their hard work and dedication to their sport, but also for their academic achievements. Team members have all earned 1st or 2nd honors during this school year.

"I couldn't be prouder of you," Collova told the youngsters.

The Bulldogs on ice accomplishments include: Gold Cup Tournament Champions, Melt the Ice Runner-Up, CSHL 10U A3 Division Champions and CSHL 10U A3 Playoff Runner-Up. Team members include: Jer-

emy Ade, Kylee Jones, Collin Schleman, Ben Stone, Brendan Graham, Ryleigh Spacht, Anthony Kondash, Max Wheelock, Jack Henderson, George Henderson, Jacob Gretta and Ian Hilliard.

The 10U team, along with the 8U and 14U teams, will play in the Freedom Cup Tournament Series in Philadelphia, PA St. Patrick's Day weekend. Congratulations, Bulldogs!

Several residents spoke during the Comments by Citizens portion of the meeting on the need to keep kids busy this summer, and some thought basketball might do the trick. It was suggested that basketball hoops could be put up on some of the vacant lots in the city or on church or school playgrounds.

Although the mayor thought it was an excellent idea, he worried that some residents might complain.

"If a survey shows the residents want it, we'll put them up," Collova said.

Council President Matt Burke, as head of the city's Recreation Committee, said he would call a meeting of his committee to discuss activities for youth this summer. Burke said the resident who had initially brought up the idea of basketball hoops, and presumably any residents interested, would be welcome to attend.

Parks & Recreation Director Bob Dobies said registration for the Garfield Heights T-ball program for boys and girls ages 5-7 is being held at the Dan Kostel Recreation Center now through March 31st. The program is for residents and nonresidents.

He also stated that registration for the Girls Softball program, ages 7-17, will begin April 2nd through the end of the month at the Rec, also for residents and nonresidents.

Dobies said the 50th annual Ice Show, "50 Years of Fabulous," is being held Saturday and Sunday, April 7 and 8, with tickets being sold in advance starting March 25th, or at the door the days of the show.

Police Chief Robert Byrne, in a brief report, warned the public not to be taken in by scammers who say they are from the IRS and ask you to send money, and those who tell grandparents their grandchildren need money and give instructions for getting it to them.

He said he has found lots of interesting antiquities in his Broadway properties and will be recycling some of them in the new cafe.

Other new businesses celebrated at the Neighborhood Summit included Indoor Gardens, Ohio High Reach, Saucisson, Red Finn Real Estate, Revival Body Care and Steven Mastroianni Photography/Silver Scuro Studio, all of which opened last year.

Receiving awards at this year's summit for their support of the Slavic Village community were: Anthony Andreoli, Ben Domzalski, Bob Malecki, Carol Black, Chet Cuiksa, Elaine Fried, Fr. Joseph Callahan, Gary Kotlarsic, Jack Smith, Jaci Hammer, Jeff Domzalski, Joe Linsky, Kurt Karakul, Larry and Suzanne Hovator, Linda Lewis, Mamie Bell, Marcy Shannon, Mary Ann Fought, Matthew Scharver, Mike Buddie, Mike Grzincic, Nic Abraham, Pam Shelley, Pat Shields, Peter Baszuk, Rose Kienzle, Sam Bass, Scott Pickering and Sophie Tyl.

Cleveland man arrested after shooting rifle at Lansing Avenue home

A 29-year-old Cleveland man was arrested last month after admitting he fired a weapon at a home on Lansing Ave., according to a Cleveland police report.

On February 25th, around 11:30 p.m., police were called to the area and spoke to residents of a home in the 6500 block of Lansing Ave. They told police they heard multiple gunshots and bullets began coming through the walls, according to the police report. No injuries were reported.

Police found multiple shell casings in the street and on the sidewalks in the 6500 block of Lansing. Officers watched security camera footage from a nearby bar and saw a man get out of a vehicle, retrieve an assault rifle that appeared to be an AK-47, and watched him fire up into the air and then continue to fire towards the house, according to the report. Police said they also saw a second male inside the car firing a handgun at the house.

While police were investigating on Lansing, dispatch said there was a victim on E. 46th St. claiming he had been shot at in the E. 65th St. and Lansing Ave. area.

Officers arrived and spoke to the 29-year-old who said he went to Sheila's Bar to pick up his cousin because someone had tried to rob him and attack him. He told police that as he got out of his car, someone yelled, "I will kill one of you," and began shooting at him from the second story of a house nearby, so he got his rifle out and returned fire, according to the report.

Police told the 29-year-old his gun would be confiscated and placed him under arrest. He is to be charged with improperly discharging a firearm at or into a habitation and discharging a firearm on or near prohibited premises, according to police. He is being held at the Cuyahoga County Jail.

A history of St. Patrick and his feast day

St. Patrick's Day, or the Feast of St. Patrick, is a cultural and religious celebration held on March 17th, the traditional death date of St. Patrick, the foremost patron saint of Ireland.

It was made an official Christian feast day in the early 17th century and is observed by the Catholic Church, the Anglican Communion (especially the Church of Ireland), the Eastern Orthodox Church and the Lutheran Church. The day commemorates St. Patrick and the arrival of Christianity in Ireland, and celebrates the heritage and culture of the Irish in general.

Celebrations generally involve public parades and festivals, c elidhs, and the wearing of green attire or shamrocks.

Patrick was a 5th-century Romano-British Christian missionary and bishop in Ireland. Much of what is known about Saint Patrick comes from the "Declaration," which was allegedly written by Patrick himself. It

is believed that he was born in Roman Britain in the fourth century. His father was a deacon and his grandfather was a priest in the Christian church. According to the "Declaration," at the age of 16, he was kidnapped by Irish raiders and taken as a slave to Gaelic Ireland. It says that he spent six years there working as a shepherd and that during this time he "found God". According to tradition, Patrick returned to Ireland to convert the pagan Irish to Christianity.

St. Patrick is said to have used the shamrock, a three-leaved plant, to explain the Holy Trinity to the pagan Irish, and the color green has been associated with Ireland since at least the 1640s, when the green harp flag was used by the Irish Catholic Confederation. Green ribbons and shamrocks have been worn on St. Patrick's Day since at least the 1680s.

It is a public holiday in the Republic of Ireland, Northern Ireland, the Canadian province of Newfound-

land and Labrador, and the British Overseas Territory of Montserrat. It is also widely celebrated by the Irish diaspora around the world, especially in the United Kingdom, Canada, United States, Brazil, Argentina, Australia, and New Zealand. It is celebrated in more countries than any other national festival. www.wikipedia.com

The St. Patrick's Day Parade in downtown Cleveland this Saturday will begin at 1:04 p.m. on Superior Ave. at E. 18th St. and will end roughly two hours later at the intersection of Rockwell Ave. and Ontario St.

Valley View Council notes Brother-sister crime duo sentenced in string of local robberies

Valley View Council met last Tuesday, March 6, and passed a resolution honoring and congratulating sister-city Cuyahoga Heights on celebrating their centennial year.

A resolution supporting the West Creek Conservatory and the Nonprofit Source Implementing Strategy Plans for the Mill Creek and Tinkers Creek watersheds was passed, as well as a resolution authorizing Mayor Tom Piasecki to enter into a community cost-share agreement with the Northeast Ohio Sewer District supporting the same watersheds.

Council authorized the Village of Valley View to produce a book for Valley View's 2019 centennial from Master Printing at a cost not to exceed \$8,500, which will come out of the previously approved budget amount of \$120,000.

The Village has also been authorized to hire Vandra Brothers for the 2018 concrete pavement repairs at the Safety Center at a cost of \$44,377. Authorization for the Village to hire Van Curen Services for clearing and grubbing in Valley View woods for the soccer restroom project at a cost of \$12,775 was also approved.

Maurice Hill and Elizabeth Ragland, a brother-sister crime duo who committed 16 robberies across Cuyahoga and Summit counties from April 29 to June 28, 2017, were sentenced last week, according to the Cuyahoga County Prosecutor's Office.

Hill, 43, went into the stores on all 16 occasions with a hooded sweatshirt and bandana covering his face. He brandished a .22 and demanded money from the register. Ragland, 45, dropped off and/or picked up Hill for at least six of the incidents.

Deputy Chief Rick Suts with the Bedford Police Department said the pair was responsible for robberies at a Bedford CVS store on April 19th and June 24th, Phil's Mart on May 13th, and China Dragon on May 21st and June 8th.

Maple Heights Police Chief John Popielarczyk added that the pair were suspects in robberies in Maple Heights on May 3rd and June 28th. Suts said Bedford PD arrested Hill and Ragland after they robbed the Speedway in Maple Heights on June 28th.

On November 8th, Ragland pled to six counts of robbery, one count of possessing criminal tools and one count of drug possession. She was sentenced to 10 years in prison.

On January 30th, Hill pled to 27 counts of aggravated robbery, 16 counts of carrying a concealed weapon and one count of possessing criminal tools. He was sentenced to 24 years in prison.

fused, saying he did not believe the gun was real, Robinson shot him in the chest.

When Robinson fired the gun, he struck two of his own fingers and sought medical attention at MetroHealth Medical Center where he was subsequently arrested. The victim survived the shooting.

On February 8th, Robinson pled guilty to attempted murder, aggravated robbery, felonious assault and kidnapping.

Attorney Gen. DeWine warning of tax scams

Ohio Attorney General Mike DeWine is warning Ohioans to avoid scams this tax season. Since January, the Attorney General's Office has received about 190 reports of tax-related scams.

"Con artists are very good at what they do," Attorney General DeWine said. "They rely on scare tactics and surprise. When people get scared, they do irrational things. That's why we want people to know the warning signs. Awareness can make all the difference."

Common tax scams include:

- **IRS impostor scams**– This is the most common tax scam reported to the Ohio Attorney General's Office. It generally begins with a phone call claiming you owe back taxes or that a warrant has been issued for your arrest. You're told to call a certain number immediately, and eventually, you're asked to send money or to provide personal information to resolve the supposed problem.

- **W-2 phishing scams**– This scam targets employers and payroll employees. Typically, an HR or payroll employee receives an email that appears to come from the boss or the head of the organization. The email instructs the employee to send all employees' W-2s. Although the email may appear to be legitimate, it's actually part of a phishing scam. (The IRS warned that this scam surged in 2017 and encouraged employers to report any W-2 thefts immediately to the IRS.)

- **Tax identity theft**– Tax identity theft generally occurs when someone steals your personal information to file a tax return and fraudulently obtain your refund. This year there are extra concerns about tax identity theft because of data breaches that have exposed individuals' Social Security numbers and other sensitive information.

Tips to avoid tax scams include:

- File your tax return promptly.
- Don't respond to threatening robocalls.
- Don't pay taxes using gift cards.
- Protect your personal information. If you file your taxes online, make sure you use a secure internet connection. If you file by mail, take your completed return directly to the post office.
- Research tax preparers and tax-preparation companies. Before giving out any personal records or information, check a tax preparer's credentials.
- Watch out for phishing scams. Be wary of email messages that appear to come from your boss, your financial advisor, or your bank and ask you to provide personal information.

Consumers who want help detecting a potential scam should contact the Ohio Attorney General's Office at www.OhioProtects.org or 800-282-0515.

IRS or U.S. Treasury impersonation scams can be reported to the U.S. Treasury Inspector General for Tax Administration at www.treasury.gov/tigta or 800-366-4484.

Tax identity theft should be reported to the IRS (for federal taxes) or the Ohio Department of Taxation (for state taxes).

Community police reports

By Amber Weisbarth

(The following information was obtained from filed police reports and police dispatch logs.)

BEDFORD

Criminal Damage/Theft From Auto

Several Bedford residents reported car break ins and thefts from autos between March 7th and March 8th.

Suspect(s) used a screwdriver to pry open a car door in the 650 block of Turney Rd. Police later found a screwdriver on Lee Road South near another car that had been broken into. It was taken as evidence. A second car in the 650 block of Turney Rd. was also broken into; unknown if anything was stolen.

Suspect(s) damaged a vehicle's door locks parked in the 500 block of Corkhill Rd. and stole a pair of shoes.

Two residents of the Colony Club Apartments on Lee Rd. said their cars were broken into; a purse hidden beneath the passenger seat was stolen from one of the vehicles.

GARFIELD HEIGHTS

Criminal Damage

•A resident of the 13800 block of Christine Ave. told police he heard the glass of his storm door window break on February 28th, around 11:30 p.m., and when he woke up in the morning he found a possible bullet hole in his door. Police investigated and also found a possible bullet hole on the side of a vacant home in the 13700 block of Christine. Police continue to investigate.

•Garfield Heights firefighters reported that two panes of glass on the Turney Rd. station's bay doors had been shattered and shards of glass were inside of the building. The damage occurred between 11:20 and 11:50 p.m. on March 5th while firefighters were responding to calls. The incident remains under investigation.

•An employee of Dunkin Donuts on Turney Rd. called police on March 11th, around 4:10 p.m., and said a man tried to grab her through the drive-thru window after claiming his drink wasn't made correctly. The employee said that the man then parked his car in the lot and came inside. She said the man began calling her names and

threw his drink at her but missed, then pushed all of the computerized registers off the counter before leaving the store. The registers were not working at the time the report was taken; the severity of the damage is unknown. Security camera footage will be examined.

Criminal Damage/Theft From Auto

Several Garfield Heights residents called police between March 8th and 9th reporting their vehicles had been broken into in the following neighborhoods. Nearly all of the reports said car windows had been broken out to gain entry.

10700 and 10900 blocks of Mountview Ave.; 12500 and 12800 blocks Oakpark Blvd.; 10900 block Brunswick Ave.; 12400 block Bangor Ave.; 9700 block Park Heights Ave.; 5400 block E. 129th St.; 5200 block E. 115th St. (bloody fingerprints were found inside the vehicle); 5200 block E. 114th St.; 8600 block Cherie Dr.

Disorderly Conduct

A 39-year-old Garfield Heights man was arrested for disorderly conduct on March 11th, just before midnight, after an employee of Speedway on Turney Rd. called police and said a half-naked man was walking up to customers and screaming at them. When police arrived they saw a man walking in front of Dunkin Donuts with no shirt and sagging pants talking, but not making any sense. Police said his behavior was consistent with someone on drugs, possibly PCP. After a struggle with police, the man was arrested and taken to Marymount Hospital for evaluation. He was issued a summons for disorderly conduct.

Robbery

•A resident of Reed Ave. told police he was assaulted and robbed by a man he had purchased marijuana from in the past. He told police the man came to his home on February 25th, around 5:50 p.m., confronting him about owing him \$30. He told police the man then kicked and punched him, assaulted him on the ground, then stole his wallet and cell phone. Police took pictures of the man's visible injuries to his forehead, nose, hands and back for evidence. He was told to contact police if the man returns to his residence.

•A resident of the 4900 block of E. 110th St. told police she left her vehicle running in her driveway to warm up on March 8th, around 8:50 p.m. When she opened her door to get inside the car, she said a man pushed her away from the car, got inside and fled. Officers searched the area for the vehicle and suspect with negative results.

MAPLE HEIGHTS

Burglary

A resident of the 5500 block of Waterbury Ave. called

police on February 28th, around 9:20 a.m., and said he was out of town but had security camera footage of people robbing his home. He said he watched a man wearing a mask and gloves pull down the security camera then watched him and other male go inside his home. When police arrived the males were no longer at the scene. Officers searched the area with negative results.

Gunshots/Weapons Incident

•A Maplepark Dr. resident called police on March 3rd, around 9:15 p.m., and said a man in a nearby parking lot was shooting a gun up into the air, generally pointing towards Rockside Rd. When police arrived they found two shell casings on Maplepark Dr. but the suspect was not located. Area hospitals were told to call police if anyone came in with gunshot wounds.

A few hours later, around 4:35 a.m., several residents near the Turney/Dunham area and Maplepark Dr. called police stating they heard about seven gunshots. Officers found four more casings. Area hospitals were called; no victims of gunshot wounds reported.

•On March 4th, around 4:45 p.m., police were called to the 5100 block of Catherine St. for a report of approximately 15 shots fired. The caller said a teenager was shooting at a vehicle that was headed towards Libby Rd. Residents of Philip, Clement and Anthony also heard gunshots. When police arrived they found several shell casings, one live round, and a resident of Catherine St. said a bullet went through the living room wall and the bullet was on the living room floor. No injuries were reported. Residents with security cameras were to forward footage to police.

Shoplifting

An employee of Prime Station at 14196 Granger Rd. called police on March 12th, around 2:30 a.m., and said two males came into the station and stole four bottles of wine, then fled in a red Pontiac. A short time later the men came back, stole some beer, and were eventually taken into custody.

Suspicious Activity

An anonymous caller phoned MHPD on March 9th, around 11:45 p.m., believing two women in a vehicle on Dunham Rd. were selling drugs. When police arrived in the 6100 block of Dunham, they found two women sitting in a vehicle and the interior smelled like marijuana. During a search of the vehicle, police found 253 grams of marijuana, two styrofoam cups in the cup holders and an open bottle of vodka. The driver was issued two citations for possession of marijuana and open container. The passenger was also issued a citation for open container.

G.H. City Schools showcases pilot 'Breakfast in the Classroom' program at William Foster Elementary

The Garfield Heights City Schools has received a \$56,000 grant from the Children's Hunger Alliance which has been used to purchase equipment that enables the District to serve hot breakfasts to students eligible for the program. The Children's Hunger Alliance is a nonprofit organization whose mission is to ensure that children without access have healthy food and nutrition education.

William Foster students are offered a variety of breakfast foods, including hot breakfast items such as pancakes, sausages, eggs and breakfast-style pizzas.

The "Breakfast in the Classroom" program at William Foster was recently showcased to a handful of partners and supporters of the program. Dignitaries from the Children's Hunger Alliance, Ohio Education Association and district administrators observed students participate in their daily routine of selecting hot or cold breakfast items from Cambro carts and racks.

Though breakfast is served at every school in the district to those with free-and-reduced status, William Foster is piloting the "Breakfast in the Classroom" program with the hopes of expanding it to all schools for the 2018-2019 school year. On any given

County creates internships with career opportunities

For more than a decade, Cuyahoga County and Y.O.U. have partnered with the Summer Youth Employment Program and given young people summer jobs. While those jobs succeeded in giving young people summer employment with a pay check, they typically did not put those youth on a career path. That has changed. The County transformed its summer jobs program into an internship program with the goal of providing teens and young adults with jobs, training and education that serve as a pipeline to career opportunities.

"It's great to give our young people a summer job, but it can be life-changing when those jobs set a youth on a path to a successful career," said Cuyahoga County Executive Armond Budish.

"Our transformed County Internship Program provides young people with high-quality work opportunities that lead to training and education, and this propels them on a career path. And we are not waiting for summer to start these services. Temporary Assistance for Needy Families (TANF) eligible 14-24 year-olds will be screened and referred to services now," said Budish.

The new alliance will deliver comprehensive and year-round workforce services, including career exploration, job readiness, career coaching, ongoing case management, credential training, and employer engagement and permanent placement to program participants.

Applications are now being accepted for Cuyahoga County residents 14-24 years-old at <https://jobs.youthopportunities.org/>.
