## Students take center stage at Garfield Heights Council meeting

By Ellen Psenicka

It was a pretty packed house Monday night at the regular meeting of Garfield Heights Council as Garfield Heights High School's 2018 "Top 10" graduating seniors and their families were recognized with applause and a resolution commending them. (See photo on Page 4.)

Also on hand was one of the winners of the Mayor for a Day essay contest, sponsored by Garfield Heights United. Garfield Heights Middle School 8th grader Anthony Hemel sat next to Mayor Vic Collova at the meeting after spending the day with co-winner D'adriana Jackson, a 7th grader at the Middle School, touring the various municipal departments, talking to city officials and learning what makes a local government work.

Shown at Monday night's meeting of Garfield Heights Council are, from left: Garfield Heights Middle School Principal Chris Sauer, Middle School 8th grader Anthony Hemel holding his plaque for being selected Mayor for a Day (along with 7th grader D'adriana Jackson), and Mayor Vic Collova. - Contracting with Fabrizi Trucking & Paving for re-pair of a sinkhole on Park Knoll Drive.
- Having only one council meeting in June, July and August, 2018, on the second Monday of the month.

McDonald's on Turney Road furnished everyone at City Hall with lunch Monday and Garfield Heights United awarded plaques to the pair. A family emergency prevented D'adriana from attending Monday night's meeting.

Legislation passed by council at the meeting included:

- Authorizing the purchase of a 2017 Freightliner rescue squad for the fire department as well as a power cot and power load apparatus for the vehicle.

- Renewing an agreement with Thomson Reuters for access to westlawnext, a legal information website.

- Entering into a contractual agreement with Ciuni & Panichi, Inc., an independent accounting firm, to review the city's capital asset and infrastructure policies and procedures.

## Indy police save woman trying to jump from Valley View bridge

Independence police saved a suicidal woman who was attempting to jump from the I-480 bridge over Valley View last Friday morning, it was noted in Independence Mayor Anthony Togliatti's most recent administrative update

The woman was saved due to swift response of dispatchers Brenda Wadle and Sara Spieth, along with Independence police officers Andrew March and Jim Green, Togliatti said.

He also stated the city's Crown Center surveillance camera, which enables dispatchers to monitor traffic on the I-480 bridge, also played a large part in averting the crisis.

At around 10:15 a.m. on April 20th, Wadle observed on surveillance video a female park her car on the berm of the bridge and approach the fence. She alerted officers immediately and Patrolmen March and Green responded.

As March arrived, the female scaled the fence and had one leg over, according to Togliatti. In an instant, March leapt up onto the fence, grabbed the female and pulled her to safety despite her active resistance. The female did not suffer any physical injuries and was taken to a local hospital to receive proper treatment.

"These officers and dispatchers showed outstanding coordination of effort and communication, and a life was saved as a result," said Togliatti.

"Officer March's quick actions prevented a horrible tragedy. I cannot say enough about these employees and their professionalism and performance under pressure. They are a credit to the Independence Police Department and the city of Independence. Thank you to all involved," he said.

## S.V. Polish Constitution Day fun starts Saturday

The Polish Constitution Day Committee will hold a celebration of culture, music, arts and Polish pride this weekend in Slavic Village.

Festivities will start this Saturday, April 28, at 7 p.m., with a free Chopin-Paderewski concert of classical music at the Shine Church of Saint Stanislaus, 3649 E. 65th St. in Cleveland. Noted pianist and composer Dr. Konrad Binienda and Friends will perform.

Binienda earned a degree in physics from Harvard in 2011, a master's in piano performance from the New England Conservatory and a doctorate in the DMA program at the Cleveland Institute of Music studying with renowned pianist Haeson Paik.

Since his debut with The Cleveland Orchestra in 2007, Polish-American pianist Binienda has performed in recitals and with orchestras throughout the United States and Europe, winning acclaim for his highly individual musical performances.

On Sunday, April 29, enjoy the following schedule of events:

- Polish Catholic Mass at Immaculate Heart of Mary Church, 6700 Lansing Ave., 10 a.m.
- Traditional Polish luncheon at the Polish American Cultural Center, 6501 Lansing Ave., 11:30 a.m.
- Grand Constitution Day Parade through Slavic Village starting at E. 50th & Fleet Avenue, concluding at East 65th and Lansing Avenue at the Polish American Cultural Center, 1:30 p.m.
- A program by students from Cleveland's Polish schools and dance groups at the Polish American Cultural Center, 3:30 p.m.

Cleveland's Terminal Tower will be lit in the national colors of Poland (white and red) in solidarity and celebration of Polish Constitution Day.

A short history of Polish Constitution Day:

The end of the 18th century produced three constitutions considered the first modern constitutions in the world. The American Constitution of September 17, 1787 is the oldest. The second in the world and the first in Europe is the Polish Constitution of May 3, 1791.

The Polish Constitution, one of the most important achievements in the history of Poland and a very progressive document for its time, was welcomed by Poles striving to recover their independence, protect their state and national sovereignty and advance Polish culture.

# Chanel High School property sold to Bedford City School District

By Judith Goldsworth

The former St. Peter Chanel High School property on Northfield Road has been sold to the Bedford City School District, Mayor Stan Koci announced at the Bedford Council meeting last week.

The 33-acre property at 480 Northfield Rd., including an approximately 200,000 square foot building dating to the school's opening in 1957 with 1963

and 2007 additions, has been vacant since the school was closed by the Cleveland Catholic Diocese in 2013, due to declining enrollment and rising costs.

In 2016, St. Servan Chanel Ltd., an entity headed by developer Sam Cannata, had bought the property from the diocese for \$400,000, according to records on file with the Cuyahoga County Fiscal Officer. Cannata had an-

nounced plans to redevelop the site and rent out the athletic facilities, Bedford officials had stated at the time.

The amount of the purchase by the district has not yet been recorded by the fiscal office. However, St. Servan Chanel sold the property to the Bedford schools earlier this month, both Koci and Bedford schools officials confirmed.

"This is big news," Koci said at last week's meeting.

"It's going to be a long-term process on what they do there," he said of the district's plans for the property, adding, "They're not 100 percent sure what direction they're going to take, and they're going to think about it and do what's right up there. But we're quite pleased that they got the property."

District officials said that they will work with the Ohio School Facilities Commission in the coming years

"to create an overall facilities master plan. The district will provide updates and keep the community informed of decisions and progress."

In a statement released earlier this month, Bedford Schools Superintendent Dr. Andrea Celico said, "We are excited about this potential acquisition and how it fits in with our future plans for our school district."

## Legislation passed

Council passed an ordinance for a contract with HGE Concrete Supply Company/Concrete Properties LLC to sell a landfill property the city owns at 7160 Krick Rd. in Walton Hills, with Bedford retaining rights to continue dumping clean fill there, City Manager Mike Mallis explained.

Council also passed an ordinance to amend previous legislation regarding trash in the city, intended to specifically address disposal and collection in the downtown district.

After being informed by the dealerships that three vehicles the city had voted to purchase at a previous meeting were no longer available, council passed three amended pieces of legislation to purchase trucks for the city from Valley Ford Truck.

The vehicles include three 2019 Ford pickup trucks for the Water and Service departments, at a cost of \$30,611, \$25,215 and \$28,610, respectively. Mallis explained that when the city contacted the original dealerships, they were informed that the factory had stopped all new orders due to upcoming changes

in the body styles and chassis of the trucks, and were no longer available.

Mallis said it was imperative to replace the existing city vehicles, due to their deteriorated condition.

Asbestos removal at the Ellenwood Recreation Center is ongoing, and council passed legislation for a change order with Arick's Environmental Management Service, Inc., for asbestos abatement, at a cost of \$9,500, bringing the current total for the entire project to \$34,500.

Having previously approved union contracts with the city's police and firefighters, council passed an ordinance at last week's meeting to approve a contract with Ohio Council 8 and Local 2007 AFSCME (American Federation of State, County and Municipal Employees) AFL-CIO, representing the city's service department employees.

Also approved was legislation to enact a new chapter of the codified ordinances regarding contracts, including new sections on contract procedures, professional design services, public works and surplus property.

Addressing the city manager's authority to investigate costs and discretionary spending without council approval, the new chapter will simplify handling of these items "to spur economic development, simplify procedures in regards to contracting and related services in the most efficient manner," the ordinance states.

Council also passed ordinances for the following: an agreement for the village of Walton Hills to use Bedford's jail facilities, to condemn properties and structures located at 83 Henry St. and 20 Elm St., and to accept three parcels of land in the city from the Cuyahoga County Land Bank.

## Also on agenda

- Koci swore in new Patrolman Bret Miller to the Bedford Police Department.

- The Bedford Garden Club will have an Arbor Day celebration at City Hall on Friday, April 27.

- John Powers was reappointed to the Bedford Planning Commission.

He spent two years at the Cuyahoga Valley Career Center specializing in programming and software development. He will attend Kent State University on a scholarship next year.

**Dear Mrs. Kane:**

*Thank you for all you have done for Slavic Village and St. Stanislaus Church and School. Your dedication to upholding the spirit of a Catholic based education is unmatched. Through your hard work, hundreds of neighborhood children and young adults, have learned to appreciate American History, speak and write using correct English, and most importantly, understand the teachings of The New Testament.*

*The May Crowning Ceremony will always be one of their fondest memories of you, especially memorizing all three verses of "Immaculate Mary". Also, most of your former students probably remember every word of the Preamble to the Constitution, which you had them write when things were not going well.*

*It was my honor to learn from you and teach beside you on the third floor of St. Stan's.*

*God Bless! And may you rest in peace. Love, Mr. Pudelski and hundreds of "Featherbrains of the century" and "Patriots on the back fence"*

## Community police reports

By Amber Weisbarth  
(The following information was obtained from filed police reports and police dispatch logs.)

### MAPLE HTS. Burglary

A resident of the 14200 block of Tokay Ave. called police on April 15th, around 9:55 p.m., and said she was in her bedroom when she thought she heard someone opening a window into her home and that she heard one of her tables move. She said she was too afraid to investigate and stayed in the bedroom with her three children. When police arrived they found an open back window and that items had

been missing from the home. The suspects were gone upon police arrival.

### Criminal Damage/Theft from Auto

Several residents called police between April 16-17 to report the windows of their cars had been broken out and items had been stolen in the following neighborhoods: 14100 and 14300 block of Brunswick Ave.; 5100 block Charles St.

### Gunshots

On April 22nd, around 3:05 a.m., a resident of Clare Ave. called police and said she heard three gunshots near her home and that there may have been a vehicle involved. When police arrived they found a

vehicle parked in the 20800 block with shattered rear and driver's windows, two spent casings and a bullet hole. The car was towed for processing.

### GARFIELD HTS. Breaking & Entering

Officials at The Village at Marymount told police someone tried breaking into two offices of the Loretto Building on April 14th, between 6 and 7:30 p.m. The suspect went into open offices and rooms and tried to pry open at least two office doors. Some of the incident was caught on surveillance video and police have a photo of the suspect. They continue to investigate.

### Criminal Damage

Police were dispatched to

the vacant former Walmart store in City View Shopping Center on April 20th, around 1 p.m., and found three males inside spray painting the walls. There were several cans of spray paint nearby as well as two back packs, one containing a camera and marijuana. Police also found spray paint, marijuana and paraphernalia in the car the males drove to the vacant store. The suspects were ages 23, 25 and 28, from Lakewood and Brook Park and were arrested. The men were charged with criminal damaging, criminal trespassing, possession of marijuana and possession of criminal tools.

### Criminal Damage/Theft from Auto

Several residents reported their car windows

were broken out and items were stolen between April 16th and April 18th in the following neighborhoods:

12800 block Thraves Rd.; two reported in the 12500 block of Park Knoll Dr.; 12400 block Shady Oak Blvd.; 13100 block York Blvd.; 10600 block Grace Ave.; 5200 block E. 117th St.

### Shots Fired

On April 17th, around 9:30 p.m., police were dispatched to the E. 131st St. and Rexwood Ave. area for a report of shots fired. Witnesses said they heard shots being fired then saw multiple people running from the area but could not determine who was running in fear and who may have been involved. Police searched the area and found ten .223 caliber shell casings and eight .45 cali-

ber shell casings in the road. Police found no suspects and continue to investigate.

Police were dispatched to the Civic Center on April 19th, around 5:20 p.m., responding to three males walking through the parking lot, one of whom may have been carrying a firearm. As police were arriving in the area, multiple callers said gunshots were heard in the areas of E. 114th/E. 115th streets and Granger Rd.

A witness gave police surveillance camera footage which showed a younger male in a red hooded sweatshirt firing a gun into the air. Officers searched the area for possible suspects or bullet casings with negative results.

**MAURICE REEDUS, JR.**, also known as downtown Cleveland's "Sax Man," passed away April 16th. He was 65.

Mr. Reedus was a father, grandfather, loving brother and dear uncle, with a host of family and friends.

Funeral services will be held at 11 a.m. on Thursday, April 26, at Sanctuary Mission Baptist Church, 4004 E. 131st St., Cleveland, where family will receive friends one-hour prior to service. Arrangements entrusted to Lucas Memorial Chapel, 9010 Garfield Blvd., Garfield Heights. Visitation at the funeral home Wednesday, April 25, from 10 a.m. to 8 p.m.

## M.H. hydrant flushing

The Maple Heights Fire Department will begin flushing fire hydrants throughout the city during the month of May.

The schedule will be Monday through Friday from 9 a.m. to noon and from 1 to 4 p.m., weather permitting. This will continue until all hydrants have been completed.

Residents are reminded to check if the water is rusty before drinking the water, beginning food preparation or laundry. If it is, Cleveland Water recommends that you do not flow any water, including flushing toilets, for one hour.

After that hour, start at the lowest level of home (laundry tub) and turn on

cold water until it runs clear. Then turn off the water and proceed to the next level and follow the same steps until each level flows clear.

## Golden Ager's Grapevine

### Liga Morska

Liga Morska Golden Agers will meet Wednesday, May 2, at 11:30 a.m. at Cuyahoga Heights Village Hall on E. 71st St. A short meeting will be followed by a light lunch, raffle and games.
