Fugitive of Week wanted in Garfield Hts.

The Northern Ohio Violent Fugitive Task Force is offering a reward for information which would lead to the capture of fugitive Re'Jon Luttrell. Luttrell is wanted by the United States Marshals Service and the Garfield Heights Police Department for attempted murder.

Luttrell

It is alleged that Luttrell used a .22 caliber rifle and struck two females after a dispute erupted at a New Year's Eve party at an apartment on East 126th Street in Garfield Heights. As the victims walked away, Luttrell opened fire. Luttrell then fled the scene.

Luttrell, 19, is a black male, standing approximately 5'10" and weighing 160 pounds. Luttrell has ties to Garfield Heights, Maple Heights, Shaker Heights and East Cleveland. Luttrell is considered armed and dangerous. Anyone with information on Luttrell is urged to contact the Northern Ohio Violent Fugitive Task Force at 1-866-4WANTED or text keyword WANTED and tip to 847411 (tip411). Tipsters can remain anonymous and reward money is available.

Indy Junior Girl Scouts earn patch for work at Jennings

Last Saturday the 5th grade Junior Girl Scout Troop 71176 of Independence came to Jennings in Garfield Heights to complete its Bronze Award Project.

The girls installed two new bookshelves and a new book rack that they designed and built themselves. Not only did they provide these new furnishings, they also donated books, puzzles and games for the enjoyment of residents and participants of Jennings' intergenerational programs.

The completed project was celebrated with an ice cream social, with the girls helping to serve ice cream to residents.

Jennings residents and Troop members are shown with the new, stocked bookshelves the girls made. Front row: Ella Krogman, Sarah Christian, Haley Hutchison, Molly Dubitsky. Back row: Mikayla Yonish, Alyssa Rzeszut, Sara Luciano.

The Bronze Award Project is the highest honor a Junior Girl Scout can achieve. To earn the Bronze Award, Junior Girl Scouts work as a team to take action and bring about sustainable change to their community.

Girl Scout Sarah Christian has a personal connection: her great-grandmother, Mary, resides at Jennings. The Troop visited Jennings' Rec Room and learned that the residents needed more storage for their puzzles and games. They also talked to the staff and found out that residents wanted picture

books so they could read books with the children from The Learning Circle, Jennings' on-site day infant and child care center.

Under the leadership of Irene Christian and Sally Dubitsky, Troop 71176 members Mary Biliunas, Sarah Christian, Molly Dubitsky, Haley Hutchison, Ella Krogman, Sara Luciano, Emily Novak, Alyssa Rzeszut and Mikayla Yonish planned the project. And under the guidance of Steve Rzeszut, the girls learned all the skills necessary to make the two bookshelves.

They made and sold

"Slime" at the Independence Holiday Fest to raise funds to buy an additional book rack. The Girl Scouts also ran a collection drive at the Independence Primary and Middle Schools to collect donations of picture books, puzzles, card games and board games.

"What a meaningful gift to Jennings that is so appreciated by residents and families," said Danielle Paluscsak, director of Life Enrichment at Jennings. "They should be so proud of themselves for accomplishing this achievement and the lasting impact they have made in service to others."

Maple Hts. to apply for ODNR grant for pocket park

By Judith Goldsworth

Maple Heights Council approved a resolution at its meeting last week to apply for grant funding from the Ohio Department of Natural Resources to help improve the "pocket park" at Lee and Libby roads.

According to the legislation, the city agrees to guarantee sufficient funds to satisfactorily complete the proposed project and become eligible for reimbursement under the terms of the NatureWorks Grant Program.

Road salt purchase

Council also passed a resolution allowing the city to enter into a purchasing participation agreement with the Ohio Department of Transportation to purchase road salt for the 2018-19 winter season.

As a member of the State Cooperative Purchasing Program, Maple Heights is eligible to participate in the ODOT program. The city agrees to purchase a minimum of 90 percent of its requested salt quantities from its awarded salt supplier during the contract's effective period of September 1, 2018, through April 30, 2019, the legislation states.

Rental registration back in committee

An ordinance to amend existing legislation that currently requires landlords to renew rental registration and tenant rental licenses upon a change in tenancy and/or ownership of the property was referred back to the Housing and Economic Development Committee for further consideration.

The legislation, introduced by Councilwoman Sharri Thomas, recommends that renewals and payment of fees be on an annual basis, regardless of whether there has been a change in ownership or tenancy of a rental property from the previous payment.

Renewals and licenses would not be transferrable, meaning that a new owner of a rental property would have to pay the fees, even if the previous owner had paid the fees for that calendar year.

Plant Sale

The Garfield Heights Historical Society will hold its 15th annual Plant Sale this Saturday, May 12, from 10 a.m. to 3 p.m. outside the Garfield Heights Museum, 5405 Turney Rd., with perennials, hanging baskets, veggies, herbs and more for sale.

There will also be a Nearly New Sale inside the museum with jewelry and rummage sale items available for purchase.

Chocolate Chip Pancakes

- 4 Tbsp. (½ stick) unsalted butter
- 1 cup whole, 2% fat, or 1% fat milk
- 1¼ cups flour
- 1 Tbsp. sugar
- 4 tsp. baking powder
- ¾ tsp. salt
- 2 eggs
- 6 oz. semisweet chocolate chips, or less to taste
- Butter, for cooking

In a small saucepan, combine the butter and milk. Place over low heat just until warm and the butter is melted. Let cool slightly. In a bowl, combine the flour, sugar, baking powder, and salt; mix well.

In a large bowl, whisk the eggs with a fork. Whisk in the

milk mixture. Add the dry ingredients and mix just until barely blended. Add the chocolate chips and mix.

Heat a griddle or large skillet over medium heat. Add about 1 teaspoon of butter and melt until bubbly. Ladle 3 tablespoons of batter for each pancake onto the hot surface and cook until bubbly on the top and golden brown on the bottom. Turn and cook until golden brown on the other side, about 30 seconds more. Repeat until all the batter is used up. Serve hot.

Spinach & Bacon Quiche

- 6 large eggs, beaten
- 1½ cups heavy cream
- Salt and pepper
- 2 cups chopped fresh baby spinach, packed
- 1 lb. bacon, cooked and crumbled
- 1½ cups shredded Swiss cheese
- 1 (9-in.) refrigerated pie crust, fitted to a 9-in. glass pie plate

Preheat the oven to 375°F. Combine the eggs, cream, salt, and pepper in a food processor or blender. Layer the spinach, bacon, and cheese in the bottom of the pie crust, then pour the egg mixture on top. Bake for 35-45 minutes until the egg mixture is set. Cut into 8 wedges.

Celebrate In-Demand Jobs Week in Cleveland through May 11th

This week, May 7-11, is In-Demand Jobs Week in Ohio, and several events are planned in the Cleveland area so that students, job seekers, parents, workforce professionals and educators can learn more about the jobs, industries and skills that are in-demand in our area.

"In-Demand Jobs Week will provide opportunities for students and jobseekers," said Mayor Frank G. Jackson. "It is another example of how we can connect local businesses with available talent."

Jobs today require workers to have skills and training beyond a high-school diploma. Ninety percent of jobs posted in the Cleveland area require applicants to have digital skills. Examples of good, in-demand jobs include registered nurses, bookkeepers, accountants, auditing clerks and operation managers which are among the 200 in-demand jobs, as well as truck drivers and construction workers.

"Students and jobseekers need to know what jobs and skills are in demand, why they should pursue the skills training needed, and how Ohio Means Jobs here in Cleveland can help them connect to a career path. Therefore, the Workforce Development Board is sponsoring several focused activities and events during In-Demand Jobs Week to get the word out about good Middle-Skill jobs, especially ones that don't require a Bachelor's degree but do require some additional training," said Micki Tubbs, chair of the Workforce Board.

There are activities planned for each day of In-Demand Jobs Week. These are free and open to the public but registration is required at <https://omjcc.us/>.

On Wednesday, May 9, jobseekers can come to the Ohio Means Jobs center to get help in creating and starting on a career pathway. On Thursday, May 10, registered job seekers will be participating in an invitation-only in-demand job match event with employers. These events will be at the OMJ|CC center on 1910 Carnegie Ave.

The week ends Friday with the "2 Gen Literacy Summit" at the Parma Library Snow Branch from 9 a.m. to 2 p.m. Also, "Grow with Google," an all-day program held at Tri-C Hospitality Management Center at Public Square, is an exciting event aimed at improving digital skills and supporting entrepreneurs.

Workforce Board Chair Tubbs stated, "The Board is hopeful that these events and activities will increase the knowledge of jobseekers, the future workforce (and everyone that counsels them) regarding the good jobs that are available in our community and on how to get started on a career pathway. It is very rewarding to join Team NEO, Tri-C, GCP, MAGNET, the Literacy Cooperative, the Ohio Workforce Association, Mayor Frank Jackson and County Executive Budish to continue to move us in One Direction for Workforce Development."

Valley View Council okays tax incentives

The Village of Valley View Council met last Tuesday, May 1, and passed ordinances regarding tax incentive grants with Safeguard Properties LCC, Trane Corporation and Soraa Inc.

Mayor Jerry Piasecki said Safeguard Properties, a turn-key resource center for all aspects of property management, is a top income tax payer in the Village, and said Trane Corporation, a manufacturer of heating, ventilating and air conditioning systems, has already started to move in.

Soraa Inc., a developer of LED lighting technology, has not yet made a commitment, according to Piasecki. He said the company has a \$4 million payroll. Piasecki added that all three companies have a total of \$32 million in payroll.

Councilman Tom Perk asked to table an ordinance on third reading regarding the emergency tree service because it is being replaced by a new ordinance. The new ordinance, now on first reading, would cre-

ate a new tree program with no need for an emergency tree fund.

The new ordinance states each residential property owner would be eligible to receive up to \$500 annually for any tree service performed on their property.

Piasecki said there were two residents who have emergency tree situations now and would like \$3000 to take care of their trees. Council authorized the Village to spend an amount not to exceed \$3000 for the emergency tree service.

An ordinance appointing Matthew March to the position of Police Chief was placed on second reading. Council defeated a motion to bring the ordinance to a third and final reading and it should be considered at the next council meeting.

Independence Mayor Anthony Togliatti was at the meeting and asked Council to pass an ordinance allowing Piasecki to enter into a Memorandum of Understanding (MOU) with the city of Independence regarding the con-

struction and maintenance of Hemlock Trail.

Togliatti said the construction company has already broken ground on the trail but cannot continue until the MOU is entered into because part of Hemlock Trail will be within the boundaries of Valley View. Council passed the ordinance. The city of Independence will be responsible for all maintenance and repairs on the trail.

An ordinance accepting a bid for house demolition at 8820 Murray Rd. was also among legislation that was passed. Council also approved an additional \$8000 be allotted for Home Days to be held on July 15th.

Mayor Piasecki mentioned that the Cuyahoga Valley Chamber of Commerce will hold its State of the Schools address on Thursday, May 17. The event will be held from 11:30 a.m. to 1:30 p.m. at the Holiday Inn, 6001

Rockside Rd. in Independence. Those wanting to attend should visit cuyahogavalleychamber.com or call 216-573-2707.

Donate new, used shoes to Indy shoe drive

The city of Independence has agreed to participate in a Shoe Drive sponsored by Funds2Orgs and the Cleveland Ride for Kids to raise money for the Pediatric Brain Tumor Foundation.

From now until June 2nd, residents are invited to drop off new or gently worn pairs of shoes to the Indy Fieldhouse collection location at 6354 Selig Dr. Shoes and/or boots of any size and style, men's, women's, boys and girls shoes will be accepted. All shoes must be undamaged - no holes or soles that are not intact.

At the end of the Shoe Drive, Funds2Orgs will pick up the shoes donated

by all participating communities and for each 100 bags containing 25 pairs of shoes, a check for \$1000 will be presented to the Pediatric Brain Tumor Foundation. The shoes will then be cleaned and redistributed to the needy and to third world and developing countries.

"Every pair of donated shoes will have double benefit and will be a gift to so many people," said Independence Mayor Anthony Togliatti.

May is National Physical Fitness, Sports Month

Regular physical activity is good for everyone's health, and people of all ages and body types can be physically active. National Physical Fitness and Sports Month is a great time to spread the word about the benefits of getting active.

Here are just a few benefits of physical activity:

For children and adolescents, physical activity can improve muscular fitness, bone health and heart health.

For adults, physical activity can lower the risk of heart

disease, type 2 diabetes, and some types of cancer.

For older adults, physical activity can lower the risk of falls and improve cognitive functioning, like learning and judgment skills.

Communities, health professionals and families can work together to create opportunities for everyone to get more physical activity. Use this month to raise awareness about the benefits of physical activity and spread the word about fun ways to get moving!

Here are a few ideas:

- Encourage families to make small changes, like taking a walk after dinner or going for a bike ride.

- Motivate teachers and administrators to make physical activity a part of every student's day.

- Identify youth leaders in the community who can talk to their peers about the importance of being active.

- Be a community leader. Encourage community groups and families to support physical activity programs for kids.

May was designated as National Physical Fitness and Sports Month in 1983 by the President's Council on Fitness to promote healthy lifestyles among all Americans and improve quality of life. (healthfinder.gov)

Less than an hour later, MetroHealth Medical Center dispatch told police they had detained two males believed to be involved with the incident at the bar, and a third male was admitted with a gunshot wound to his leg, according to Hansen. The wound was not life-threatening. A fourth male at Metro ran from police when confronted in the hospital parking lot, according to Hansen.

Hansen said the three males have been taken into custody in relation to the incident: a 24-year-old Lorain resident, a 26-year-old Maple Heights resident and a 35-year-old from Cleveland. The investigation continues and more charges may be forthcoming from the incident.

Anyone with information related to this case is urged to contact the Maple Heights Detective Bureau at 216-587-9624 or Detectives@mhpd-ohio.com. Information can also be submitted anonymously to Crime Stoppers by calling 216-252-7463, texting TIP657 plus your message to 274637, or online at www.25crime.com.

Robbery

A 57-year-old woman told police she leaving the Marathon gas station on Broadway Ave. on May 2nd, around 12:30 p.m., and as she was walking on Fleet Ave. towards Spafford Ct. a man approached her from behind, punched her in the back of her head and kicked her in her side. She said that while she was on the ground the man went through her pockets, took out her wallet and stole about \$180 before throwing the wallet back at her. She told police the man may have been standing behind her in line at the gas station. Police searched the area of Fleet and Broadway for the suspect with negative results.

Theft

The manager of a used car lot on Harvard Ave. said a vehicle was stolen from the property on April 29th as well as his own personal vehicle. He said the outdoor fence was pried open and the business door was also pried open. The interior appeared to be ransacked and keys to the vehicles were disturbed and missing. As police investigated the scene they found a second vehicle that someone attempted to steal from the lot but the manager said it did not have a battery so it couldn't be started.

GARFIELD HEIGHTS

Felonious Assault

Police were dispatched to Marymount Hospital on May 1st to talk with a 43-year-old man who said he had been shot outside his home in the 13500 block of Alvin Ave. He said he had been inside watching TV around 3:30 p.m. when he heard what he thought was a knock on his door. He then went outside onto his front porch and saw a man holding a clipboard walking up his driveway. The victim said that when the man saw him on the porch, he pulled out a handgun from his waistband and fired at him for "no apparent reason," striking him in the calf. The suspect then fled on foot up a neighboring driveway.

The victim described the gunman as a black male in his mid 20s, about 5'9" with a thin build, wearing dusty jeans, an orange shirt and white construction hat with short dreads hanging out. Police spoke to a witness who confirmed the description of the suspect. While police were searching the area they found a clipboard in a backyard in the 13400 block of Saybrook. A bullet fragment found in the victim's porch was also collected as evidence.

OVI

Around 10 p.m. on May 2nd, police were dispatched to the Turney and Granger area for a report of an intoxicated driver. Witnesses said the vehicle was swerving, and while en route to the scene, police learned the vehicle had driven into oncoming traffic, over a curb and had struck a cement wall on Turney Rd.

When police arrived they found the vehicle crashed into a cement retaining wall in the 5400 block of Turney. The driver, identified as a 23-year-old Cleveland man, was unconscious in the driver's seat but had a pulse and was breathing. After three doses of Narcan, the man was awakened and admitted to using heroin. He was taken to Marymount Hospital for treatment. He was issued citations of OVI and failure to control.

Weapon Offense

On May 4th, around 3:30 a.m., police saw two young males near the intersection of Turney and Willard and questioned them due to curfew laws. Both males said they were "walking to the store" and claimed to be 18, but upon further questioning police learned the males were both 17 years old and they were detained. Police said the teens were nervous and visibly shaking, and as the teens were being escorted to a police cruiser, officers found a semi-automatic weapon close to where the males had been standing at the intersection. The firearm was run through LEADS and had been entered stolen out of Maple Heights. After questioning the teens they were arrested and taken to City Jail. Charges pending through the Youth Bureau include carrying concealed weapons, receiving stolen property and curfew violation.

MAPLE HEIGHTS

Criminal Damage/Theft from Auto

Several Maple Heights residents called police on April 30th to report their cars had been broken into and items had been stolen overnight.

A resident of the 5900 block of Dunham Rd. said someone broke into his car and stole jewelry and money.

A resident of the 14500 block of Kennerdown said the passenger side window of her car was broken out and valuables were stolen, including a laptop and Apple tablet and \$40 cash. Another resident of Kennerdown, in the 14400 block, said one of her car windows was also broken out and someone stole a bag of loose change, head phones and a cell phone.

In the 14800 block of Reddington Ave., a resident said

Community police reports

(Continued from Page 8)

someone went into her unlocked car and stole \$975 in cash. There were no suspects in any of the thefts.

Theft

The manager of Liberty Ford on Warrensville Center Rd. told police two light bars were stolen from two vehicles in the parking lot between April 27th and May 1st. The manager said the light bars were valued at about \$1075 each.

Weapons Incident

Police were dispatched to the 5100 block of Erwin St. on May 6th, around 6:45 a.m., due to a report of a verbal

altercation that became physical. At the scene, police found a blue Nissan with a broken back window had crashed into a house in the 5000 block of Erwin. The driver of the vehicle, a 22-year-old male, had fled on foot into the woods after threatening people in the home with a gun. Police said the suspect's infant was in the car not in a car seat and an AR-15 gun was in the driver's side door. Police said the baby did not suffer any injuries. The gun had been entered stolen out of Eastlake and police learned the Nissan had been stolen out of Parma. The 22-year-old male was eventually arrested on Raymond St. Police said no shots were fired and the incident remains under investigation.

Call Crime Stoppers with tips

Crime Stoppers encourages members of the community to assist local law enforcement agencies in the fight

against crime.

Crime Stoppers provides an anonymous telephone number, Text Tips and Web Tips to encourage citizens to volunteer vital information helpful to law enforcement agencies. By offering anonymity and cash rewards for information leading to indictment or arrests, the program encourages otherwise reluctant callers to provide information.

The 24/7 hotline number, 216-252-7463, allows the caller to remain anonymous. The phone does not have a caller ID function and calls are not recorded.

Those with information can also text TIP657 plus your message to 274637, or can submit information online at www.25crime.com.

SLAVIC VILLAGE GARDENERS BEGIN PLANTING ON FLEET!

April's unseasonably cool weather delayed but did not stop local garden enthusiasts from their annual rites of spring planting. Free Children's Fishing Derby in Cuyahoga Hts. Metropark Sat., May 19th

Kids can reel in big fun at the annual Cleveland Metroparks Children's Fishing Derbies to be held next Saturday, May 19, at Ohio & Erie Canal Reservation in Cuyahoga Heights, and Sunday, May 20, at Wallace Lake in Millstream Run Reservation in Berea.

Two sessions will be offered each day: Children ages 4 to 8 will fish from 9 a.m. to noon and youth ages 9 to 15 will fish from 1-4 p.m.

Hungry trout, catfish and a variety of other fish are ready to lure young anglers to try their luck and compete for prizes. Children can learn to cast or test their skills at the casting challenge.

Experienced anglers will be on hand to help those new to fishing, and bait will be available at no charge. Bring a rod, tackle and a cooler with ice to store your "catch of the day." Loaner rods (fully rigged for bait fishing) will also be available.

The events are rain or shine and there is no preregistration needed. Go to the big tent when you arrive on Derby Day to register. All children are encouraged to learn to cast and/or test their skills at the casting challenge station.

Prizes will be awarded at the end of each session, at noon and 4 p.m. sharp. Prize categories will include the largest trout, largest other fish, smallest fish and best cast from casting challenge. Participants must be present to win.

Golf cart shuttles will provide rides throughout the event for seniors and persons with disabilities at both Derby locations.

To reduce tangling the lines, use single hooks or rigs using single hooks (no treble hooks). Still-fishing methods are strongly recommended using live or processed bait fished from either bobber rigs or bottom rigs. Bobber rigs are the easiest for children to use since bites are easy to see.

Ohio & Erie Canal fishing area will be stocked with rainbow trout and channel catfish between Wednesday, May 16 and Friday, May 18. The area will be closed to public fishing beginning on the day of stocking. Each area will reopen for youth fishing only during the Derby. Adults may fish in Derby waters when the events are over at 4 p.m.

At the Ohio & Erie Canal Reservation, park at the CanalWay Center parking lot, located down the hill from the E. 49th Street entrance to Ohio & Erie Canal Reservation in Cuyahoga Heights. Follow the trail from the parking lot to the canal.

Ward 12 Dems to meet

The 12th Ward Democratic Club will meet Wednesday, May 16, at 7:30 p.m. at Gino's, 1314 Denison Ave. in Cleveland. The results of the May 8th election will be discussed and the 12th Ward Picnic to be held in July. Refreshments served. Everyone welcome.

In Memory of Rufus Michael

Last Wednesday, May 2, 2018, our baby, Rufus Michael, went to doggie heaven. He was almost 11 years old. Rufus Michael was a precious, freindly and always well mannered dog. He will be missed as a mascot of Shannon Landscaping and by Kevin Gilliam.
