Councilman helps save dog in Fleet Ave. house fire

It seems that a Cleveland councilman's job is just never done, especially when they're in the right place at the right time.

Ward 12 Councilman Tony Brancatelli partnered with a Cleveland police officer last week to free a dog from a burning house on Fleet Avenue.

Brancatelli said he was in his car nearby and an officer was at the Sunoco gas station across from a home in the 6900 block of Fleet Ave. last Friday evening when smoke started coming from the front windows of the home. The officer tried to kick in the front door but could not get in.

Brancatelli said he and the officer went to the back of the burning home and the officer was able to get a door open there. "That is when the dog ran out of the house. I was able to grab him before he ran off," said the councilman.

He said the smoke had become so great inside the house that they couldn't get in, but fire officials arrived within minutes and searched the house. Thankfully no one was inside. Brancatelli said the city dog warden came and took the dog, which he called a "friendly, pit bull-type."

Road construction updates

The Ohio Department of Transportation announced the following updates to local road construction:

I-77 exit ramp to State Route 21, Cuyahoga Heights:

Weather permitting, overnight Wednesday, Oct. 17, crews will close I-77 north at I-480 and the I-480 east and westbound ramps to I-77 north from 8 p.m. to 5:30 a.m. in order to perform overhead bridge deck pour operations at the I-77 south exit ramp to SR 21.

Motorists will be detoured via SR 176 north to I-490 east to I-77.

The entrance ramp from SR 21 to the northbound highway, the southbound highway, and the SR 21 southbound exit ramp will remain open overnight.

State Route 14 (Broadway Avenue) bridge over I-77 and ramp to I-77 south, Cleveland:

Weather permitting, Friday, Oct. 19, at 8 p.m. through Saturday, Oct. 20, crews will close I-77 north and southbound between I-480 and I-490, the I-480 east and westbound ramps to I-77 north and the I-490 east and westbound ramps to I-77 south in order to perform overhead bridge deck pour operations at Broadway Avenue and drainage and pavement work.

All lanes of I-77 northbound are expected to reopen at 5 p.m. Saturday, and all southbound lanes will reopen at 11 p.m. Saturday. A limited amount of local access will be maintained on I-77 between I-490 and I-480 during the full-closure.

More detour info can be found at www.Innerbelt.org.

Cuy. Valley Chamber to host 'State of the Region' November 7

The Cuyahoga Valley Chamber of Commerce will host the annual "State of the Region" on Wednesday, Nov. 7, 11:30 a.m. to 1:30 p.m. at the Holiday Inn, 6001 Rockside Rd., Independence.

Mayors from Independence, Cuyahoga Heights, Valley View, Brooklyn Heights, Seven Hills and Walton Hills will speak about some of the projects and good things happening in each community.

To register, visit the Chamber's website at www.cuyahogavalleychamber.com.

Bedford man, daughter found dead in East Cleveland; \$10,000 reward offered

Paul Bradley, 39, and his 14-year-old daughter, Paris Bradley, of Bedford, were found burned to death inside a rental car in East Cleveland last week, according to East Cleveland Police Commander Scott Gardner.

Gardner said East Cleveland police were called to Savannah Avenue on October 10th, around 9:30 a.m., and found the two bodies in the burnt car. After investigating, they were able to trace the rental car back to Bradley and called Bedford Police to investigate his home on Gould Avenue.

Once on Gould, Bedford police found the door to the Bradley home was open and smelled of gasoline. After several hours, once the home was aired out and safe to enter, East Cleveland police were able to go inside and found it had been ransacked and there were obvious signs of a struggle, according to Gardner. He said the victims may have been sleeping at the time of the incident.

Gardner said it appeared Paul Bradley had been tightly restrained in the car and had been alive at the onset of the fire. According to the Cuyahoga County Medical Examiner website, Paris Bradley died from gunshot wounds to the head, with skull and brain injuries. Gardner said she may have been tortured before being shot three times, twice in the head, and was deceased before the fire was set.

Gardner said that as of now there is no substantial evidence as to what led to this incident. Detectives are still investigating.

Gardner said Crimestoppers is offering a \$2000 reward, the Blue Ribbon Arson Committee is offering \$5000, and the East Cleveland Law Enforcement Trust Fund will donate \$3000 for information that leads to the arrest of the person(s) responsible for this crime.

Those with information are urged to contact Crimestoppers with anonymous tips at 216-252-7463 or online at www.25crime.com. Those with information can also contact the East Cleveland Detective Bureau at 216-681-2162.

Annual Gun Buy Back event this Saturday

Cleveland Mayor Frank G. Jackson and Chief of Police Calvin D. Williams have announced that the 2018 Gun Buy Back event will be held this Saturday, Oct. 20, beginning at 9 a.m. at the Third District Police Headquarters, 4501 Chester Ave., Cleveland. In exchange for operable handguns or semiautomatic weapons, citizens will be given either a gas or food gift card valued at \$100 (handguns) or \$200 (semi-automatic weapons).

Cleveland Police have partnered with the Cleveland Police Foundation, ArcelorMittal, True North, Target and Burt Saltzman, owner of Dave's Supermarkets, to organize this year's Gun Buy Back.

"The City of Cleveland is facing the same challenges as most major metropolitan areas with regard to gun violence," said Mayor Jackson. "Cleveland's annual Gun Buy Back Program is an important step to getting guns off of our streets. I want to thank all of our residents who participate."

"ArcelorMittal is proud to be a longstanding supporter of the Cleveland gun buy back. This program brings together two of our company's top priorities: safety and community. Offering an opportunity for area residents to turn in an unwanted weapon, with no questions asked, can prevent that weapon from ending up in the wrong hands," said Mike Madar, vice president and general manager, ArcelorMittal Cleveland. "ArcelorMittal will later melt down the weapons col-

lected in the gun buy-back and recycle them into new steel, transforming them into consumer goods that improve the quality of all our lives."

The weapon must be unloaded, in a clear plastic bag, and inside a second container (gym bag, backpack, etc.). Transport the unloaded and properly bagged weapon locked in the trunk of your vehicle.

Pack ammunition separately. Non-semi-automatic rifles and shotguns can be turned in but NO incentive will be given for these weapons.

A Cleveland police officer will inspect the weapon to ensure that it is operable. After the officer determines that the weapon is operable a \$100 gift card will be given to those who turn in a handgun and a \$200 gift card to those who turn in a semiautomatic rifle.

Community police reports

By Amber Weisbarth

GARFIELD HTS.

Breaking & Entering

An employee of Life Storage on McCracken Rd. told police she was notified of a storage unit break in on October 10th, around 9 a.m. She said upon further investigation, she found 11 units on the third floor of one of the buildings had

been broken into. She said that on all 11 units, the locks had been drilled out. She said it would have occurred between 6 p.m. October 9th and 9 a.m. October 10th. Detectives were called to further investigate.

The next day, an owner of one of the storage units said a safe containing \$800-\$900 had been stolen, as well as \$1000 worth of jewelry and

the magazine from his AR-15. He said the gun was padlocked and not stolen.

CLEVELAND

Felonious Assault

On October 12th, officers were dispatched to the E. 65th St. and Newman Ave. area for a male shot. Police found the male on the ground with a gunshot

wound to the head in the temple area. He was conscious and breathing. He told police he was backing into a driveway in the 6500 block of Newman Ave. when he heard gun shots, then he realized he had been shot in the head and believes he was caught in crossfire. The man was taken to an area hospital for treatment.

Indy to update website, fix leaks at City Hall

Independence Council held its regular meeting last Tuesday, Oct. 9, and voted to spend \$31,475 to repair the leaking cupola and clock tower at City Hall, along with accepting the proposal of Revize Software Systems to completely revamp the city's website.

"When completed, the city will have a modern, sophisticated website focused on user friendliness on both the front and back ends," said Mayor Anthony Togliatti. "The new site will feature a responsive design allowing it to function in a visually appealing, user friendly way across all platforms, that being desktop, tablet and cell phone," he said.

Also passed was an ordinance accepting bids for snow plowing services for municipal lots and senior citizens/disabled persons/active military residents for the 2018-2019 snow season.

Council authorized the retention of South Shore Utility Locating, Inc. for protective services relative to the

city's underground conduit system, and approved payment to Clemans Nelson & Associates, Inc. for professional services in connection with labor relations consulting and negotiation.

An ordinance accepting the bid of Trax Construction Company for the Rockside Woods Boulevard North Phase I water line improvements construction contract was also okayed.

Garfield Hts. Council notes

Garfield Heights Council met last Tuesday, Oct. 9, instead of its regular second Monday date because of the Columbus Day holiday observance. Mayor Vic Collova held swearing in ceremonies for two promoted auxiliary policemen. Sgt. Mike Biegacki was promoted to lieutenant and Officer Paul Sadosky was promoted to sergeant.

Lighting up

Collova, in his report to council, mentioned that a 91-year-old Garfield Heights woman who had her car ransacked told the mayor she would like to see a city promotion to encour-

age residents to turn their outdoor lights on at night for safety. He said he thought it was a great idea and hoped to go even further with it by having the city purchase motion detector lights that could be given out.

Harvest Fest

Collova also invited everyone to attend this Saturday's Garfield Heights Harvest Fest 2018 from 1 to 4 p.m. at the Civic Center, 5407 Turney Rd. Activities include hayrides, games, crafts, face painting, pumpkin decorating and lots more.

Legislation

Only one piece of legislation was passed at the meeting. An emergency ordinance to enter into a contract with the Local Government Services Division of the State Auditor's Office to provide the city with "basic general purpose external financial statements" for next year.
