## Man arrested after chase in G.H. leads to car crash

Deonte D. Golston, 26, was arrested last Wednesday after he led Garfield Heights police on a car chase that ended in a crash in Cleveland, police said.

According to a press release from Garfield Heights Police Sgt. Matthew Berdysz, the incident happened on October 24th, just before 9 p.m., when an officer on patrol saw a maroon Buick 4-door vehicle travelling in the area of Granger and Turney roads with only one working headlight. A registration check showed the vehicle had been reported stolen at gunpoint in Cleveland.

The officer attempted to pull the vehicle over near Granger and Transportation Blvd., but Golston refused to stop and led officers through several jurisdictions until he crashed into a tree and then into the steps of an apartment building at 4735 Broadview Rd. in Cleveland, according to police.

Cleveland Police Sgt. Jennifer Ciaccia said a Garfield Heights police officer pulled Golston from the vehicle as it caught fire. Golston was then taken to MetroHealth Medical Center to be treated for a broken leg.

As of press time, police said Golston is still being treated at Metro. He is being investigated by Cleveland police for aggravated robbery and GHPD has issued warrants for receiving stolen property and felony failure to comply, according to Lt. Robert Petrick with GHPD.

Petrick also said Golston has outstanding warrants through Cuyahoga County.

## Bedford Council updates

By Judith Goldsworth

Bedford Council approved legislation at its October 15th meeting to apply to the Northeast Ohio Areawide Coordinating Agency (NOACA) for \$80,000 in grant funding for a transportation study in the city.

The grant, through the Transportation for Livable Communities Initiative

(TLCI), would be used to fund a study for a connector project in Bedford, City Manager Mike Mallis stated. He explained that the plans included a pedestrian and bike trail down Willis Street, through the parks and the bridge connecting to Egbert Road.

### New notification system coming

Mallis said that 911 Cellular, a new mass notification system for city residents in the event of emergencies, would be making its debut soon.

"We are going to be sending out information via the water bill, and we are going to use our Code Red for those signed up for Code

Red (a reverse 911-type phone notification system). Look for it on our website."

### Business honored

Mayor Stan Koci presented a Certificate of Recognition to Wayne Smith of Chain Saw Sales, a long-time business at 386 Broadway Ave. in Bedford, which is celebrating 70 years of operation in the city. Wayne Smith is a descendant of founder Orville J. Smith, who started the business in 1948, after returning from service in World War II.

### On agenda

Legislation passed at the meeting included an agreement with the Hawthorne Valley Youth Council to sponsor up to five students in the Bedford City School District for the 2018-2019

school year, at a cost of \$350 per student per year.

Two motions were approved by council: one to appoint Chuck Mowery to a four-year term with the Planning Commission; the other to appoint George Green to a five-year term to the Board of Building Standards and Appeals.

An ordinance to increase rental rates, including fees, deposits and charges for the newly renovated Ellenwood Recreation Center was placed on second reading.

Also placed on second reading was an ordinance allowing eligible employees to make insurance plan premium contributions on a pretax basis for calendar year 2019. Both ordinances will be further reviewed before a council vote.

As a public service, I am reprinting the ratings for Judges in November 6th's election in Cleveland. These ratings are from Judge4yourself.com which is made by cooperating bar associations with the help of dozens of experienced lawyers. Judge4yourself.com is a service of [The Ohio Womens Bar Association](#), [The Cleveland Metropolitan Bar Association](#), [The Cuyahoga Criminal Defense Lawyers Association](#), and [The Norman S. Minor Bar Association](#).

Councilman Anthony Brancatelli Cleveland, Ward 12

I have spoken to numerous Residents, Block Clubs, as well as Social and Civic Organizations in an effort to get more voters focused on our Judicial elections. As noted at Judge4yourself.com, "The election of judges and the decisions they make can have profound consequences for us, our families, our businesses and our community. In our society, judges have been given enormous power. Only a judge can decide whether a convicted criminal is imprisoned and whether a jury must decide a civil claim." Our community should continue to stay involved and vote.

I am only listing the candidates rated Good and Excellent for the contested judicial elections November 6th, 2018.

### PLEASE REMEMBER TO VOTE FOR STATEWIDE CANDIDATES:

- FOR GOVERNOR - Richard Cordray
- FOR ATTORNEY GENERAL - Steve Dettelbach
- FOR AUDITOR - Zach Space
- FOR SECRETARY OF STATE - Kathleen Clyde
- FOR TREASURER - Rob Richardson
- FOR U.S. SENATOR - Sherrod Brown

# Maple Heights honors resident, business

By Judith Goldsworth

At the October 17th meeting of Maple Heights Council, Mayor Annette Blackwell gave special presentations recognizing longtime resident Bob Dober as the Maple Heights 2018 Citizen of the Year, and also recognizing Maple Heights Hardware, John S. Hegrat, president, as the Maple Heights 2018 Business of the Year.

Blackwell presented proclamations to both Dober and Hegrat, honoring them for their accomplishments and their continued work in the community.

Council passed no legislation at the meeting, voting to place all bills on its agenda on first reading.

One of the pieces of legislation is a resolution authorizing the mayor and other city officials to accept a donation of four unimproved parcels of land on a "paper street" portion of Mustang Drive, into the

land bank. The street off Thunderbird Drive and Turney Road is visible on maps but is not an actual street.

Mark Snider, owner of the four parcels, has indicated that he would like to donate the land to the city, the legislation states. The parcels are three single family residential lots and a small section of property around a cul-de-sac which Snider acquired when he built his home in 1978. When he sold the home later, the new homeowner did not want the extra parcels.

Also placed on first reading was a resolution authorizing Blackwell to enter into an agreement with Robert Crayton to sell him four unimproved vacant lots currently in the land bank along another "paper street," Glenburn Avenue, in the Lee-McCracken area, at \$1,500 per lot.

Also placed on first read-

ing by council were three resolutions, declaring three separate properties in the city to be "a structural/maintenance nuisance property."

The properties are located at 5117 Clement St., 5547 Oakwood Ave., and

14314 Krems Ave. City officials have reported that the properties have been determined "to be structurally unsound and not abated despite written notices from the Building Department to the property owner."

All of the legislation will be discussed by council before voting at a future meeting.

Cleveland police are searching for a man caught on surveillance camera footage breaking into a home in the 3600 block of E. 65th St. last week, according to Cleveland Police Sgt. Jennifer Ciaccia.

**Suspect**

Residents of the home said they received a call from their alarm company stating their back door alarm was going off last Tuesday, Oct. 23, around 11:45 a.m., according to a police report. They were not home at the time.

Police found the screen of a side window had been cut to gain entry and the window was left wide open. A rear window screen had also been cut but no entry was made due to the window being locked. Inside, residents said money was missing from a coin tray and a small dresser drawer had been taken that contained a pocket watch and foreign currency, according to the report.

Cleveland police are trying to identify the man they believe is responsible. Any-

one with information is asked to contact Fourth District detectives, 216-623-5400.

## Garfield Hts. police news

### Shots Fired

Police were dispatched to the area of Park Hts. and Plymouth Ave. on October 25th, around 10:05 p.m., after several residents reported hearing shots fired in the area. A home in the 10800 block of Plymouth was damaged in the gunfire. Residents said a bullet came through their window and was lodged in the wall.

While in the area, police were flagged down by patrons behind Mad Mike's Bar on Turney Rd. They said they also heard shots being fired and one of the rounds hit

the bar. A bullet hole was found in the second story siding of the bar.

Officers collected four spent casings found near a Dodge Caravan that was parked in the street in the 10800 block of Plymouth.

No other damage to homes or vehicles was found or reported, but several residents said they heard 4-6 shots

from two different types of guns and the sound of a car speeding off. Officers checked with area hospitals for shooting victims with negative results.
