## Suspect charged with murder in attack at gas station in Independence

Last Friday Independence Mayor Anthony Togliatti, along with Police Chief Michael Kilbane and United States Marshal Pete Elliot, held a press conference in council chambers regarding the apprehension of a suspect in the attack that critically injured Gary Power on Sunday, February 3.

Independence police officers discovered 83-year-old Gary Power of Fairview Park unconscious in the parking lot of a Rockside Road gas station across from the Holiday Inn about 1:48 a.m., as reported by Togliatti in his most recent Administrative Update.

Cronie Lloyd, 48, is charged with murder in the February 3 attack that critically injured Power, according to court records and cleveland.com., which also noted Power died two days later at MetroHealth Medical Center.

According to cleveland.com, both men had been at Club Impulse on Rockside Road but did not interact at the club. They left the club around the same time and got into a minor crash a short time later, Kilbane said at the press conference Friday, as reported by cleveland.com.

Lloyd waived his right to a preliminary hearing during his appearance Monday in Garfield Heights Municipal Court. His case was bound over to a Cuyahoga County grand jury, according to court records and cleveland.com.

"I would like to commend Chief Kilbane along with all the officers and detectives involved for their outstanding work. We could not be more grateful to have such a dedicated team keeping our community safe," Togliatti said.

Lloyd is being held on a \$3 million dollar bond, according to court records. His first appearance in Cuyahoga County Common Pleas Court will be Monday, Feb. 18.

## New Valley View K9 officer

Last week Valley View Mayor Jerry Piasecki, at left, swore-in K9 Officer Ricco to the Valley View Police Department.

Ricco was donated to the department by Buckeye Area Regional K9, along with all of the necessary training for the dog and his handler, Patrolman Ricky Crumbley, at right.

Also present at the ceremony was Skip Wilson from the Wilson Feed Mill, who will be donating all of Ricco's food and treats, as he did in the past with Valley View's first K9, Mika (Ret. 2011).

## Council approves EMS rate hike in Garfield Hts.

By Ellen Psenicka

Garfield Heights Council met Monday night and passed an ordinance to increase its rates for emergency medical services.

According to the legislation, municipalities traditionally review and increase rates every four years to correspond to the increasing cost of the services being provided; the city of Garfield Heights has not increased its rates since 2009.

Currently the city charges \$450 for Basic Life Support calls, \$550 for Advanced Life Support I calls, \$650 for Advanced Life Support II calls, and \$10 per mile travelled.

The new rates will increase to \$600 for Basic Life Support calls, \$750 for Advanced Life Support I calls, \$850 for Advanced Life Support II calls, and \$14 per mile travelled.

Officials pointed out that residents of Garfield Heights will not be affected by this increase.

At Monday night's meeting, three resolutions were also passed to:

- Ratify the appointment of Douglas Piascik to the Garfield Heights Planning Commission to fill the unexpired term of Elizabeth Jackson commencing immediately and ending December 31, 2020;

## Finance director gets okayed in Maple Hts.

By Judith Goldsworth

Maple Heights finally has a finance director. After a failed attempt to share the services of the Garfield Heights finance director, Mayor Annette Blackwell's appointment of Tinita Tillman to that office was approved by Maple Heights Council at its meeting last week.

Carl Macey had been serving as acting finance director last year, following Blackwell's firing of former Finance Director Tracy Smith, due to Smith's July 2018 indictment by the Mahoning County Grand Jury on felony charges of insurance fraud and tampering with evidence.

Smith is currently in a court ordered diversion program, in lieu of a prison sentence, according to Mahoning County Common Pleas Court records.

Maple Heights has been in a state of fiscal emergency, declared by the State Auditor's Office in 2015, due to budget deficits, and the city has been without an acting finance director to assist the city with the fiscal emergency since the beginning of this year, city officials stated.

"Mrs. Tillman has spent the last six years as an auditor for the State of Ohio, and is experienced and knowledgeable in auditing the financial statements of governmental entities, Ohio Budgetary Law which governs estimated receipts, appropriations and encumbering and compliance controls," Blackwell said.

Council also approved the only piece of legislation on last week's meeting agenda, which was a resolution authorizing Blackwell to enter into a Bus Shelter License Agreement with the Greater Cleveland Regional Transit Authority for a bus shelter to be constructed as part of the Lee-Libby Pocket Park in the city.

The project will be financed by a \$50,000 Cuyahoga County Department of Development 2018 Supplemental Grant, according to the resolution.

## Bald eagles nesting at CVNP; area nearby closed thru July

A pair of bald eagles has once again returned and is actively tending to its nest within the Pinery Narrows area in Cuyahoga Valley National Park (CVNP). To protect the eagles from human disturbance, the area surrounding the nest tree will be closed until July 31, 2019. This pair has nested in CVNP since 2007 and successfully fledged a total of 15 eaglets.

The Pinery Narrows area is north of Station Road Bridge Trailhead in Brecksville. The railroad tracks and a 30-foot right-of-way on either side of the tracks are closed to all pedestrian traffic from the State Route 82 bridge north to the Fitzwater Maintenance Yard for the Cuyahoga Valley Scenic Railroad. The Ohio & Erie Canal Towpath Trail, bridle trail and Cuyahoga River will remain open. However, the closure area may be expanded if needed to protect the eagles.

In late winter, eagles lay one to three eggs that are incubated for about 35 days. Eagle eggs are extremely sensitive to cold temperatures, so adult eagles must remain on the nest constantly. Human disturbance can disrupt this constant care, jeopardizing nesting success.

Please observe any posted restrictions within the eagle nesting zone. Although recently removed from the endangered species list, the bald eagle is still protected by the Bald and Golden Eagle Protection Act and the Migratory Bird Treaty Act. Both federal laws prohibit taking, killing, selling, or otherwise harming eagles, their nests or eggs.

## ODOT update:

## Garfield Hts. police news

On Tuesday, Feb. 5, police responded to DSR Enterprises on Canal Road for a theft of a catalytic con-

verter stolen from one of their vehicles. Approximate value \$1200. They do have cameras and will contact police with surveillance video.

Also on February 5, multiple car break-ins were reported on Park Heights, McCracken, Runnymede and Greenview.

# Bedford Council amends rec center rebate bill

By Judith Goldsworth

Bedford Council, at its meeting last week, passed an ordinance amending existing legislation authorizing the city to continue a rebate program for Bedford residents who register to become members of the Bedford Heights Community Center in neighboring Bedford Heights by implementing a time limit for the rebate request.

Through an agreement between the two cities, Bedford residents are allowed to become members of the Bedford Heights Community Center by paying the yearly membership fee, which allows them complete use of the facility.

The ordinance states that the city will provide a yearly rebate of \$50 to any Bedford resident or Bedford family that are members of the Bedford Heights Community Center.

The city will continue providing the rebate on a yearly basis, as long as Bedford residents furnish proof they have paid the membership fee. However, as amended, the legislation states that the rebate request must be submitted prior to the membership expiration date. Failure to submit the request prior to the expiration date will result in the loss of the rebate.

Two ordinances were also passed to rezone parcels of land from residential to automotive business district, regarding land being used by car dealerships.

Also passed was an ordinance for the city to accept Northeast Ohio Public Energy Council (NOPEC) 2019 Energized Community Grant funding. Mallis stated the grant was "right around \$45,000 for this year, similar to the grant received last year."

An ordinance to adopt the updated Solid Waste Management Plan for the Cuyahoga County Solid Waste Management District, from 2019 to 2033, was also approved. Mallis said that the city applied to the Solid Waste District for recycling grants.

## Forbes Rd. resurfacing

Mallis reported that the city has received what could amount to about \$200,000 in grant funding for street resurfacing from Cuyahoga County, stating, "We did receive notification on an application that we put in last year for the county, that offers a 50-50 matching grant for county roads... Forbes is a county roadway, however, half is in Bedford and half is in Oakwood."

"The project is roughly about \$390,000 to repave

Forbes Road. It's in poor condition and it needs to be addressed," Mallis pointed out.

He explained that the county notified Bedford it will cover close to \$200,000 of that resurfacing, and then the city would split the difference with Oakwood.

Mallis said, "It sounds like a really good project that we will most likely move forward with. However, we just need to look at some of the financials."

## New developments coming

At the council meeting Mayor Stan Koci reiterated some of the future developments projected for Bedford that he, along with Mallis, had mentioned in their State of the City Address on January 30th. He said Simon's Supermarket will be opening a new location in the Meadowbrook Shopping Center at Northfield and Rockside roads, Xellia Corporation will start production and will be hiring, and a new Mazda dealership will be built at Rockside and Northfield roads.

Koci also said that a movie production studio will be locating at the former US Bank mortgage department in Bedford.

## PUBLIC HEARING

A Public Hearing will be held on **Monday, February 25, 2019**, at 6:30 p.m., before the **Maple Heights Planning and Zoning Commission** in the Maple Heights City Hall Council Chambers, 2nd Floor, 5353 Lee Road, Maple Heights, Ohio, to consider the following application:

**2019-PZ-03** An Application from Craig Long of Big Truck Rehab Center, Inc. requesting approval of a conditional use permit pursuant to Sec. 1282.04(F) (Car Wash) and/or 1282.04(S) (Light Industrial Uses) and/or 1282.04(V) (Public Operations) to operate a cleaning and detailing business for commercial semi and dump trucks in a General Commerical (GC) Zoning District located in the Broadway Corridor Overlay (BCO) Zoning District at 16514 Broadway Avenue, Maple Heights, Ohio.

All persons and/or their representatives desiring to be heard are invited to attend. The applications and all supporting materials are available for review during normal business hours in the Maple Heights Building Department, 5353 Lee Road, Maple Heights, Ohio. Please call the Clerk's Office at least one week before the meeting at 216-587-9000 to arrange for handicap assistance to the second floor if necessary.
