Gun Buy Back announced *Gift cards available to those who turn in unwanted firearms*

Cleveland Mayor Frank G. Jackson and Chief of Police Calvin D. Williams have announced that the 2019 Gun Buy Back will be held this Saturday, October 19, beginning at 9 a.m. at Third District Headquarters, 4501 Chester Avenue, Cleveland.

In exchange for operable handguns or semi-automatic weapons, citizens will be given either a gas or food gift card valued at \$100 (handguns) or \$200 (semi-automatic weapons).

Cleveland Police have partnered with the Cleveland Police Foundation, ArcelorMittal, True North, Target and Burt Saltzman, owner of Dave's Supermarkets, to organize this year's Gun Buy-Back.

"Thanks to Cleveland's annual Gun Buy Back we have taken hundreds of guns off our streets," said Mayor Jackson. "This annual event helps to reduce gun violence and make Cleveland safer for everyone."

How to participate:

1. Bring a working handgun or semi-automatic rifle to Third District Headquarters this Saturday, starting at 9 a.m.
2. The weapon must be unloaded, in a clear plastic bag, and inside a second container (gym bag, backpack, etc.).
3. Transport the unloaded and properly bagged weapon locked in the trunk of your vehicle.
4. Pack ammunition separately. Non semi-automatic rifles and shotguns can be turned in but no incentive will be given for these weapons.
5. Cleveland police will inspect the weapon to ensure that it is operable.
6. After an officer determines that the weapon is operable a \$100 gift card will be given to those who turn in a handgun and a \$200 gift card to those who turn in a semi-automatic rifle.

Jury finds man guilty of killing Garfield teens

A jury has found Matthew Nicholson, 30, guilty of the murders of 17-year-old Manuel Lopez and his 19-year-old sister, Giselle Lopez, both of Garfield Heights, according to Cuyahoga County Prosecutor Michael C. O'Malley.

The jury found Nicholson guilty of two counts of aggravated murder, two counts of murder, two counts of felonious assault and one count of attempted felonious assault.

He could receive the death penalty, according to the prosecutor's office.

Fleet Ave. heats up with annual Kielbasa Cookout

Roasting smoked Polish kielbasa, Slovenian klobase and Hungarian kolbasz over an open fire to the sounds of live rock and polka; does it get any more Cleveland than that?

All are invited this Saturday, October 19, from 5 to 10 p.m. for the 3rd annual Kielbasa Cookout at 5708 Fleet Avenue, Cleveland. You'll be able to purchase already-heated sausage sandwiches, or roast them over three fire pits located throughout the festival grounds. Other ethnic tasties and plenty of beer and soft drinks fill out the menu.

Hosted by the Fleet Stakeholders with support from Slavic Village Development, join Slavic Village for an evening of family friendly festivities including raffles, kids' activities, and live music with The Good Knights (oldies, bluegrass, blues), Funny Business (beach-inspired rock), Blue Cadillac (classic rock), and the Tom Katrenich Orchestra (polka). Come hungry to taste the flavors of the neighborhood!

"Nicholson senselessly killed two young teenagers who had their entire lives ahead of them," O'Malley said. "His claim that he was the victim in this case was a feeble attempt to deny responsibility."

On Sept. 5, 2018, Nicholson argued with his girlfriend about a previous relationship and attacked her at her home on East 86th Street in Garfield Heights, according to the prosecutor's office. Her son, Manuel Lopez, intervened when the argument became physical. The mother separated them, and her son called police while Nicholson retrieved a handgun.

At this time, the woman's daughter, Giselle Lopez, had returned home from work and entered the home, according to the prosecutor's office. The mother instructed her children to run outside, and Nicholson fired 13 shots at them. Both suffered multiple gunshot wounds in the back. The male victim died at the scene, and the female victim was transported to the hospital, where she later died.

Nicholson was arrested after a four-hour standoff with the Southeast Area Law Enforcement SWAT Team.

Independence swears in 2 new police officers

By Danielle Toth

Independence Mayor Anthony Togliatti began the Oct. 8 Independence City Council meeting by swearing in two new police officers: Amanda Likes and Brian Shirk-Schmalenberger.

Police Chief Michael Kilbane was on hand to welcome the new officers to the city.

"This was a highly competitive process," he said. "Lots of people aspire to work for our department. People spend their careers here. We are a tight-knit group. We're more like family than a workplace. So I'd like to welcome our two new family members."

Service Director Leon Karas reported that leaf collection began and will run through Dec. 14, weather permitting. The department will do its best to collect leaves on regularly scheduled rubbish days, so residents should get their leaves to the curb as early and as often as they can, he said.

Fire Chief Steve Rega informed council that on Saturday, Nov. 9, from noon to 4 p.m., Independence firefighters will be at Drug Mart, 6160 Brecksville Road, for the fourth annual Stuff the Ambulance food drive.

"They will be collecting canned food and dry goods for

our local food bank," Rega said. "Please stop by with your donations. If you are unable to make it during this specific time and would still like to donate, food can also be dropped off at the fire department the week leading up to the event."

Council passed an ordinance accepting bids for snow removal services for both municipal lots and residents for the 2019-2020 season. During caucus, Vice Mayor Dave Grendel said the city paid \$58,226 for seven snow events last year but that the cost is estimated to be about \$500 more per event this year.

"You may qualify for snow removal services if you are over 60 years of age and with no able-bodied residents in the home, on disability under the age of 60 or active military personnel," Councilperson Kathleen Kapusta said. "If you have not already done so, please complete your application for services with the \$25 per season fee and drop it off at the Community Services Department. Please also carefully read the application form as it details how this service is provided."

Council also passed an ordinance approving the final plat dedication of the South Great Oaks Parkway and Acacia Court, Chestnut Woods Section 3, Phase 6, which

There are no fees for the classes. They are supported by

donors to the Fruitful Life Advantage Generativity, a nonprofit that helped get its start with Slavic Village Development and a \$4,000 grant from NeighborUp.

Register now for one of the informational events being held Monday through Saturday at different venues throughout Slavic Village.

See the Power of Thirty ad on Page 8 of this newspaper for meeting times, places and contact information for registration.

In other business, a motion was passed to authorize a quality assurance/quality control contract with David Lewyn Co. for oversight of the East 49th Street Slope repair not to exceed \$25,000.

Another motion OK'd hiring structural engineers for the Bacci Park Multi-Purpose Trail, Phase 3A, not to exceed \$50,000.

is the development of 13 residential single-family lots.

"This allows the developer to start the sale purchase agreements," City Engineer Don Ramm explained during caucus. "So, once we construct it and approve the plat with improvements, then we will dedicate it under the Phase 2 process."

Council approved an ordinance authorizing the mayor to submit an application to participate in the Ohio Public Works Commission State Capital Improvement and/or Local Transportation Improvement programs for capital improvements to Hillside Road's water line and culvert. This is a request for \$788,800 toward the \$2,320,000 project, Grendel said. Of the \$788,800, 50% is a loan and 50% is a grant.

Council approved a change order to the contract with

CT Consultants, Inc. for additional construction inspection services for infrastructure improvements in connection with the development of Chestnut Woods Subdivision, Section 3, Phase 5, in an amount not to exceed \$16,695.96 and for a total contract amount not to exceed \$136,695.96. This is 100% reimbursable by the developer, Ramm said.

Council also authorized a change order to the city's general construction engineering and inspection services contract with Environmental Design Group, LLC. This provides for additional construction management services in connection with the Brettin Drive Reconstruction Improvements project.

Council also authorized an increase in the amount of funds allocated to the general engineering and inspection services contract with CT Consultants, Inc. for additional professional general construction engineering and inspection services for 2019.

Council authorized a change order to the city's General

Construction Engineering and Inspection Services contract with QCI-CE, Inc. to provide general construction engineering and inspection services in connection with the Signal Service projects in an amount not to exceed \$15,000 and for a total contract amount not to exceed \$166,100.

Council also authorized a change order to the professional engineering services contract with Donald G. Bohning & Associates, Inc., in connection with the Upper Brookside Road Sidewalk Improvements project for additional surveying and engineering services.

Council approved two ordinances authorizing the mayor to enter into agreements with the Fraternal Order of Police Lodge #67: one for the supervisor's unit and one for the patrol officer's unit. This is for wage increases of 2%, 2.5% and 3% for the three years, Grendel said.

Letter to the Editor

10th anniversary for Cuyahoga Land Bank

Ground Zero. That is the unfortunate label that our Slavic Village neighborhood earned during the devastating foreclosure crisis of 2007. The crisis brought widespread abandonment, neighborhood blight, plummeting housing prices and social unrest. Fortunately, the Cuyahoga Land Bank was formed in 2009 to help communities like ours overcome these enormous obstacles.

Over the past 10 years, the Cuyahoga Land Bank's work has resulted in a total economic impact of over \$1.4 billion throughout the county.

Since its inception, the Cuyahoga Land Bank has demolished nearly 8,000 blighted and vacant houses — many of them in Slavic Village and its surrounding communities. The Cuyahoga Land Bank also facilitated the renovation of more than 2,100 homes and partnered with nonprofits to produce affordable housing for veterans, those transitioning from incarceration, single parents, legally resettled refugees and other special populations.

As Chairman of the Board of this remarkable organization, I have seen first-hand the enormous impact the Cuyahoga Land Bank has had on stabilizing neighborhoods. Two examples are: Newburgh Heights, where we demolished blighted homes for new construction and provided environmental services, demolition and land assembly for their new police station; and in Maple Heights, community partnerships helped renovate distressed homes that were saved and resold.

As it marks its 10th anniversary, the Cuyahoga Land Bank is celebrating by hosting an IMPACT! event on Thursday, October 17, at The Madison, 4601 Payne Avenue, Cleveland. We're looking forward to celebrating our successes of the last decade with our many civic, business and community partners. We hope you will join us as we prepare for the next chapter of IMPACT!

New Walgreens opening in Slavic Village across street from old location

Although Walgreens did not renew the lease on its 6410 Broadway Ave. location and will be closing, it is building a new store right across the street at 6401 Broadway Ave., next to the O'Reilly's Auto Parts that is currently under construction, according to Ward 12 Councilman Tony Brancatelli.

While the new store is being constructed, Walgreens will open its pharmacy in a temporary trailer so there is little customer disruption, he said.

"We are excited that Walgreens is building a new, more efficient store on Broadway Avenue in Slavic Village, retaining its first-class pharmacy, which is an important need in this neighborhood," Brancatelli said.

Community police reports

Garfield Heights OVI

On Oct. 12 at about 7:10 p.m., police responded to the intersection of McCracken and Turney roads for a report of a motor vehicle accident with a pedestrian struck. The driver said he was traveling southbound on Turney Road when he began to turn left onto McCracken. He said north and southbound traffic had green traffic signals, and he believed he was clear to make the turn. However, as he turned, the driver observed a woman walking her dog. He said he tried to stop but was unable to do so and struck the woman. Police observed a strong odor of alcoholic beverage coming from the man. He failed sobriety tests and was arrested for OVI. The woman, who was able to stand without assistance, was transported to Marymount Hospital for treatment.

Shoplifting

On Oct. 11 at about 8:50 a.m., officers responded to Boulevard Convenient at 8808 Garfield Blvd. for a shoplifting report. The owner followed the suspect north-

bound on East 88th Street. Officers could not locate her, but she returned to the store a short time later. She said she believed the suspect, who had stolen liquor from the store before, had stolen from the store again. She confronted him, and he squeezed past her and ran through nearby backyards as she followed him. She lost him and returned to the store.

Police viewed surveillance footage that showed the man steal a large bottle of vodka. Hewas arrested at his home. The case was referred to the city prosecutor.

Aggravated robbery

On Oct. 10 at about 12:15 a.m., police responded to the Save a Lot parking lot in Garfield Commons on Rockside Road for an aggravated robbery report. The victim said he got out of his car to use the ATM. An unknown man wearing a black ski mask ran up to him with a gun and ordered him to the ground. He then demanded the man's ATM card and PIN. However, the suspect was unable to make a withdrawal so he threw the card on the ground, took \$140 from the man's wallet and fled.
