## Garfield Hts. Council raises pay for union, non-union employees

By Ellen Psenicka

Garfield Heights Mayor Vic Collova, during his report at the regular meeting of city council Monday night, said the legislative agenda would include "well deserved" 2% raises for union and non-union city employees, which were ultimately passed that night by council members.

He said these employees had not received a significant raise in the past two years.

The following ordinances were passed at Monday night's meeting:

- To increase the number of captain positions by one and decrease the number of lieutenant positions by one now permitted in the Garfield Heights Fire Department;

- To authorize an amendment to the Collective Bargaining Agreement between the city and Local 2729 and Council 8, AFSCME, AFLO-CIO to allow for a 2% pay raise retroactive to Jan. 1, 2020;

- To amend and supplement the city's plan of classification and compensation for non-union employees to allow for a 2% pay raise;

- To accept the Northeast Ohio Public Energy Council Energized Community Grant for 2020. The city is eligible to receive \$74,558.

- To enter into an agreement with Perk Company,

Inc. to perform immediate action to remove the blockage of the Canal Road storm culvert at Old Granger Rd. and Canal Rd. Service Director Tim McLaughlin said the blockage is affecting several businesses in that area.

Social Services Director Kathy Rush-Parsson announced at the meeting that the Feb. 18 Cleveland Food Bank Senior Market Produce Giveaway at the Garfield Heights Civic Center has been cancelled. She said the reason for the cancellation was that the elevator in the Civic Center is not working. It is expected that the elevator will be up (and down) and running prior to the produce giveaway on March 17, but notifications will be sent out.

Ward 4 Councilwoman Shayla Davis said she is hosting a CPR class on Saturday, March 7, from 1-4 p.m. at Fire Station #1, 5115 Turney Rd., for ages 13 to adult. Registration is required by emailing: sdavis@garfieldhts.org. Send your name, address, phone number and age. Only 30 spaces are available. The course is free but there is a \$5 charge to receive certification.

Fire Chief Ken Strobe said the American Red Cross will be giving away free smoke detectors to Garfield Heights residents who request them, while supplies last. Call the Red Cross Hotline if interested.

## Senior levy renewal on August ballot, Stafford Park Pool improvements OK'd by Maple Heights Council

By Judith Goldsworth

A renewal of an existing 1.3 mill tax levy benefiting the Maple Heights Senior Center, to appear on the August 4, 2020 ballot, and improvements to the Stafford Park Pool, with the goal of opening it back up to residents in the near future, were among the legislation approved by Maple Heights Council at its meeting last week.

Council approved the resolution to submit to Maple Heights voters the renewal of an existing 1.3 mill levy, "for payment of current expenses and general operations of the Maple Heights Senior Center," for another five-year period. The renewal was last approved by voters in 2015.

Last month the county fiscal officer noted that the dollar amount of revenue that would be generated by the levy would be \$336,876 annually during the life of the levy.

To help fulfill Mayor Annette Blackwell's stated intention to reopen Stafford Park Pool to residents, council passed two pieces of legislation last week for a Spray Ground Isolation Fence and a pool water main replacement project, as part of the Stafford Park Pool Rehabilitation Project, to be funded by Cuyahoga County Department of Development Supplemental Grants (CDSG).

Great Northern Fence Company submitted the lowest and best proposal for the isolation fence, at a cost of \$10,996; and Terrace Construction Company Inc. submitted the lowest and best proposal for the water main repair project, at a cost of \$8,257.52, according to the legislation.

## Victim in critical condition after M.H. bar shooting

Last Sunday at about 2:20 a.m., the Maple Heights Police Department received a report of shots fired at Politics Lounge, 5120 Warrensville Center Rd. The caller also stated there was a male lying on the ground in the parking lot, according to a press release from the Maple Heights Police Department.

A 28-year-old Cleveland resident, identified as Eric Tyson, received a gunshot

wound to his left shoulder, police said. Treatment was provided at the scene prior to being transported by the Maple Heights Fire Department to Metro Hospital for treatment, where he is currently in critical condition.

The Maple Heights Police Department is conducting an ongoing investigation.

Anyone with information related to this case is urged to contact the Maple Heights Detective Bureau at 216-587-9624 or by email at Detectives@mhpd-ohio.com. As always, information can also be supplied to Crime Stoppers.

## Economic development director approved

At last week's meeting, council also voted to approve the appointment of Patrick Grogan-Myers as economic development director for the city, Council Clerk Leonette Cicirella stated.

Grogan-Myers will receive an annual salary of \$75,000, plus a bonus of \$2,500 should he bring in new businesses to the city generating a minimum of \$100,000 in payroll.

Passed was an ordinance to once again waive the 100% escrow requirement to correct violations resulting from point of sale inspections for the period from Jan. 1-Dec. 31, 2020.

## Bedford Council accepts \$43,000 NOPEC grant

By Judith Goldsworth

The city of Bedford is continuing its goal of making energy-related improvements in the community following council's passage of an ordinance to accept an additional \$43,000 grant from the Northeast Ohio Public Energy Council (NOPEC) at its meeting last week.

The 2020 Energized Community Grant is offered to communities by NOPEC to make various energy improvements such as upgrades to municipal buildings and streetlights.

Council also passed an ordinance authorizing an annual updating of various ordinances of the city of a general and permanent nature and also passed amendments to those needing changes to conform to state law.

Also approved was an ordinance amending previous legislation to establish pay ranges in the city.

"We have two positions that we have in the city, program coordinator and building clerk, where we had to classify that for pay ranges for entry as well as life insurance clarification that we needed in the ordinance," Finance Director Frank Gambosi said.

Council moved to accept a January 28, 2020 recommendation by the Board of Zoning Appeals regarding Dustin James, representing Education Alternatives at 1160 Northfield Rd., to approve a variance of a city ordinance to get bigger signage than the city allows.

Assistant Bedford Fire Chief Shawn Solar had announced he is retiring from the job and all the city officials present at last week's meeting wished him well in his retirement.

## State of City address

The State of the City address will be held this Thursday, Feb. 13, at Light of Hearts Villa, 283 Union St., at 12:30 p.m.

There are also ward meetings coming up in the city, to be held at City Hall, 165 Center Rd. Wards 1 and 4 will meet on Monday, March 23; Wards 3 and 5 will meet on Monday, March 30; and Wards 2 and 6 will meet on Monday, April 27, with all meetings starting at 7 p.m.

## Correction

In the Fleet Avenue News ad in last week's paper, an incorrect date for Saucisson's monthly brunch was submitted. The correct date is Sunday, Feb. 16, from 10 a.m. to 2 p.m.

## Talk on hearing health

"Aging in Place," a talk by Dawn Tucker, BC-HIS, and Dr. McGowan from Beltone Hearing, will be held on Tuesday, Feb. 25, at 6:30 p.m. in St. Benedict School cafeteria, 13633 Rockside Rd., Garfield Heights, adjacent to St. Monica Church. Come and learn how important your hearing is to your health. Free to all. Call 216-662-8685 to register.

## Senior levy

(Continued from Page 1)

The escrow waiver was initially established in 2017 legislation "to promote and encourage individuals to purchase and renovate residential properties" by waiving the 100% escrow requirement. The waiver is authorized, "so long as the purchaser actually occupies such residential property," the ordinance states.

## NOPEC grant accepted

Council also passed an ordinance accepting a Northeast Ohio Public Energy Council (NOPEC) 2020 Energized Community Grant, which can be used towards energy related improvements in the city, such as traffic signal upgrades, electrical upgrades, LED signs and other items and services.

## Employee-related legislation passed

Council passed three ordinances related to employees of the city, including legislation amending the codified ordinances to reflect changes in the medical insurance plan and to offer non-bargaining unit em-

ployees the option to opt out of the city's medical, dental and vision insurance plans, "in consideration of receiving a monthly payment of \$200.

A second ordinance authorizes Law Director Frank Consolo to offer bargaining

unit employees the same option, to opt out of medical, dental and vision insurance plans, in consideration of receiving the monthly \$200 payment.

And the third ordinance amends and restates the authorized pay schedule for

non-bargaining unit city employees to add the positions of "Data Entry (Records)" and "Special Police Officer" and the respective pay ranges for these positions, according to the legislation.

Dear Heart of Jesus, in the past, I have asked for many favors; this time I ask you for this special one (mention favor). Take a dear Heart of Jesus and place it within your heart where your Father sees it, then in his merciful eyes, it will become your favor, not mine. Amen. Say this prayer, 3 times for 3 days and your favor will be granted. Never known to fail. Must promise publication of prayer.

Rebecca Groth chose Tri-C for its high-quality academics and exciting internship opportunities

Even though Rebecca did well with her studies, she didn't know if college was right for her. After taking a few classes at Cuyahoga Community College, she realized just the opposite. The support services and scholarships available to her at Tri-C provided the tools for her success. As a student in the Mandel Scholars program, Rebecca built the leadership skills she needed to be confident in her transition to a four-year college.
