## From the Mayor's Desk

### Keeping safe is our highest priority

By Garfield Heights Mayor Vic Collova

To ensure the safety of the residents of Garfield Heights, I want to assure everyone that myself, my staff and our city council members are committed to following all the guidelines set forth by Ohio Governor Mike DeWine during this pandemic crisis. We also are trying to maintain city services as well as possible under some very trying challenges to protect the health of our community and our employees. Keeping safe is our highest priority.

The Garfield Heights Civic Center has been closed to the public for the last five weeks and will continue to be closed until we get the "all clear" from state of Ohio officials.

The Garfield Heights Service Department is staggering workers' shifts to maintain the proper social distancing as much as possible. Our clean up and grass cutting normally is done by a Court Community Service crew. Unfortunately the program has been temporarily suspended due to the court being closed. Therefore, we are working to tap into other options to maintain city properties including our outdoor recreation areas.

The Dan Kostel Recreation Center will remain closed and all summer activities have been canceled. We hope to reopen for winter activities including ice skating lessons and hockey.

Our whole world has been turned upside down during this pandemic, including the city of Garfield Heights. I assure everyone that our goal is to provide needed services for our residents, but I also plead for your patience. These are very challenging times.

## Sentenced in pet store break-in

In the courtroom of Judge Shannon Gallagher last Friday, Ronald Hairston was sentenced to two years in jail after pleading guilty to breaking and entering, theft and disrupting public services in a case involving Neighborhood Pets on E. 65th St. in Slavic Village, and two other theft incidents, with sentences in each separate case to run concurrently.

"Thank you to 4th District Commander Brandon Kutz and his officers for their investigation and arrest," said Ward 12 Councilman Tony Brancatelli. "And to prosecutor Megan Helton and Judge Gallagher for standing up for our small businesses suffering by this criminal activity."

Both Rebecca Britton, director of Neighborhood Pets, and Brancatelli testified in court Friday to the negative impact this criminal activity has had in the Slavic Village community.

## Garfield Muny Court begins surrender program for those with warrants

The Garfield Heights Municipal Court has started the E-Safe Surrender Program during this COVID-19 public health emergency effective now thru July 30, 2020. It works like this.

Rather than surrendering to the police or court in person, anyone with an outstanding arrest warrant who has not complied with probation or a payment plan now has three ways to clear his/her case.

- The person may now surrender via email at safe@ghmc.org.

- Their case can be taken care of over the phone by calling the Garfield Municipal Court at 216-475-1900, Monday through Friday, between 8:30 a.m. and 3:30 p.m.

- Or the information can be mailed to the Clerk of Court, 5555 Turney Rd., Garfield Heights, Ohio 44125. The person needs to provide the Court with his/her current mailing address, email address, telephone number, text number, the last four digits of his/her Social Security number, date of birth and all known case numbers.

The Court will recall any warrants immediately without any appearance and without payment of any

## Bulldog Pride shines from front porch music class

An amazing "Front Porch Music Class" took place last Friday, April 24, in which scores of Garfield Heights students, teachers and family members proudly and exuberantly sang along to "Three Little Birds," a tune by Bob Marley, with the leadership and guidance of Elmwood Elementary teacher Christopher Eppley.

"This event represented a way for the students, staff and community of the Garfield Heights City Schools to remain connected," said Superintendent Chris G. Hanke.

"In addition, we thank our teachers for creative ideas such as this to make learning special and memorable for our students."

Hundreds of students emerged on their respective front porches at 1 p.m. Friday, and cued the song and video which was created by Eppley and his two daughters, Luca and Lydia, and then began singing for everyone in their neighborhoods to hear.

Students past and present have a deep connection with this song through Eppley from over the years. Organizers said Friday's event represents the love, support and overall Bulldog Pride that exists in the Garfield Heights community.

Thanks to all who participated.

Nichelle Daniels, member of the Garfield Heights Board of Education and mother of eight children, happily participated in Friday's Front Porch Music Class from her Sladden Ave. home.

## Bill to establish COVID-19 Emergency Relief Fund in Independence needs more discussion

At its April 14 meeting, held virtually, Independence City Council passed a variety of legislation which included an ordinance authorizing funding for emergencies and other catastrophic events, but removed from the agenda an ordinance to establish a city COVID-19 Emergency Relief Fund for citizens and businesses affected by the COVID-19 virus protections for further discussion.

The following were all passed by council last week:

- Renewing a contract with Qwestcom Graphics for printing of the Community Spotlight and the city's newsletter for the period July 1, 2019, through June 30, 2021, at the same prices as originally bid, not to exceed \$75,000;

- Accepting the bid of Kokosing Materials, Inc. to purchase asphalt paving materials on an as-needed basis for 2020, in an amount not to exceed \$10,000;

- Accepting the bid of Specialized Construction, Inc. for the city's 2020 Crack Seal Program contract not to exceed \$138,380;

- Accepting the bid of Geotech Services, Inc. for the 2020 Creek, Utility and Infrastructure Maintenance and Repairs Contract, not to exceed \$200,000;

- Accepting the bid of Catts Construction, Inc. for the

2020 Creek, Utility and Infrastructure Maintenance and Repairs Contract, not to exceed \$200,000;

- Continuing the appointment of Gregory J. O'Brien as the city's law director and Taft Stettinius & Hollister LLP as the city's law department;

- Authorizing a change order to the agreement with Fabrizio Trucking & Paving for the Rockside Woods Boulevard North Road Extension Improvements (Part A) and Brecksville Road Improvements (Part B), for an added amount not to exceed \$300,000;

- Authorizing a change order with Catts Construction for the Lafayette Subdivision Improvements Project in an added amount not to exceed \$150,000;

- Authorizing the mayor to make a payment of \$229,489.66 to J.D. Williamson Construction Co., Inc. for extra work performed on the Hemlock All-Purpose Trail Project.

monies. The Court will set up a telephone conference within 48 hours and attempt to resolve the matter without an in-person court appearance.

"People should try to clear up warrants now while they are sheltering in place. By the time people are called back to work, they can clear up their legal problems," GHMC Judge Deborah Nicastro said.

E-Safe Surrender benefits include being free of the warrant and possible arrest; being able to reinstate driver's licenses with the OBMV; receiving credit for accepting responsibility for his/her actions at the time of sentencing; asking the Court to reevaluate unpaid fines and costs based on the impact of the COVID-19 pandemic; asking the Court to complete community control sanctions in lieu of a jail sentence; and being returned to probation to complete rehabilitative programs rather than going to jail.

## Valley View Council news

The Village of Valley View Council met last month and passed the following legislation:

- To enter into a general agreement between the U.S. Department of the Interior National Park Service and the Village of Valley View Police Department regarding law enforcement assistance.

- To enter into an agreement with Cuyahoga County to consent and cooperate with the county in repairing the Hillside Road Bridge, an ODOT project.

- To upgrade guardrail end treatments on Rockside Road in Valley View as part of a larger ODOT project to upgrade guardrail end treatments on national high system routes within Cuyahoga and Lake counties.

- To authorize the mayor to enter into a grant agreement administered through the Pre-Disaster Mitigation Grant Program Fiscal Year 2018.

- To designate Paul Dey as the project manager and person responsible for implementing the FEMA Hazard Mitigation Grant Program on behalf of the village.

- To rename Fund 409 Capital Projects FMA 2014 Fund

to Fund 409 Capital Projects Pre-Disaster Mitigation 2018 Fund.

- To renew the annual membership in the Southwest Enforcement Bureau at a cost of \$22,500, an increase of \$2500 from 2019.

- To authorize Fire Chief Ken Papesh to hire the Geopfert Company for various repairs to the HVAC system at the Safety Center at a cost of \$11,605.

Chief Papesh reported that he was very proud that the ISO (Insurance Services Office) rating for the Valley View Fire Department had changed from a Class 3 to a Class 2. He said his department had been working very hard on their training and certifications to make this happen.

The ISO rating ranges from 1-10, with one on the scale considered "superior," and 10 meaning it does not meet the minimum standards.

## Laws of the Land in Garfield Heights

Do you live in Garfield Heights and have a question about its ordinances - what may or may not be legal in any

given circumstance? This column will answer your questions with the help of members of Garfield Heights City Council.

**Answer** – You CANNOT park tow trucks, dump trucks, etc., in your drive or yard. Likewise, commercial vehicles CANNOT be parked on any street in residential areas at any time unless the operator is rendering a service to a resident in the area.

You may park a panel or pickup truck, having a gross vehicle weight of less than 4000 pounds that you use in connection with your livelihood, inside a garage during the hours it is not in use. You may NOT drive the vehicle over your neighbor's lawn and it must not make loud noises during the late evening or early morning hours.

You may NOT park a school bus, commercial tractor, truck, panel truck, jeep-type truck, bus trailer, semi-trailer, pole trailer or moving van on any street between one hour after sunset and one hour before sunrise. **Ordinance Sections 1143.01 (c)(5) & 351.14.**

## Boys & Girls Club mentors go online to connect with members

Nearly 2,000 kids a day were suddenly without contact with a group of caring adult mentors when Boys & Girls Clubs of Northeast Ohio was forced to temporarily close sites due to the health crisis.

Now they are reconnecting, virtually.

Early this month, BGCNEO launched Cyber Club, a daily digital menu of activities and programs that are aligned with the organization's focal points: academic success, healthy lifestyles and character development. Best of all, the virtual programming features some of the same youth development professionals kids are used to seeing after school.

Kids and family members can check out the links at [www.bgcneo.org](http://www.bgcneo.org).

"We wanted to keep our connection with Club members by offering content that is not only in line with our mission but is also interesting to them," said Allen Smith, chief programs officer for the Clubs in Cleveland. "Many of the videos feature staff members from around our region, so kids are able to see and hear from some of the mentors they know and trust."

The daily digital menu will include a welcome message, daily fitness challenge, arts and science activities and knowledge-boosting programs.

## Mother's Day Brunch

Here's some delicious recipes to get you started - all taken from "The Neighborhood News 80th Anniversary Cookbook."

### Blueberry-Lemon Tea Bread

½ cup butter or margarine, softened  
1 1/3 cups sugar  
2 cups all-purpose flour  
2 tsp. baking powder  
½ tsp. salt  
2 large eggs  
½ cup milk  
1 ½ cups blueberries, fresh or frozen  
¼ cup fresh lemon juice

In a large bowl with mixer at low speed, beat margarine and 1 cup of the sugar, just until blended. Increase speed to medium, beat until light and fluffy, about 5 minutes. Meanwhile, in a medium bowl, combine flour, baking powder and salt. Reduce speed to low and add eggs, one at a time, beating after each addition until well blended,

scraping sides of bowl occasionally. Alternately add flour mixture and milk, mixing just until blended. Gently stir in blueberries. Spoon batter into 9x5-inch loaf pan that has been greased and floured. Bake at 350-degrees for 65 minutes, or until toothpick inserted in center comes out clean. Cool loaf in pan on wire rack for 10 minutes, then remove from pan. With skewer, prick top and sides of warm loaf in many places. In small bowl, mix lemon juice and remaining 1/3 cup sugar. With pastry brush, brush top and sides of warm loaf with lemon glaze. Cool on wire rack.

1 T. baking powder  
½ tsp. baking soda  
1 T. brown sugar  
1 egg  
1 cup buttermilk  
¾ cup applesauce  
1 apple cut into small slices  
2 T. melted butter or margarine  
¾ cup diced ham

In a bowl combine flour, baking powder, baking soda and brown sugar. In a small bowl, beat egg and combine with buttermilk, applesauce, sliced apple, butter. Add to flour mixture and fold in ham.
