Bedford receives \$381K for coronavirus relief

By Judith Goldsworth

Bedford Council, at its teleconference meeting Monday, approved legislation to set up the Local Coronavirus Relief Fund as a special revenue fund for the \$381,147.06 the city has received from the federal government.

The city received the funding as part of the CARES (Coronavirus Aid, Relief and Economic Security) Act, signed into law in March to help municipalities impacted economically by the COVID-19 pandemic.

State law requires the city to establish the special fund to account for transactions associated with local coronavirus relief funding.

Council also passed an ordinance amending the city's existing appropriations ordinance for the year 2020, with Finance Director Frank Gambosi stating that the coronavirus funding itself was being approved through that legislation.

He said that other grants and funds were also approved through the appropriations legislation, including a Southeast Area Law Enforcement (SEALE) 2020 Recovery Ohio Grant funding at around \$20,000; Health and Human Services CARES Act Relief Funding in the amount of \$11,342 towards COVID-19 related ambulance runs; and \$5,500 from the Eagles club for the Bedford Police Dept.

Also included in the appropriations funding, Gambosi stated, were monies for cameras to be installed around City Hall, the Wastewater Fund, Wood Creek Trunk Project and \$172,258 for money that SEALE confiscated, working with other agencies, some of which will be going to Bedford.

Also on agenda

Council also passed an ordinance declaring the property and structure at 38 Ennis St. a nuisance, and condemning the property due to its deteriorated and unsafe conditions.

Also passed was legislation to adopt new language into the city's codified ordinances to conform to state law. Mayor Stan Koci said this is routine and done periodically.

Updates

In his report to Council, City Manager Mike Mallis said that construction projects would be taking place in the city, including road work on Powers Rd. and Forbes Rd.

Also the demolition of the former St. Peter Chanel High School building on Northfield Rd. has been moved "roughly to July 15" by the Land Bank, Mallis said.

He also noted that residents would also be receiving notices regarding "smart meters" for electrical use being installed by the Illuminating Company at residences, and that the new officer in the city's K-9 Unit had just completed training, bringing the police department's K-9 units to two.

Regarding the ongoing extreme heat in the Northeast Ohio area and its possible effects on senior citizens who might not have access to air conditioning, Mallis encouraged residents to look in on their elderly neighbors, and also stated that daily "wellness checks" were available from the city.

Garfield Hts. schools may be in-person or virtual this fall; public meeting Monday

The Garfield Heights City School District plans to offer parents a choice this fall when schools reopen for the new academic year, with students either signing up for the traditional in-person school day or the Bulldog Digital Academy, the District's online learning platform.

The virtual online learning academy will serve students who need an alternative to the brick-and-mortar school experience, or who are better served working at their own pace.

After surveying parents, district officials said more than 61% said they would be interested in having their children attend school online this coming fall. Since some families have concerns about sending their children to school for health reasons, the District said it wanted to be proac-

tive in providing families with an alternative option.

The Digital Academy is a fully online educational opportunity open to students of all ages, grades and learning aptitudes so that they can receive the full benefit of the District's curricular opportunities in a physi-

cally safe environment, officials said. They noted that a rigorous curriculum will be combined with traditional standards and will be open to students grades K-12.

Schools Superintendent Chris Hanke said a public workshop will be held by the Garfield Heights Board

of Education this Monday, July 13, starting at 6 p.m., to provide feedback, insights and input on the Bulldog Digital Academy.

The meeting will take place via Zoom, and residents should check the home page of the Board's website for log-in credentials: www.garfieldheightscityschools.com/board.aspx

The plan will be voted on by the Board at its regular meeting on Monday, July 20.

Gov. DeWine mandates masks for Cuyahoga, six other counties

Ohio Gov. Mike DeWine yesterday on Twitter announced that the Ohio Department of Health is issuing an order effective at 6 p.m. today, Wednesday, July 8, to mandate face coverings in public in all counties that are designated Red Level 3 Public Health Emergency Alert: Butler, Cuyahoga, Franklin, Hamilton, Huron, Montgomery and Trumbull counties.

People in these counties must wear masks when:

- They are in any indoor location that is not a residence.
- They are outdoors and are not consistently able to maintain a distance of 6 feet or more from individuals who are not members of their household.
- They are waiting for, riding, driving or operating public transportation, a taxi or private car service, or a ride sharing vehicle.

The order does not apply to children under the age of 10 or any other minor who cannot safely wear a face covering.

Cleveland Mayor Frank G. Jackson last Friday signed an order requiring the use of masks, among other things, throughout the City of Cleveland. Cuyahoga County Executive Armond Budish had announced his intent to bring before Cuyahoga County Council legislation this week mandating the use of masks in the county's public spaces.

"The spike in coronavirus cases across the City of Cleveland warrants the mandated use of masks," said Mayor Jackson. "If Clevelanders do not heed these critical warnings and prevention efforts, the effects will be disastrous to the economy and, most importantly, to individuals and families. No one is immune to this virus."

New impacts of ODOT bridge work

Continuing work on the I-480 Valley View Bridge deck replacement will make the following impacts on traffic patterns this week.

• I-480 eastbound between Transportation Blvd. and I-77 will have the right two lanes closed on Thursday, July 9, between 7 p.m. and 6 a.m. for overhead sign work.

• I-480 eastbound to the Transportation Blvd. ramp will be closed on Thursday, July 9, between 7 p.m. and 6 a.m. for overhead sign work.

Letters to the Editor

Free legal help now available when for residents facing eviction

Equal access to justice for all is the foundation of American democracy. Yet, the United States ensures no protections for civil legal issues such as evictions. In these cases, the basis for a thriving family is often in the balance – and without access to an attorney, many people are unnecessarily plunged into deeper instability. Thankfully in Cleveland, more families now have access to crucial legal representation that can protect them from losing their homes.

Cleveland recently established a right to counsel (RTC) for low-income tenants facing eviction. Effective July 1, 2020, tenants at 100% or below of the federal poverty guidelines who have at least one child in their household

have access to free legal counsel.

In Cleveland, about 9,000 evictions are filed each year. Only 1% to 2% of tenants facing eviction are represented by legal counsel, whereas most landlords can afford a lawyer. Cleveland's new RTC law, the first such law in the Midwest, will help balance the scales of justice.

The Legal Aid Society of Cleveland began examining the merits of a right to counsel in Cleveland in 2018 thanks to a grant from the Sisters of Charity Foundation of Cleveland's Innovation Mission. From this platform, the Housing Justice Alliance was created. The Alliance is led by Legal Aid attorney Hazel Remesch and an advisory committee which includes low-income community members, representatives from the Cleveland Metropolitan Bar Association, and city leaders — including Council President Kevin Kelley and Ward 12 Councilman Tony Brancatelli. The signing of Cleveland's RTC is the culmination of the Alliance's work.

The United Way of Greater Cleveland is working with Cleveland City Council to lead and implement the new legislation. The Legal Aid Society of Cleveland is contracted with United Way to provide legal representation.

Legal Aid is now ready to provide those who qualify for RTC with high-quality legal representation via its experienced staff, pro bono attorneys and other subcontracted entities.

If you need legal help, call 216-687-1900 to get assistance. You can also apply 24/7 for help online at www.lasclev.org.

Sincerely,

Danilo Powell-Lima

WHAT IS AMERICA?

Beware you who are destroying cities, neighborhoods, statues of people who were before you. They had dreams of doing good for all races. They believed in Hope. What good will it be when this is gone, will be too late. These are negative ideas. Look at countries that have nothing to look forward. No dreams. Go through and look at what the dreams made America. What will your children see when you destroy dreams?

Businesses moving in, economic development continues in Maple Hts.

By Judith Goldsworth

Even in the midst of the COVID-19 pandemic and its resulting financial impact on communities, a number of businesses, including a sanitizing products manufacturer, a senior-focused health care facility and a new owner and operator for a longtime mainstay farmer's market are coming to Maple Heights, Mayor Annette Blackwell and Economic Development Director Patrick Grogan-Myers announced at council's teleconference meeting last week.

On Monday, June 29, GOJO Industries, an Akron-based manufacturer of Purell, announced the purchase of a 325,000-square-foot facility at 5700 Lee Rd. South, the former Blue Coral plant, to manufacture Purell surface spray and bring 100 jobs to the city.

Also on June 29, ChenMed, a senior focused primary care group, announced that it will be opening up a new location in the Walgreens Pharmacy building at 5264 Lee Rd., Grogan-Myers reported at last week's meeting.

ChenMed, a Miami-based provider of services for low income seniors, plans to open 15 new Dedicated Senior Medical Centers throughout the country in the next 20 weeks, with the Maple Heights facility opening its doors to patients by Monday, November 9, according to a company press release.

And the Farmer Jones Indoor Market, which closed its doors in May after more than 60 years of service to the community, will be reopening again in the near future, Blackwell and Grogan-Myers reported, after local attorney and entrepreneur George T. Simon bought the location.

Simon has recently identified an operator for the market, the Rid-All Green Partnership, which was started by childhood friends and G. Keymah Durden, Randy McShepard and the late Damien Forshe, who grew up together in

Cleveland's Lee-Miles neighborhood, Blackwell stated.

"The city is overjoyed that George Simon and Rid-All Green Partnership are partnering to keep the market operating and offering our residents fresh produce all year round. Access to fresh produce is vital to a healthy and thriving community," Blackwell stated, adding that Farmer Jones Indoor Market is planning to reopen under Rid-All's management in late July or early August.

Legislation passed

Council approved a motion authorizing Blackwell and Police Chief Todd Hansen to accept a U.S. Department of Justice COPS (Community Oriented Policing Services) Hiring Program Grant award for two police officer positions, and \$572,124 in federal funds for the time period of July 1, 2020 through June 30, 2023.

The local match requirement for this grant has been waived, according to the motion, which also authorizes Finance Director Tinita Tillman to establish a special revenue fund for receipt of the award monies. "This is excellent news," Hansen stated.

Council passed legislation to amend the codified ordinances raising the amount of expenditures requiring council approval from \$1,000 to \$3,500.

Also approved was an ordinance adopting the alternative tax budget information of the city for the fiscal year beginning Jan. 1, 2021, and to submit it to the Cuyahoga County Budget Commission; and a resolution determining that city-owned unimproved residential lots on McCracken Road are no longer needed by the city. Passage of this legislation will allow adjacent property owners to purchase the land "to improve the neighborhood."

A resolution declaring racism a public health crisis in the city as "minorities are more impacted by daily chal-

lenges and inequities such as crime, education, food access, health behaviors, access to health services, housing, socioeconomic status and public safety," was placed on first reading and into committee for further discussion.

Also placed on first reading and into committee was an ordinance amending the codified ordinances concerning solicitors and peddlers and establishing a "Do Not Knock" registry in the city.

Announcements

Blackwell said she will be participating in a Town Hall meeting at Valley View Village Church on Wednesday, July 22, to discuss healing in local communities, in the wake of the ongoing civil unrest in the country.

Tillman stated that the city had received a deposit on Tuesday, June 30, into the new Corona Relief Fund in the amount of \$975,198.46, from the federal Coronavirus Aid Relief and Economic Security Act funding through the Cuyahoga County Coronavirus Relief Distribution Fund. The money will cover expenses "that are necessary expenditures incurred due to the public health emergency with respect to COVID-19."

Blackwell also released information from the Cleveland Housing Network and Emerald Development & Economic Network, Inc. on COVID-19 rental assistance funded by the city of Cleveland and Cuyahoga County, which is designed to help county residents who are having difficulty making rental payments due to the economic impact of the pandemic, and who meet income eligibility requirements. Those interested in applying can apply at www.neorenthelp.org.

Human Services Director Linda Vopat stated that the senior van service, which had been stopped earlier in the year due to the pandemic, was back in operation with precautions being taken to protect passengers.

Community police reports

Garfield Heights

Breaking & Entering

On June 21, at 2 a.m., police responded to an alarm drop at the GetGo station on Transportation Blvd. Valley View police were called as mutual aid to check on the alarm. Officers saw the front door glass had been broken out. Video footage showed a male break out the lower door glass with a rock, enter the store and fill a trash bag with cartons of cigarettes, then leave the same way. Value of stolen merchandise estimated at \$400.

Criminal Damage

• Police received complaint on July 1, that sometime overnight someone had broken out the front passenger window of his daughter's vehicle while parked at their residence in the 13300 block of McCracken Rd. \$50 was taken from the vehicle.

Animal Complaint

Police responded to Marymount Hospital on July 1, for a report of an animal bite. Woman stated that when her grandson was outside playing, the neighbor's dog in the

4600 block of E. 90 St., ran from the yard and attacked him. The victim, age 12, said he was walking down the street when the dog ran across the street, jumped on him and bit him on the right elbow and forearm. The dog is a Lab mix. Its owner said the dog accidentally got loose through a side door inside the house. Police told him to quarantine the dog until he speaks with Animal Control Officer Hackett.

Theft

On June 29, at 9:30 a.m., a woman told police someone stole her purse from a shopping cart while she was loading groceries into her car in the parking lot at Marc's on Rockside Rd. She said her purse contained her driver's license, bank cards and cell phone.

Assault

On June 30, about noon, police responded to the Sunoco station at 6009 Turney Rd., for an attempted theft and assault. Manager said a thin white male tried to walk out of the store with a bottle of Coke in his pocket. The manager told the man to take the bottle out of his pocket at which time the suspect threw him the money for it. An employee attempted to escort the suspect from the store and a struggle ensued. The suspect threw a bottle of Muscle Milk at the employee injuring his right hand and scratching his left eye. The suspect then got on a bike and fled north on Turney Rd. Witnesses identified the suspect, and police searched the area for him with negative results.

Call Crime Stoppers with anonymous tips

Crime Stoppers encourages members of the community to assist local law enforcement agencies in the fight against crime.

Crime Stoppers provides an anonymous telephone number, Text Tips and Web Tips to encourage citizens to volunteer vital information helpful to law enforcement agencies. By offering anonymity and cash rewards for information leading to indictment or arrests, the program encourages otherwise reluctant callers to provide information.

The 24/7 hotline number, 216-252-7463, allows the caller to remain anonymous. The phone does not have a caller ID function and calls are not recorded.

Sentenced for 8 burglaries in 4-month crime spree

Cuyahoga County Prosecutor Michael C. O'Malley announced last week that Bobby Weatherspoon, 51, was sentenced to six and a half years in prison for eight burglaries in Shaker Heights, Bedford, Cleveland Heights and Cleveland.

"This individual is a lifelong criminal who has made a living out of stealing," said O'Malley. "Our communities are in a much better place with this thief locked away."

Weatherspoon committed the following crimes, according to a news release from O'Malley's office, between June and October 2019:

- June 12, 2019: Weatherspoon broke into the home of two victims (ages 83 and 60) on E. 118 St. in Cleveland while they were gone and stole jewelry and purses.

- Sept. 16, 2019: Weatherspoon broke into a home on Cedar Road in Cleveland Heights while residents were gone and stole two TVs, a Google Chromecast, Amazon Firestick, box of electronic equipment and an electric scooter.

- Sept. 19, 2019: Weatherspoon broke into a home on Warrington Road in Shaker Heights in the middle of the night while homeowners slept and stole their vehicle and wallet.

- Later that morning, Weatherspoon drove the stolen vehicle to another victim's home on Paul Street in Bedford while she was gone and attempted to steal property out of her garage. The victim arrived home while the crime was in progress and confronted Weatherspoon. He got into the stolen vehicle and drove away, striking the victim's vehicle with her two children inside.

- Sept. 28, 2019: Weatherspoon led Maple Heights Police on a pursuit when he lost control, hit another vehicle and fled the scene on foot.

- Oct. 10, 2019: Weatherspoon broke into a garage on Keswick Road in Shaker Heights, unplugged the security camera and left the scene. Hours later he returned when the victims were home but fled the scene in a vehicle when one of the victims confronted him.

Oct. 24, 2019: Weatherspoon broke into three separate garages/homes in Shaker Heights. He stole car keys, wallets, credit cards and numerous yard tools—including an electric saw, leaf blower, weed whacker, battery charger and ladder.

An investigation by the Shaker Heights, Bedford, Cleveland Heights and Cleveland police departments obtained DNA evidence, video surveillance and multiple eyewitnesses that connected Weatherspoon to the crimes.

Weatherspoon pleaded guilty to charges of attempted burglary, theft, failure to comply, grand theft, misuse of credit cards, breaking and entering, attempted felonious assault, trafficking in or illegal use of food stamps, obstructing official business and attempted breaking and entering.
