Cleveland Central Catholic to begin school year remotely

Officials at Cleveland Central Catholic High School have announced that for the safety and wellness of the faculty, staff and students and to support student learning, they have made the decision to follow the recommendation of the Cuyahoga County Board of Health issued on July 30, 2020, regarding plans for the upcoming school year.

Therefore, the 2020-21 school year will initially operate remotely due to the elevated health risk in-person learning brings and extracurriculars such as sports, band, theater, choir and other activities during the remote learning period will be discontinued.

"We recognize and acknowledge this decision brings sadness and disappointment," said school officials. "There will be missed social interaction and extracurricular activities. It is hard to imagine starting the school year without the positive community spirit that fills our halls."

School Calendar

The first day of remote online learning will begin Tuesday, Sept. 8, 2020. This is to ensure quality professional development is completed to prepare for nine weeks of online learning. The first nine weeks of online learning will take place Sept. 8 – Nov. 6.

Extracurricular activities

All extracurricular activities and athletics on campus or off campus are suspended through Nov. 6, 2020.

Chromebooks

To support online learning each student will be issued a Chromebook for their use. Chromebooks will be distributed on assigned days the week of August 31. begin school year remotely

Independence passes legislation to 'secure its financial future'

Two ordinances were passed by Independence Council at its regular meeting on Aug. 11, one to renew existing notes that mature in early December for up to 12 months, and the other to convert the short-term notes into long-term bonds.

Referring to these two ordinances in his report to council, Mayor Gregory Kurtz said they were being presented to council to "secure our financial future."

"These measures provide the city the financial flexibility essential to provide emergency pandemic spending, manage investments to support economic growth and fund the programs and services residents expect," the mayor continued. "I know that being able to borrow money for less than 2% for 15 years is an unbeatable deal and the common sense decision to make."

Also passed by council were the following pieces of legislation:

- To continue the appointment of Gregory J. O'Brien as the city's law director and Taft Stettinius & Hollister LLP as the city's law department;

- To extend the duration of the contract of VanCuren Services, Inc. for general city tree trimming, removal, disposal and related labor and equipment for city property;

- To authorize an increase in the amount of funds allocated to the retention of Mazanec, Raskin & Ryder Co., LPA for professional legal services. This is for representation for former Mayor Anthony Togliatti in the pending litigation from Leonard Mazzola;

- To fund road and right-of-way repairs necessitated by numerous water main breaks, leaks, and/or water valve and/or hydrant repairs 2020;

- To execute an agreement with Kimble Companies, Inc. for recycling processing services;

- To retain Travelers Property Casualty Company of America for insurance underwriting services for the purchase of property, automobile, inland marine/equipment and crime/cyber insurance 2020-2021;

- To authorize the retention of Dimit Architects, LLC for professional architectural and planning design services in connection with central downtown parcels located on the east and west side of Brecksville Rd. owned by the city and St. Michael's Church;

- To grant a U-3 special condition use permit to Fortuna Funeral Home, Inc. and granting an easement for property located at 7064 Brecksville Rd.;

- To approve the 2020 annual appropriations ordinance;

- To accept the proposal of Euthenics, Inc. for professional services for the Hillside Road Sidewalk Improvements Project (Hawthorn Trace to S. Great Oaks Parkway).

Trinity High School students to start classes, In-Person or Simultaneous learning, Aug. 31

Through the tireless efforts of Trinity High School administrators, staff, students and their families, a plan for the first half-term of the 2020-2021 school year has been formulated. School officials will continue to revise the plan, policies and procedures based upon guidance from the Diocese of Cleveland, the governor, the CDC and the Ohio Department of Health when it is deemed necessary.

Each student will receive a Chromebook for his or her use while enrolled as a Trinity High School student. Based upon availability, the plan is to hand them out to each student on their class orientation day during the week of Aug. 24.

After reviewing all of the submissions, 42% of Trinity families chose the simultaneous learning option. This, along with other factors, allowed officials to make the necessary modifications to the beginning of the school year, and allow families to feel safe.

The first modification was pushing back the start dates for staff and students. Staff will now report the week of August 17 for professional development while students will

Laws of the Land in Garfield Heights

Do you live in Garfield Heights and have a question about its ordinances - what may or may not be legal in any given circumstance? This column will answer your questions with the help of members of Garfield Heights City Council.

Question – What are the laws regarding professional lawn service operators?

Answer – 1337.05 CLEAN-UP; PARKING, LICENSE.

(a) Professional lawn service operators shall be responsible for cleaning up all cuttings, trimmings, soil and similar debris that accumulates on sidewalks, driveways and streets of the area in which the work was performed.

(b) When parking on the street, professional lawn service operators shall park any and all vehicles in the proper direction without blocking any driveways or sidewalks other

than the customers's.

(c) Each professional lawn services operator shall apply for a license to contract for business in the city. The application shall contain the name, address and principal place of business or office of the applicant, together with a statement as to length of time in business, general experience or knowledge of the applicant, and proof of current liability insurance.

(d) The license shall be in force for a period of one year and the fee shall be \$15.

Cuyahoga Heights Council notes

(Continued from Page 1)

- Amending the codified ordinances to give the building commissioner the authority to manage the construction, maintenance, location and appearance of fences, walls, plantings and other things constructed on or near boundary lines on a case-by-case basis;

- Passing a memorial resolution for Daniel Tucholski.

Motions were also passed for the village engineer to advertise for bids for the Nicky Boulevard Storm Sewer Extension & Slope Stabilization – Phase 2; to create a purchase order for the second half of 2020 annual operation and maintenance within the village for joint and crack sealing for the 2020 season; authorizing a purchase order for the annual operation and maintenance within the village for flexible and rigid pavement repairs for the second half of the 2020 season; and soliciting proposals from qualified professionals to perform the Benjamin Moore Demolition and Redevelopment Project.

Online Remote Learning

Each student will be attending online remote learning from home. Students will log in to google classroom, as well as virtual real-time classes and instruction as available. Students will be instructed from their teachers along with additional support from Ironman Way teachers and intervention specialists. Students will be able to log in for "office hours" for additional help as needed throughout the week.

Office Hours

The school office is open from 7:30 a.m. to 3:30 p.m., Monday-Friday to drop off or pick up paperwork. Face coverings/masks are required to enter the building. All visitors must enter at the atrium doors located at 67 St. and Baxter Ave.

Third Federal Work Study Program

Many families rely on volunteering with the Third Federal Work Study Program to assist with tuition payment. While all volunteering with CCC is temporarily

suspended due to COVID-19 protocols, school officials are working to provide financial assistance to families in need. More information will be shared in the weeks ahead.

Transportation

Cleveland Central Catholic will continue to offer transportation to and from school once it returns to in-person education for those who sign up for this service. If you have not signed up for transportation or want to verify that you have signed up, contact Mr. Albert at 216-441-4700, ext. 263.

Student Support

Any student or family who is in need of social, emotional or crisis support should contact Sr. Erin at 216-641-2036 for assistance.

Trinity High School students to start classes Aug. 31

(Continued from Page 1)

report the week of August 24, only for one day, with their class. Dates can be changed based on guidance from the Ohio Department of Health and Gov. Mike DeWine.

Every student needs to report for this orientation day whether he or she chose In-Person or Simultaneous learning. Every student needs to wear a mask or shield from home.

Week 1 schedule will look like this:

Monday, Aug. 24: Class of 2021, 9 a.m.-noon

Tuesday, Aug. 25: Class of 2022, 9 a.m.-noon

Wednesday, Aug. 26: Class of 2023, 9 a.m.-noon

Thursday, Aug. 27: Class of 2024, 9:00 a.m.-noon

Friday, Aug. 28: Students Off, Teacher Development Day

Monday, Aug. 31: School In Session, All Classes

Another modification was made to the length of the school day, and how many days a week that students will be in school. Many families asked if the length of time students are inside the school together could be shortened. School days will now be from 8:30 a.m. to 2 p.m.

In-Person Learning

As in past years, four class periods will be maintained in block scheduling; however, the length of classes will be shorter in length - 70-minute classes with a 10-minute bathroom break included.

Each classroom will adhere to 6-foot social distancing, limiting the number of students to 20 or less students in each classroom.

Classroom desks/tables will be sanitized after each period by a combination of the teachers and students. Each teacher will allow ample time at the end of class to get the desks clean.

Teachers will spray their work area and each desk. Teachers will wipe down their own area while students wipe down their area with disposable cloths provided by Trinity in each classroom.

Students are allowed to bring their own lunch from home. Students buying lunch will enter the lunch line with social distancing being implemented and will grab a prepackaged hot or cold lunch. Students will move to the cafeteria or Britton Hall for their lunch period with tables practicing social distancing.

At the end of the school day, due to Covid-19 guidelines, all students need to be picked up no later than 3:30 p.m. unless they are involved in an after school, co-curricular activity.

Simultaneous Learning

Those students who have chosen the Simultaneous Learning option will be required to be present for all of their classes and in uniform. Students need to have a designated work area where they can sit for each class. Areas such as lying in bed will not be allowed.

Attendance will be taken by each teacher in all classrooms to confirm a student is participating in class and is able to interact with their teacher and classmates.

Each classroom has had a brand new camera installed so all students can attend class and follow the lesson plans through Google Classroom.

Pre-Professional Internship Program

The Pre-Professional Internship Program has been put on hold for the beginning of the 2020-21 school year. The program will be reevaluated after Term 1 in the hopes the intern program can return for Term 2.

Covid Screening

With all Covid-19 related policies, procedures and guidelines, Trinity High School is following CDC and Cuyahoga County guidelines. Trinity administration maintains contact with Cuyahoga County health officials to advise on how to best operate now and as the situation changes.

Each student will enter through his or her designated class door to have his or her temperature taken before entering the building. If a student tests above 100 degrees, they will be sent home. Once a student has tested below 100 degrees, they may enter the school with their mask or shield on and head directly to their first period class.

Any student or staff member must remain home if they are known to have had close contact with someone who has tested positive for COVID-19 in the last 14 days or are experiencing any symptoms.

Athletics and Co-Curricular Activities

No co-curricular activities and clubs, outside of athletics, will be allowed during the first half-term. Trinity athletics will comply with the State of Ohio, the Ohio High School Athletic Association and the Chagrin Valley Conference guidelines and regulations regarding practices, scrimmages and athletic contests. Students who have elected Simultaneous Learning are eligible to participate in athletics as long as attendance requirements are met.

Community police reports

CLEVELAND

Arson

On Wednesday, Aug. 12, shortly before midnight, CPD was asked by the Cleveland Division of Fire to investigate a structure fire at 6100 Heisley Ave. Upon their arrival, Chief Corcoran reported a five-gallon plastic gas can was found on the rear porch with fire damage to the southwest exterior corner of the first floor porch.

Fire examination revealed that the four-unit vacant structure was intentionally set on fire by an unknown person with an ignitable liquid. No suspects or witnesses. An Arson Crimestoppers poster was affixed to the front and rear of the structure. Fire/Arson Unit will follow up.

Grand Theft

Police took a report over the phone on Monday, Aug. 10, from a woman who said she went inside her home in the 9500 block of Grand Division Ave. about 5 p.m. the previous day and left her car running and unlocked. When she returned to her car about an hour later, she noticed that her firearm was no longer inside the car. 4th District detectives to follow up.

Grand Theft Motor Vehicle

On Aug. 10, a woman living in the 6300 block of Hosmer Ave., reported to police that she was sitting in her living room about 12:30 a.m., when she saw her Nissan Pathfinder begin to pull out of her driveway. She saw five younger black males driving away in her vehicle, taken

without keys. The owner then got in her other car to pursue the suspects and followed the Pathfinder to the area of Miles Park Ave., where she saw the vehicle drive into the backyard of a residence. She then returned home to call police.

Officers toured the area of Miles Park Ave. and found the Pathfinder at an address in the 9100 block of Miles Park Ave. between a garage and a tree; no one was inside and no one answered the phone or the door inside the home. Vehicle towed and hit/skip report made.

Shots Fired

On Aug. 8, about 4 p.m., police responded to a report by a woman living in the 3600 block of E. 52 St. of shots fired. The woman told officers that she had heard several shots being fired outside her home and observed a male running up her driveway exchanging gunfire with two other males in a vehicle. She said the men in the vehicle proceeded north onto E. 52 St., and the man on foot ran through her yard onto the next street. The woman directed police to a spent shell casing located in her driveway, which was collected as evidence.

Felonious Assault

On Aug. 14, at 4:14 p.m., police were dispatched to E. 49 St. for a report of a man stabbed. The victim told police that at about 4:10 p.m. he was at the intersection of E. 65 St. and Broadway Ave. when an unknown male began to assault him for no reason.

The two began fist-fighting and at some point during the altercation, the unknown male pulled out a black knife and started to swing it at the victim, causing a deep laceration to his left wrist. He also sustained several minor cuts to his back, shoulders and right elbow. The victim said he was able to run away to his mother's house on E. 49 St. to seek safety. Victim taken to MetroHealth Medical Center. 4th District detectives to follow up.

GARFIELD HEIGHTS

Shots Fired

On Aug. 12, at about 2 a.m., police responded to the 4900 block of E. 85 St. for a report by two area residents of shots fired. When officers were checking the area, another gunshot was heard close by. Additional officers came to assist. Police spoke to several uncooperative males at a home on E. 85 St., who allowed officers to check the house with no evidence or injured people found. One of the callers confirmed that was the house where the first gunshots were heard. No one specific could be identified as a subject.

Animal Complaint

On Aug. 13, at 2:51 p.m., the Garfield Heights animal warden was dispatched to the area of the 13500 block of Maplerow Ave. in reference to a brown pit bull at large. While on scene, the animal warden advised the dog was charging at her. The dog continued its aggressive behavior towards the animal warden and then ran south into a backyard on Maplerow. At that time the animal warden walked into the backyard where the dog had last been seen. Police began searching as well and the animal warden called out that she was on the front porch of a home in the 13400 block of Christine Ave. The dog again became aggressive towards her and charged off the porch towards the animal warden. As the dog charged, the officer drew his handgun, but the dog was already at the dog warden's hip. The officer Tased the dog and it ran east on Christine and then south into the backyards with officer and animal warden following. The dog's owner was found in the backyard of the house on Christine. She said her dog was not aggressive and that one of the kids must have unleashed the dog. She located her dog with police and the dog warden on scene and had a neighbor return it to her house and put it inside. The animal warden issued the dog's owner a summons.

'American Pickers' History channel show to film in Ohio; looking to explore your hidden treasures!!

Mike Wolfe, Frank Fritz and their team are excited to return to Ohio! They plan to film episodes of the History channel hit series "American Pickers" throughout the area in October.

"We understand that with the proliferation of COVID-19, we are all facing very uncertain times," said "American Pickers" representatives. "We at American Pickers are taking the pandemic very seriously and will be following all guidelines and protocols for safe filming as outlined by the state and CDC. While we plan to be in Ohio in October, we will continue to reschedule if conditions change for the worse. Regardless, we are excited to continue to reach the many collectors in the area to discuss their years of picking!"

"American Pickers" is a documentary series that explores the fascinating world of antique "picking" on History. The show follows Mike and Frank, two of the most skilled pickers in the business, as they hunt for America's most valuable antiques. They are always excited to find sizeable, unique collections and learn the interesting stories behind them.

As they hit the back roads from coast to coast, Mike and Frank are on a mission to recycle and rescue forgotten relics. Along the way, the Pickers want to meet characters with remarkable and exceptional items. The pair hopes to give historically significant objects a new lease on life, while learning a thing or two about America's past along the way.

Mike and Frank have seen a lot of rusty gold over the years and are always looking to discover something they've never seen before. They are ready to find extraordinary items and hear fascinating tales about them.

"American Pickers" is looking for leads and would love to explore your hidden treasure. If you or someone you know has a large, private collection or accumulation of antiques that the Pickers can spend the better part of the day looking through, send us your name, phone number, location and description of the collection with photos to: americanpickers@cinetflix.com or call 855-OLD-RUST. They are also available on Facebook @GotAPic.

Note that Mike and Frank only pick private collections so no stores, malls, flea markets, museums, auctions, businesses or anything open to the public is allowed.

Mike and Frank from 'American Pickers' are coming to Ohio in October to explore the hidden treasures local residents may have and film them for their History channel show.
