~Card of Thanks~

We'd like to express our sincere gratitude to all the lovely people who have offered their condolences on the death of our beloved Michael Psenicka, publisher of The Neighborhood News, husband, son, brother and friend.

Maybe you sent flowers, brought us lunch, contributed to his gravestone, offered your prayers, love and support or shared a favorite "Mike memory," which brought a smile in spite of the tears for this funny, kind, compassionate, loving man.

He would be very proud and humbled to know what he meant to so many. Thank you all from the bottom of our hearts.

Bedford Council approves resolution to apply for grant for bridge, trail project

By Judith Goldsworth

As part of the process to be considered for a Northeast Ohio Areawide Coordinating Agency grant to help connect the Metroparks with the Historic Downtown District, Bedford Council approved legislation to apply for the funding at its meeting Monday night.

The resolution authorizes City Manager Mike Mallis to prepare and submit the application to NOACA for funding through the "Transportation For Livable Communities Initiative" (TLCI).

The TLCI program is paid on a reimbursement basis, meaning that Bedford is required to first expend funds, if matched, then request the reimbursement from NOACA.

Mallis explained, "The TLCI is a planning grant, and in order to be eligible for implementation funds through NOACA, you have to first go through the planning process. We would like to submit an application for the planning to work with NOACA for the implementation of our connector project to Egbert Trail of the Metroparks, through Viaduct Park and connecting downtown Bedford. This is the bridge and trail project."

Council also passed an ordinance for Mallis to contract with Gardiner to initiate energy improvements in the city, pursuant to the recommendations of an Investment Grade Audit, and using Northeast Ohio Public Energy Council (NOPEC) grant funding, not to exceed \$152,000.

The legislation passed at Monday's meeting authorizes Finance Director Frank Gambosi to pay amounts of \$40,000 and \$111,461 from two separate city funds to Gardiner for the services.

There were two projects that the city had decided to move forward on, Mallis said, including replacement of hot water tanks at the Municipal Complex which were showing signs of failure, and replacement of all the city-owned lights along Willis St. and Taylor.

Mallis said that roughly \$93,000 to \$94,000 will be funded through NOPEC grants, and the remaining funds will come out of the street lighting fund.

Council passed legislation to repeal a section of the codified ordinances entitled "Criminal Activity Nuisances," Costs of Enforcement, stating, "The city has an interest in controlling non-traffic criminal behavior that repeatedly disturbs the community and that is not being effectively ad-

dressed through existing laws."

The ordinance continues: "The city has an interest in creating harmony and safety between its neighbors, and... has an interest in encouraging its residents to use a collaborative, non-punitive dispute resolution process to create lasting, satisfying justice out of conflict... council agrees to repeal [the legislation] and pursue other avenues to continue to achieve these legitimate interests and desires."

Law Director John Montello explained, "We're going to repeal our current criminal activity nuisances ordinance to explore other resolution techniques for the reasons stated in the ordinance."

ABOVE AND BEYOND...

A note of thanks is in order to the Cleveland Police Department day shift officers for helping clean up the sidewalk blocked by debris when Dr. Rick Rzepka's building at 3728 E. 65 St. was struck by a car two days earlier. "These officers went above and beyond making the sidewalk broom clean in time for the St. Stan's Polish Festival last weekend," said Ward 12 Councilman Tony Brancatelli.

Board of Elections begins mailing ballots for 2020 presidential election

On Oct. 6, the Cuyahoga County Board of Elections began mailing ballots to voters who have submitted Vote-by-Mail ballot applications.

"Nearly 300,000 people in Cuyahoga County are waiting for their ballots and are ready to vote," said Anthony Perlatti, director of the Board of Elections. "I encourage voters to return their completed ballots as soon as possible to allow extra time for the Postal Service to deliver their ballots to the Board of Elections."

Ballots may also be hand-delivered to the Board of Elections. A secure drop box is located in the parking lot behind the building at 2925 Euclid Ave., Cleveland, and is accessible 24 hours a day.

To request a Vote-by-Mail ballot application, visit: www.443VOTE.us or call at 216-443-VOTE (8683).

Early in-Person voting at the Cuyahoga County Board of Elections also began on Tuesday, Oct. 6. Early voting hours are posted on the Board of Elections website, www.443VOTE.us.

City of Garfield Heights to hold Halloween & Harvest Costume Parade Oct. 25th

Join in the fun on Sunday, Oct. 25, from 4:30 to 6:30 p.m. at the Garfield Heights Civic Center Complex, 5407 Turney Rd., for a Halloween & Harvest Costume Parade.

Everyone is encouraged to wear a costume and be in the parade (parents too!). Treats will be available for children 12 and under while supplies last; all minors must be

accompanied by an adult.

This is a COVID-19 safe event; 6-foot social distancing and masks required for everyone.

It is being held because the city could not host its two popular events, the Annual Halloween Skate at the Rec and the Annual Harvest Fest at the Civic Center due to the pandemic and keeping in mind the safety of everyone.

Parking will be available at the Cuyahoga County Library, with the parade beginning at the Dan Kostel Recreation Center. Volunteers will help direct the parade, so everyone can go in the same direction and make sure everyone makes stops at all the designated red tent locations to pick up treats, including pumpkins, candy and apples.

Help make this a safe and fun event for the community.

The Halloween & Harvest Costume Parade is sponsored by: The City of Garfield Heights, Vic Collova, Mayor; Dan Kostel Recreation Center; Cuyahoga County Public Library; Garfield Heights Historical Society.

This event does not replace Trick or Treat night in Garfield Heights, which will be held on Halloween, Oct. 31, from 6 to 8 p.m.

Cleveland residents can apply to receive free tree at Miles Park School

U.S. Senator Sherrod Brown participated in a tree planting at Mill Creek bluffs in Slavic Village last week, coordinated by Western Reserve Land Conservancy as part of their "Reforest Our City" program. Pictured above, from left, are: Kathy Leavonworth, board member for Western Reserve; Sen. Brown; Pat Shields, Mill Creek resident and tree steward; executive director of Thriving Institute Matt Zone; and Lizzie Sords, manager of Urban Forestry for Western Reserve.

Western Reserve Land Conservancy is partnering with the Arbor Day Foundation to offer 100 free trees to Cleveland residents through the Cleveland Community Canopy program. Residents can receive a tree to plant in

their yard at no cost by registering at www.arborday.org/cleveland.

Trees and educational materials will be distributed on Saturday, Oct. 10, at Miles Park School, 4090 E. 93 St., Cleveland, OH 44105, via a no-contact drive-through event. All trees will fit in a car/truck or even on the bus! Pick up will take place in the morning during assigned time slots. If planting or delivery assistance is needed, volunteers will be available to a limited number of participants; just register for this service ahead of time.

Why are private residential trees important? Cleveland's total canopy is only 19%. A desirable urban tree canopy cover is about 40%.

Western Reserve Land Conservancy's vision is to increase Cleveland's tree canopy along with the social, economic and environmental benefits it provides.

To learn more or sign up for a tree, go to this link (www.arborday.org/cleveland). Trees are avail-

able on a first-come-first-serve basis. If you have additional questions or need help signing up, please reach out to Erica Henrichsen at erica.henrichsen@wrlandconservancy.org or call 216-250-2638.

Community police reports

CLEVELAND

Motor Vehicle Accident

On Sept. 28, at 9:17 a.m., police were called when a vehicle crashed into a building at 3278 E. 65 St. EMS, fire, building inspector and Cleveland Public Power notified.

Fatal Overdose

On Oct. 2, at 12:53 p.m., a 50-year-old man in the 6600 block of Hosmer Ave., was the victim of a fatal overdose.

GARFIELD HEIGHTS

Shots Fired

On Sept. 29, at 5:27 p.m., police were dispatched to the area of Garfield Blvd. and Birchwood for a report of 4-5 shots fired. One of the callers reported that a white-colored vehicle was driving west on Garfield Blvd. and began shooting at two juveniles walking on the north side of the street. A witness said two juveniles, who did not appear to have been struck by the gunfire, were picked up by a silver Toyota Camry. The owner of the car was contacted, but little information was obtained from her as she kept changing her story and was not very cooperative. Shell casings were located in front of a home in the 8300 block of Garfield Blvd., and in the street at the corner of Garfield Blvd. and Birchwood.

Aggravated Robbery

On Sept. 30, at 9 a.m., an officer was flagged down for a report of an aggravated robbery that had happened in Cleveland. The victim had money, her bank card and

firearm stolen and was contacted by the three suspects via cell phone about meeting and paying them to get her gun back. The meeting was held at the Burger King parking lot, 4869 Turney Rd., with the three suspects in a car and one of them pointing a gun from the back seat in her direction. The victim left the parking lot because she had the feeling of being robbed. Officers followed the suspects' car to the Turneytown parking lot and arrested the three suspects and transported them to city jail. Two of them were held on investigation of aggravated robbery. The other has charges pending through the Youth Bureau. Two cell phones and a Glock handgun were later tagged and placed into evidence. It was noted in the report that the victim had been in the same vehicle with the suspects on Avon Rd. in Cleveland prior to the theft of her property.

Disorderly Conduct

On Oct. 4, at 10:27 p.m., officers were in the area of the Showcase Bar, 5015 Turney Rd., after a report of shots fired outside the bar. A large crowd was gathered and were ordered to leave the area. Independence, Valley View and Maple Heights police departments called to assist. Bar owner said shots were fired on Vernon Ave. into the air. One man outside the bar, obviously intoxicated, refused to leave and was detained by police without incident and issued a summons for disorderly conduct intoxication.

Robbery

On Oct. 4, at 3:46 p.m., police were dispatched to the US Bank, 5007 Turney Rd., to check the area for a black male subject of a robbery. The victim of the robbery said she had driven over to the ATM at US Bank to withdraw \$570 with a friend's Direct Express card so he could pay his bills. She said the suspect got between her car and the ATM and then began reaching into the ATM. The victim said she struggled with the suspect and tried to pull down his mask and he hit her in the face. She said during the struggle she thinks the machine recognized something was wrong and no cash was dispersed. The suspect then fled east with the Direct Express card. He is described as a thin black male with green pants and a full orange face mask.

Bedford Council approves

(Continued from Page 1)

Council also passed an ordinance amending previous legislation on removal of weeds by owners of properties, mandating that tall weeds or grasses must be cut within three days of written notice or the city will cut the grass and charge the property owner for the cost.

Another amendment to the ordinance states that vegetable gardens "shall be permitted, with the exception that no garden shall extend beyond the front building line (frontyard) of the house," with possible waivers by the city and conditional permits. A motion to remove this amendment from the legislation was not approved and it passed as written.

Placed on second reading was an ordinance to raise sewer charges for permanently disabled and senior citizens from the current monthly minimum rate of \$17.80 in 2020, to \$18.52, effective January 1, 2021. This legislation will be discussed further before passage at a future meeting.

Also placed on second reading were two ordinances, one to raise water rates and the other to raise sewer rates for property owners who are not eligible for the disabled/senior citizen discount, effective in 2021.

An ordinance amending existing legislation prohibiting truck parking in residential areas of the city, to include prohibitions on parking recreational vehicles, motor homes and other vehicles, was also placed on second reading.

Announcements

The city's sewer project is scheduled to begin this week in the area of Henry St., Mallis said, adding that he did not expect it to go beyond 60 days for the project, which was funded through a Cuyahoga County Community Development Block Grant.

"We're going to be cleaning and televising all of the sewers in the area, and then obviously going back if there are issues and doing any repairs," Mallis said.

Neighbors unite to paint church in Forest City area of Slavic Village

Volunteers young and old worked together recently to spruce up the exterior of Greater New Beginnings Missionary Baptist Church on Kimmel Rd. in Slavic Village.

In the Forest City neighborhood on the west side of I-77 in Slavic Village, community members rallied volunteers to help the young new pastor of Greater New Beginnings Missionary Baptist Church, Michael Fletcher, give his house of worship a facelift. During two sessions, over 50 volunteers helped to scrape, prime and paint the outside of the church.

Pastor Fletcher began ministering at Greater New Beginnings on Kimmel Rd. last year, and has engaged young residents in the area to regrow what has traditionally been an older congregation.

When Forest City resident and mailman Briggs Scheutt met Pastor Fletcher while on his route, an instant bond led to Schuett recruiting parishioners of North Olmsted Friends Church and neighbors to help paint.

Ohio High Reach in Slavic Village provided the lift to reach the steeple, and Tom Fries of Café 87 volunteered to cater the event - a community uniting to do God's work.

Alpine House still bringing smiles

5500 Northfield Rd. has served the community in several ways over the past 70 years. In the 1970s the property was The Blue Grass Motor Inn, home to the Monday evening Press Party for Musicarnival, Cleveland's famous musical theater-in-the-round. Musicarnival brought good times and smiles to community residents.

Seventy years later, 5500 Northfield Rd. is still serving the community as the home of Alpine House of Maple Heights, a full-service assisted living facility committed to providing superior care and services. Alpine House administrators and employees are excited to serve the community by offering comfortable, safe, affordable housing and bringing smiles to community seniors.

- ▶ Our 80% Graduation Rate will keep rising.
- ▶ Reading and Math scores will keep improving.
- ▶ Students will have Technology and Internet Access.
- ▶ Teachers will be equipped to go Above and Beyond for our kids.
- ▶ Students will have the Academic and Career Tech Programs, and Counseling, Mental Health and Nutrition assistance they need.

All this for less than \$7 a month more on a median Cleveland home.

Without 68, Cleveland Schools must cut nearly \$70 million a year, drastically reducing programs and teachers.
