## Running with the Russells

*(Editor's Note: Bob and Cheryl Russell are stay-close-to-home travelers who will be sharing some of their adventures with The Neighborhood News readers in the coming weeks. Cheryl was born and raised in Garfield Heights and is a 1973 Garfield Heights High alum. Bob hails from Cleveland, where he graduated from Rhodes High in 1975. Both are Cleveland State University graduates and are retired now and living in Aurora.*

Bob and Cheryl Russell, couple at left, pose for a photo with another couple on their Christmas Tour of downtown Cleveland recently.

By Cheryl Russell

I am always up for a good adventure. Not a risky, death defying one, but interesting and unique. My husband, not so much! However, I can usually drag him along.

Last week we went on a walking Downtown Cleveland Christmas Tour we found online. The focus was Cleveland Christmas traditions.

The tour began at Public Square and started with the Higbee Company. On the 10th floor was the Silver Grille restaurant where children would get their meals served to them in a cardboard stove. Higbee's also had the Twigbee shop. Children could buy a gift for their parents there and even get it wrapped. We talked about the nostalgic holiday window displays at both Higbee's and May Co.

The movie "A Christmas Story" was partially filmed at Higbee's. Apparently Higbee's was the only store to respond to a request to use their store for some movie scenes. Who could forget Ralphie visiting Santa!

Please enter through the Granger Rd. entrance and exit onto Turney Rd. Supporters are urged to place any amount of a donation into an envelope and drop it into the donation box in the church parking lot.

## City announces 'scaled down' version of Christmas in Bedford Falls this year

By Judith Goldsworth

Because of the ongoing COVID-19 pandemic, the city of Bedford's annual "Christmas in Bedford Falls" on Saturday, Dec. 12, will be celebrated a little differently this year, officials stated at council's teleconference meeting Monday night.

"Christmas In Bedford Falls" will still feature the city's spectacular lighting display, but due to the coronavirus, it will have more scaled down activities, City Manager Mike Mallis stated.

Mallis said that over the past few months he had been

in contact with the group that has organized the event every year. "Obviously, with a lot of the protocols and restrictions that are in place, we were unable to do the things we were able to do in the past," he said.

"What we can do and continue to do," he said, "is to shop our downtown. Shop local, shop Bedford. We do plan to have some photo opportunities down near the Train Depot and the Gazebo, through Parks and Rec, where you can safely come up with your families and social distance, and take a photo op. We will have Grab and Go bags of crafts that you can pick up, all indi-

vidually wrapped and that you can do at home with your family, and hot chocolate packets, and hopefully get a chance to see some of our downtown shops."

Councilwoman Heather Rhoades said that in addition to the event and the shop small campaign, "We are doing an 'Elf on the Shelf' game. Go to bedforddowntown.org and learn a little bit more about that game. We have some prizes you can qualify for if you play that game. Stop downtown and participate."

Also on the Square there will be a special "Direct Mailbox to Santa," where kids can take their letters to Santa Claus downtown and pop them in the mailbox for delivery to the North Pole, Rhoades said.

Mallis urged anyone interested in the event to visit the city's website and also consult Bedford's social media site in the days before the event to stay up to date on what restrictions may be imposed.

## Employees donate

Throughout the year city of Bedford employees pay a dollar on Fridays to dress down and the money is donated to the Southeast Clergy Meals on Wheels, which for the past 45 years has provided and delivered meals to seniors in Bedford, Bedford Heights, Oakwood and Walton Hills. This year the employees raised \$1,000, which was presented to the program, Finance Director Frank Gambosi stated.

## Newburgh Heights may see \$2 million surplus by year's end

At the council meeting on Nov. 17, Newburgh Heights Mayor Trevor Elkins reported that "it looks like the village will finish 2020 with an approximate \$2 million surplus" in its coffers.

He said all the debt of the village had been paid off except for the new municipal building and the tax sharing plan with Cuyahoga County for the former RTA bus garage.

## Purchases and approvals

Several appointments were approved by council at the meeting including that of John Corral and Lori Peterson to the Community Reinvestment Area Housing Council and Michael Wasielewski to the position of assistant fire chief for the Newburgh Heights Fire Department.

Purchases okayed included \$2,955 to Bound Tree for C-PAP devices, pulse oximeter and a blood pressure unit plus related accessories; \$286 a month to the Chagrin Valley Dispatch for radio maintenance; \$5,275 for Giant Eagle gift cards for the Thanksgiving Dinner program for needy families; quote from OHM Advisors for survey work and easement services to reposition sidewalk at 4515 Bridgeview Ave.; \$2,150 for supervisor training for Sgt. Dankovich; \$3,550 for updates to fire sprinkler systems at the fire station and village hall.

## Legislation passed

Dinah Mouat and Diane Astalos, both an active part of the leadership of Meals on Wheels for many years, made an appearance at the teleconference meeting to thank the city for its generous donation, to explain further sources of funding and what the program means to senior citizens in the communities.

Councilwoman Paula Mizesak issued a challenge to her fellow council members to donate \$50 towards the Meals on Wheels program for the holidays. Anyone wishing to donate can send checks to Southeast Clergy Meals on Wheels, c/o South Haven UCC, 415 Northfield Rd., Bedford, Ohio, 44146. ## Legislation approved

Council passed an ordinance at Monday’s meeting to approve its budget in the amount of \$39,393,870 to fund the city’s services, operations and expenses for 2021.

Gambosi said, “Overall, it’s a \$39 million budget with \$20 million being payroll and \$19 million being other... A lot of times we think of it as being all payroll, but it’s not.

It’s a 50-50 split regarding the overall budget of the city.”

Council passed an ordinance authorizing Mallis to apply for \$150,000 in Cuyahoga County Community Development Block Grant funding, which if approved would be used towards Americans With Disabilities Act (ADA) improvements at the Ellenwood Community Center and televising the city’s sewer system.

Also passed was legislation for Mallis to apply for \$50,000 in county Community Development Supplemental Grant funding, which would be used to add modern amenities to the Historic District including public WiFi, electric vehicle charging stations and bicycle racks.

An ordinance authorizing Mallis to contract with CSP Construction, Inc., for \$25,000 in emergency sewer repairs to the former YMCA structure on Northfield Rd. to continue economic development of the property was approved.

## Announcements

Mayor Stan Koci thanked the Sikh Temple of Bedford,

for donating \$1100 toward the city’s Food Bank.

Mallis said that Jennifer Kuzma of the city’s Economic Development Department was successful in obtaining a \$140,000 grant and that a portion of that will go towards supplying additional food to the Food Bank as well as other projects.

The annual “Lights Out For Hunger” program in which residents turn off their holiday lights for an evening and donate what they would have spent on electricity towards local food banks is being held again this year, Koci stated.

## Red Cross encourages blood donors this season

December may be the season of giving—but it's typically a challenging time to collect enough blood donations. Add in a pandemic, and this year could be even tougher than usual. That's why the American Red Cross is urging those who are feeling well to give the gift of life by donating blood or platelets this holiday season.

The need for blood doesn't stop for holidays. Between Thanksgiving and Christmas, more than one million blood transfusions will be given in the United States. Donations of all blood types are needed to ensure hospital shelves remain stocked to meet patient blood needs.

Make your appointment to give blood, platelets or plasma with the Red Cross by downloading the Red Cross Blood Donor App, visiting RedCrossBlood.org, calling 1-800-RED CROSS (1-800-733-2767) or enabling the Blood Donor Skill on any Alexa Echo device.

To encourage donations this holiday season, those who come to donate blood, platelets or plasma with the Red Cross between Dec. 18-Jan. 4 will receive a long-sleeved Red Cross T-shirt, while supplies last.

# Laws of the Land in Garfield Heights Creque promoted to lieutenant in GHFD

Do you live in Garfield Heights and have a question about its ordinances - what may or may not be legal in any given circumstance? This column will answer your questions with the help of Garfield Heights city officials.

**Question - When are snow emergencies declared**

**Answer – Ordinance 351.16 states:**

"Whenever, during any period of 24 hours or less, snow falls in the city to a depth of two inches or more, an emergency is declared. During the period of the emergency, parking of vehicles shall be prohibited on all the city streets."

Vehicles being parked on the street makes it impossible for snow plows to adequately plow those streets. This creates snow banks, narrow passes and leads to further problems for travelers. Vehicles on the street during a snow emergency ARE subject to citations as well as being towed.

Going forward this winter, please be cognizant of this during periods of heavy snow. If your vehicle becomes disabled or stuck on a city street, please notify the police department so they can obtain pertinent information regarding it.

Shown in the top row at Lt. Mark Creque's swearing in ceremonies are, from left: Mayor Vic Collova, Mark Creque and his wife, Amanda, his father, Doug, and Fire Chief Kenneth Strope. In the front row are Lt. Creque's sons Anthony and Aiden.

Garfield Heights firefighter and EMS coordinator Mark Creque was promoted to lieutenant in the Garfield Heights Fire Department last week with swearing-in ceremonies held Dec. 1.

Lt. Creque began as a firefighter with the city on April 17, 2013. He also writes grants for the department and has received over \$500,000 worth of funding since 2016. These awards have aided in purchasing new cardiac monitors, SCBA's, fire hose, extrication tools, fire extinguisher training props and much more. He has been EMS coordinator since June 2020.

## Running with the Russells

(Continued from Page 1)

Moving down Euclid we stopped at the Arcade. This was the first indoor shopping center in America when it opened in 1890. From that landmark we moved to Heinen's in the old Cleveland Trust Building and paid special attention to the Rotunda.

The last stop on the tour was Halle's. We listened to the "Mr. Jingeling" theme as heard so often when he was on "Captain Penny," televised from 1955-71. And across the street was the empty lot where Sterling-Lindner once stood with its statuesque Christmas tree delighting passers by.

The tour brought back a flood of happy memories from Christmases past in downtown Cleveland.

The Downtown Cleveland Christmas Tour is 90 minutes long and is outside walking except for a short visit inside the Arcade and Heinen's. The tours start at Public Square and end at Playhouse Square. Go to: [www.toursof-cleveland.com](http://www.toursof-cleveland.com). Cost is \$18 per person.

## CLE City Council update

Cleveland City Council held a virtual meeting electronically last Wednesday, Dec. 2. Its next meeting will be held on Wednesday, Dec. 9, and will be the last council meeting of the year.

### Highlights of the Dec. 2 meeting

•Council passed an ordinance designating the former

Cleveland Police Department Riverbed Academy (aka Former Cleveland Fire Department Engine Company 15 Fire Boat Station) as a Cleveland Landmark.

•Council passed an ordinance designating the John Heisman Birthplace as a landmark. The original landmark designation was placed at the wrong house—in part because of street numbering changes in 1894 and 1895 and street renaming's in 1905.

### Introduced legislation

•An ordinance that would allow the Greater Cleveland Sports Commission to implement and manage the demolition and removal of Docks 30 and 32 warehouses and demolition-related remediation to the site which is needed to stage the 2021 NFL Draft at North Coast Harbor. The draft is scheduled for April 29 through May 1.

•A resolution supporting the establishment of a state-wide network of state and US bike routes and allowing for the designation, mapping, signing and promotion of state and US bike routes along selected bicycle facilities in the city of Cleveland.

•An ordinance that would establish a limit on the commission that third-party food delivery services can charge to restaurants located in the city of Cleveland to 15% of the purchase price on delivery or pickup orders while restaurants are unable to provide unrestricted dine-in service; and to prohibit a reduction in compensation for delivery drivers as a result of this limit.
