Davis resigns council position in Garfield Hts.; hunt on for successor

The city of Garfield Heights has begun its search for the next Ward 4 council member brought about by the resignation last Thursday of Councilwoman Shayla Davis.

The former Ward 4 councilwoman admitted she presently works for the city of Cleveland and did so while holding her council position with Garfield Heights and is, therefore, in violation of the Garfield Heights Charter.

Garfield Heights City Charter requires that the six remaining members of council appoint a replacement within 30 days of the vacancy. Accordingly, the term of the appointed Ward 4 council member will begin no later than May 21, 2021 and conclude on November 7, 2021.

At this time, Garfield Heights City Council is requesting that interested residents of Ward 4 submit a letter of intent to Council Clerk Barbara Molin at bmolin@garfieldhts.org no later than May 5. (See ad on Page 7 of this newspaper for more details.)

Davis, who has announced a run for the office of mayor this year in Garfield Heights, was elected to council in November, 2019. Under Section 9 of the Garfield Heights City Charter, "Members of Council shall not hold any other public office or public employment except as otherwise provided in this Charter."

A special meeting of city council was called to address the issue last Thursday evening but was made unnecessary because of Davis' resignation earlier in the day. She still plans to continue her candidacy for mayor.

"I have always served and serve is what I will continue doing on the campaign trail for mayor of Garfield Heights," she said in her letter of resignation.

City leaders address complaints of residents at Monday's Garfield Heights Council meeting

By Ellen Psenicka

Garfield Heights officials pledged to be more forthcoming with public notifications of committee hearings and vacancies on boards and commissions in the city as residents voiced their frustrations to city leaders at Monday night's meeting of city council.

Mayor Matt Burke expressed his own frustration at the lack of people stepping forward to fill volunteer and sometimes paid positions with the city, with citizens countering that the reason for this is because no one knows about them. The

mayor said open positions will be publicized from now on via website and newspaper postings.

He wanted residents to know that two positions on the Recreation Board still needed to be filled and to call his office if interested.

Council President Mike Nenadovich said he was also instructing Council Clerk Barbara Molin to post all council committee meetings in The Neighborhood News so that residents could participate. It was noted that there will be a Safety Committee meeting on Monday, May 3, at 7 p.m. to address

the growing gun violence in Garfield Heights.

Another complaint when citizens were heard at Monday's meeting was that too many ordinances and resolutions are passed under emergency leaving little time for residents to be made aware of them before passage.

In answer to a question about why it was taking so long to appoint a new police chief, Mayor Burke said it will be June or July before Police Chief Robert Byrne actually retires, although his duties are now being performed by Acting Chief

Mark Kaye. When Byrne's retirement is finalized, a new chief will be chosen from those in the department seeking the job after scores on a mandatory Civil Service exam are released.

Legislation passed at the meeting included:

- Increasing the fine for littering in the city from a vehicle to a maximum of \$500.

- Executing an "Urban Jobs and Enterprise Zone Agreement" granting tax incentives to JT Leonard Contractors LLC and JTL Granger 9601 LLC to locate in the city.

- Providing for only one council meeting to be held on the second Monday during the months of June, July and August, 2021.

- Designating Vernon Ave. between Turney Rd. and E. 110 St. as a "No Parking" tow away zone between 10 p.m. and 6 a.m. daily.

- Ratifying the appointments of Frank Przybojewski and Patricia Wasikowski as members of the Civic Service Commission of Garfield Heights, and Doug Piascik as a member of the city's Zoning Board of Appeals.

Independence Primary School Art Show to feature mural of Browns players

This mural by Independence fourth grade art students will be featured at the Thursday, May 13, Spring Art Show at Elmwood Park.

Independence Primary School art teacher Mike Gruber has worked with his kindergarten through fourth-grade students on an annual Spring Art Show since 2010, but due to the COVID-19 pandemic, it had to be cancelled last year. But this year it's back!

The event will be held on Thursday, May 13, on the baseball fields at Elmwood Park, 6363 Selig Dr., in Independence. Rain date is May 14.

The show will feature more than 84 pieces of artwork that have been created by the primary school students throughout this school year. Taking part in a three-week art class project, fourth graders showed off their Cleveland Browns' spirit by creating an 18x10 ft. mural of larger-than-life Browns' players Nick Chubb, Baker Mayfield and Myles Garrett, as well as Coach Kevin Stefanski, with the help of Adobe Photoshop.

"Students have been asking for years to do a Cleveland Browns mural, and with Cleveland hosting the draft, and the season we had last year, it was finally time to show our pride for the upcoming season," Gruber said. "Go Browns!"

Block Watch

The Garfield Heights Ward 7 Block Watch, sponsored by Councilman Tom Vaughn, will meet Tuesday, April 27, at 7 p.m., at St. Monica's outdoor pavilion off Rockside Rd. (weather permitting). Guest speaker will be Mayor Matt Burke. Face coverings and social distancing will be required. All are welcome.

Please note that these meetings will now take place on the last Tuesday of each month - no longer on Thursdays. For more information call Gail, 216-662-9213.

Maple Hts. police looking for accomplice in carjacking

On Tuesday, April 20, at 10:20 a.m., the Maple Heights Police Department received a call about a possible carjacking. Officers were advised the suspect vehicle had pulled out of the Shell gas station, located on Warrensville Center and Libby rds., and had driven south on Warrensville Center Rd.

Officers, who were en route to the location, spotted the stolen vehicle on Broadway Ave. near Rockside Rd. A pursuit was initiated and the driver of the stolen vehicle struck one of the MHPD cars. The suspect proceeded to drive down residential streets, onto lawns, then crashed into a residence when he could not make the turn onto Waterbury Ave. The juvenile male driver was apprehended after a short foot pursuit.

The officer learned that there were no weapons involved in the theft of the vehicle. The owner of the stolen car had pulled up to the pump at the Shell station and went into the store, leaving his vehicle running and unlocked. The juvenile suspect was a passenger in a blue Dodge/Chrysler 4-door crossover vehicle, with tinted windows, sunroof and a temp tag. The juvenile proceeded to pull out of the lot in the stolen car and was followed by the blue vehicle. Maple Heights police are still looking for the blue vehicle in question.

Anyone with information related to this case is urged to contact the Maple Heights Detective Bureau: 216-587-9624 or Detectives@mhpd-ohio.com.

The schedule will be Monday through Friday from 9 to 11:30 a.m. and from 1 to 4 p.m., weather permitting.

Residents are advised to check to see if their water is rusty before drinking it, using it in food preparation or doing laundry. Next Cleveland Consent Decree public meeting May 12

By Rich Weiss

Neighborhood & Community Media Association of Greater Cleveland

Have you ever wondered how you file a complaint against a Cleveland Police officer and what is the timeline

for its final disposition?

Has the Office of Professional Standards received any complaints about interactions with individuals experiencing mental health crises? If so, has it led to discipline or any changes in training and policy?

Is there a reason why the Chief's or Director's hearings are not open to the public at this time?

These were just a few of the questions asked by community members during the April 14, public meeting sponsored by the local chapters of the United Way and NAACP on the Cleveland Consent Decree. This was the fourth in a monthly, 10-part meeting series to answer the concerns of residents and questions vital to the success of the discussion series.

The next meeting is at 6 p.m. on May 12, and the theme will be Crisis Intervention and Officer Wellness.

To answer the call for your input, concerns and questions, register for any of the eight remaining Consent Decree public meetings by visiting unitedwaycleveland.org.

Community Police reports

BEDFORD

On Monday, April 26, at 2:41 p.m., the University Hospital Bedford Medical Center contacted the Chagrin Valley Regional Dispatch Center to report a male gunshot victim had arrived at the Emergency Room, according to Deputy Chief Rick Suts of the Bedford Police Department. Officers learned that an 18-year-old male was brought in with a gunshot wound to the head. Officers were able to locate the vehicle he was transported in and spoke to the other occupants. The victim was a front seat passenger. The other parties report that he exchanged words with a male walking on McKinley Ave. That male produced a firearm from his waist band and fired three shots into the vehicle. One round struck the victim in the head. None of the other passengers were struck.

Through investigation a suspect was developed, Suts said in an email to media. A 16-year-old male known to the victim was arrested a few hours later with a handgun still in his pants. The suspect has been charged with felonious assault and the victim is being treated at MetroHealth Medical Center.

Both males attend Bedford High School, Suts said, and were familiar with each other. This incident did not happen on school grounds. At this point, it does not appear to be related in any way to anything at the high school. Bedford Police are continuing to gather information and evidence

ransacked and several items were missing: three Rolex watches, two 70" Samsung televisions, a safe with \$9000 in cash inside, jewelry, computers, game stations and shoes. Detectives to follow up.

Weapon Offense

On April 25, at about 12:17 a.m., officers responded to the 4600 block of E. 86 St. for multiple reports of shots fired. They observed a car parked on the street, later found to be stolen from Warrensville Heights, with four occupants who got out of the car and started walking away when police approached. Police ordered the four to stop walking away and keep their hands visible. Two complied and were detained without incident. The other two, a man and a woman, continued walking up the driveway of a

home on E. 86 St. towards the backyard area. Officers then heard the sound of an object bouncing off the concrete driveway similar and consistent to a firearm being dropped. The pair were ordered by police to drop to the ground and they were placed in handcuffs. They were secured in police cruisers while officers continued to investigate. A loaded Smith & Wesson handgun with 15 live 9mm rounds was found on the ground near where the male suspect had passed. A tactical laser firearm accessory was also located near a garbage can in the rear of the house where the male suspect was detained. Numerous spent casings were scattered throughout the backyard of the home. All parties were placed under arrest for receiving stolen property and transported to City Jail for processing.

ANOTHER CLEAN SWEEP IN S.V.!

There were nearly 100 volunteers who picked up over 100 cubic yards of debris and tires throughout the Broadway/Slavic Village neighborhood last Saturday, initiated by the East 63rd Street Block Club. Thanks to all the volunteers who made this another successful clean up, along with Forest City Civic Association, St. Hyacinth Block Club, Cleveland Central Catholic, Neighborhood Connections, Friends of Slavic Village, Cleveland Cliffs Steel, Lincoln Post 13, 911 Clothing, Mike Williams Home Improvement, Elizabeth Baptist Church and many more. And also thanks to George Kanaan, owner of Subway restaurant on Broadway Ave., who helped underwrite 120 box lunches in place of the traditional cookout due to the pandemic. We will not cease in providing quality care until you have attained optimal health and healing. Indeed, by connecting your acute, chronic, and preventive care, we will help you anticipate future healthcare challenges, placing you on the path toward consistent, sustainable health.
