Legislation passed to add more positions in GHPD

By Ellen Psenicka

Garfield Heights Council met in regular session Monday night and approved legislation to update the organizational structure of the Garfield Heights Police Department by okaying the addition of an additional police captain and two patrolmen.

Police Chief Mark Kaye urged council to pass the GHPD restructuring bill, which was passed as an emergency ordinance so departmental changes could take place sooner rather than later.

Also passed was an emergency ordinance to participate in the Ohio Public Works Commission State Capital Improvement and/or Local Transportation Improvement Program for the Multi-Street Reconstruction & Waterline Replacement - Phase 7 - Project, which will affect portions of E. 90 St., Wadsworth Ave., Shadyoak Blvd., E. 115 St. and Russell Ave.

Another ordinance approved authorized the mayor to become a member of the West Creek Conservancy, which protects natural resources and creates greenspace.

Improvements for Transportation Blvd. and Vista Way were authorized by council with an ordinance to participate in the Ohio Public Works Commission State Capital Improvement and/or Local Transportation Improvement Program to secure funds for the project.

A resolution honoring 2021 Garfield Heights High School graduate Joseph Lenart, Jr. was unanimously approved by council in light of his extraordinary academic and athletic accomplishments. Joe and his mother were at the meeting to accept the resolution from Mayor Matt Burke.

RESIDENTS SHOW UP FOR VACCINE & ICE CREAM

The Ice Cream for Vaccines at Daisy's on Fleet Ave. in Slavic Village last Saturday was a resounding success. Dr. Karen Cooper, the city of Cleveland Medical Director, attended with staff from the Division of Health and medical clinicians who administered 25 vaccinations on Saturday in the RTA Vaccination Mobile Unit.

"Many thanks to the City of Cleveland Health Department, RTA, Daisy's Ice Cream, Slavic Village Development and the Community Yahoos Block Club who helped make the Ice Cream for Vaccines pop up clinic a wonderful success," said Ward 12 Councilman Tony Brancatelli, shown in photo at far right. "The 25 residents who got vaccinated there Saturday was the second most since this mobile unit has rolled out. We look forward to many more events to help promote vaccinations in our community to help battle the Covid epidemic," he said. Photo by Elena Psenicka

Sentenced for 18 armed robberies of area gas stations

Cuyahoga County Prosecutor Michael C. O'Malley announced that Mye Kel Cannady, 21, has been sentenced to 25 to 29 years in prison for committing 18 armed robberies of gas stations within a 30-day period across Cuyahoga County.

Between Aug. 27, 2020, and Sept. 26, 2020, Cannady robbed 17 different gas stations, (one he robbed twice) - which included six in Cleveland, three in Parma, two in Lakewood, two in Independence, and one each in Maple Heights, Brooklyn, Brook Park and Beachwood. O'Malley said that in each incident, Cannady waited outside plotting an opportune time to strike. He then entered the stores and demanded money from the victims - both males and females ranging in age from 19 to 62 years old - at gunpoint. In some incidents, Cannady pistol-whipped victims and threatened their lives, the prosecutor said. He stole cash, cigarettes and other merchandise before fleeing the scenes.

On Sept. 26, 2020, the Parma Police Department was notified of two armed robberies that occurred that day and located the suspect's vehicle near W. 130 St. and Brookpark Rd. They attempted to stop the vehicle, but Cannady sped away and a pursuit ensued that spanned multiple jurisdictions before ending near Garfield Blvd. and E. 78 Place in Cleveland. Cannady became trapped on a dead-end road and hit two police cruisers in an attempt to escape. He was arrested following a brief foot chase.

Investigators from each agency and the Crime Strategies Unit of the Cuyahoga County Prosecutor's Office were able to link Cannady to the string of robberies through video surveillance, photos and DNA evidence.

Cannady pleaded guilty to the following charges: 18 counts of aggravated robbery, one count of failure to comply, one count of vandalism, and one count of having weapons under disability. He was sentenced to 25 to 29 years in prison.

Maple Heights Council passes 'Pay to Stay' legislation to help tenants affected by pandemic

By Judith Goldsworth

After several months of discussion, Maple Heights Council passed an ordinance known as "Pay to Stay" legislation at its meeting last week to assist tenants affected by the economic impact of the ongoing COVID-19 pandemic.

The ordinance stipulates that if a landlord has filed for an eviction for nonpayment of rent, the tenant may pay the past due rent and the late fees by the time of the hearing so that the eviction judgment can be dismissed.

The new chapter is subject to review by council by Dec. 31, 2021, and every year thereafter, the ordinance states. Council may review the legislation more often throughout any calendar year.

Opioid settlement ordinance approved

Council passed an ordinance authorizing Mayor Annette Blackwell to sign the participation form to be a party in a class action lawsuit against various pharmaceutical companies.

The legislation addresses the harm caused to Maple Heights residents and those in other communities throughout the state and the nation by "misfeasance, nonfeasance and malfeasance committed by certain entities within the Opioid Pharmaceutical Supply Chain... The state of Ohio and local governments are separately engaged in litigation seeking to hold Opioid Pharmaceutical Supply Chain Participants accountable for the damage caused."

Police Chief Todd Hansen explained, "The state is suing basically all of the major drug manufacturers for the opioid epidemic that's going on around the country. Ohio is one of the first two states to actually engage in this lawsuit. We've been going down to the meetings and this is being led by four separate groups within Ohio, four

separate lawsuits that are going on. Basically, they're splitting up a pot of money. The pot of money's about \$800 million right now. It's going to go up to a billion, possibly, when Johnson & Johnson gets involved, and Johnson & Johnson is a party to this lawsuit. There's a lot of legalities involved."

"Maple Heights, when all is said and done, is looking to get somewhere between \$56,000 and \$80,000. Probably, it will be a number of years before that actually comes to fruition when the lawsuit is completely done," Hansen continued.

Other legislation passed

There was a large amount of legislation on last week's agenda, and among the pieces approved included the following:

- Submitting a charter amendment to the voters in the Tuesday, Nov. 2 election to remove a prohibition on the use of photo monitoring devices (cameras) for enforcement of traffic laws.

Maple Heights Council passes 'Pay to Stay' legislation

(Continued from Page 3)

- Authorizing Blackwell and Hansen to apply for and accept, with 50% matching funds, a Patrick Leahy Bullet-proof Vest Partnership Grant from the U.S. Department of Justice for body armor vests for the police department in the amount of \$18,050. If the grant is awarded, the city will pay \$9,025.

- Authorizing a contract with Gopher Outdoor Sports to buy outdoor fitness equipment for the Stafford Park Outdoor Fitness Network Project, at a cost of \$16,642.

In 2020, the city had received grant funding in an amount up to \$58,000 from the Ohio Development Services Agency originally intended for the Stafford Park Pool Sprayground, but due to the coronavirus pandemic did not open it this summer. The ODSA subsequently approved a modification of the grant agreement to instead use a portion of the funds for the outdoor fitness network, with security cameras in the park.

- Authorizing Blackwell and Human Services Director Linda Vopat to file an application for funding from the Northeast Ohio Areawide Coordinating Agency through the Enhanced Mobility for Seniors and Individuals with Disabilities Program for the purchase of two new vehicles for transportation for the Human Services Transportation Program. The city will provide at least 20% in local matching funds if the application is approved.

- Authorizing Blackwell to apply for \$90,000 in Community Cost Share Program funds from the Northeast Ohio Regional Sewer District for leaf collection equipment for the city, as recommended by the service department.

- Authorizing a contract with Klyn Nurseries to purchase 71 trees at a cost of \$15,005 to be planted on Dunham Rd., from Mendota Ave. to the south corporation line, as part of the Cuyahoga County Healthy Tree Canopy Program, Dunham Road Greenway Tree Planting Project. The resolution states that the city has been awarded \$39,937.50 in county funds towards the project, with the city committing to 10%, or \$4,437.50 in local funds, for a total project cost of \$44,375.

- Authorizing City Engineer Ed Hren to begin preparing plans and specs and to go out for bids for the 2021 Pavement Repair Program in the city.

- Authorizing the city's participation in the Ohio Department of Transportation Cooperative Purchasing Program, "for the purchase of machinery, material, supplies or articles."

- Selling an unimproved city-owned residential lot on Gardenview Dr. to an adjacent property owner for use as a side yard.

- Allowing the Maple Heights Land Bank to accept title to a parcel of land at 5065 Lee Rd., from the Cuyahoga County Land Bank and selling the parcel to an adjacent property owner for their use.

Legislation to change hours allowing overnight parking hours in the city from 4-6 a.m. to 2-6 a.m. was placed on second reading.

Chief reports

In his report to council, Chief Hansen stated there had been a large number of catalytic converter thefts, including from city-owned vehicles, earlier in the week, and noted that the thefts were not confined to Maple Heights, but had been reported to multiple law enforcement agencies throughout the area.

Hansen briefly touched on the recent sentencing of former Maple Heights High School secretary Karla Hopkins in Cuyahoga County Common Pleas Court to 18 months in

prison for stealing more than \$40,000 in school funds between July 2017 and June 2018, that were intended for student programs. Hopkins has been ordered to pay back the money she stole, according to court records.

Hansen also spoke on the death of 5-year-old Princeton Patterson, who shot himself in the head in his Maple Heights Blvd. home on Tuesday, July 13. He said the mother and her boyfriend were both charged with multiple counts of manslaughter.

Announcements

Vopat reported that the city will be hosting a "Back To School" rally at Stafford Park on Friday, Aug. 13, from 11 a.m.-2 p.m. School supplies will be given out and activities will be featured.

The Maple Heights Senior Center will reopen to the public on Monday, Aug. 16, Vopat also announced, and meals will be served. All safety precautions are being taken, she stated.

Dinah Mouat of The Southeast Clergy Meals on Wheels program of Bedford, which has had a long and close relationship with Vopat and the Maple Heights Senior Center, made a special presentation at the meeting to donate \$2395 for a new refrigerator for the senior center. Vopat gratefully accepted the donation along with a Certificate of Appreciation from the program.

Community Police reports

GARFIELD HEIGHTS

MOTOR VEHICLE THEFT

•A resident told police that sometime overnight July 31-Aug. 1, someone stole his 2009 Cadillac CTS from his driveway in the 4800 block of E. 84 St. Vehicle entered into Law Enforcement Automated Data System (LEADS).

•On Aug. 2, a man living in the 4600 block of Rockwood Rd. told police his 2013 GMC Terrain was stolen from his driveway between 1:30 and 7:36 a.m. He said he thinks he left his keys in the ignition. Police learned the stolen vehicle was towed by Cleveland PD at 5:30 a.m. from the CMHA area of E. 110 St. and Mount Carmel, and advised the owner of his car's recovery.

WEAPON OFFENSE

On Aug. 2, at about 2:55 a.m., an officer was in the area of Garfield Heights High School and heard a loud crash nearby, north of his location. He saw a vehicle driving slowly that looked like it had been in an accident and was unsafe to drive. The patrolman checked the area at Burger King, 4869 Turney Rd., and saw that a large concrete trash can had been struck and pushed north on the sidewalk, consistent with causing the damage the vehicle had sustained. He stopped the vehicle at Turney Rd. and Dorothy Ave. The driver was found to have a suspended driver's license. He denied being involved in the accident. There was a strong odor of alcohol coming from him and he was given a field sobriety test and placed

under arrest for OVI. His car was found to contain a loaded .22 caliber firearm in the trunk. He was also charged with improperly handling a firearm in a motor vehicle.

THEFT FROM AUTO

On Aug. 7, at 7:19 a.m., police were dispatched to Auto Zone, 5055 Turney Rd., for a theft/criminal damaging report. The complainant told police that when she arrived at work about 7 a.m., she discovered one of the company vehicles had been broken into. Police observed the front passenger window of the car had been completely broken out. Various small tools appeared to be missing from the car.
