Ohio Gov. Mike DeWine appoints DiGeronimo to fill G.H. court vacancy

Ohio Governor Mike DeWine last Friday announced the appointment of Sergio I. DiGeronimo to serve as a judge on the Garfield Heights Municipal Court.

DiGeronimo, of Brecksville, will assume office on Dec. 20, 2021, on the GHMC and will be filling a judicial vacancy once held by Judge Jennifer Weiler, who retired effective September 30, 2021.

Sergio I DiGeronimo

DiGeronimo must run for election in November 2023 to retain the seat.

DiGeronimo has served as the prosecutor and assistant law director for the city of Brecksville since 1998, and prior to that spent time as an assistant to Brecksville Prosecutor Roger A. Wadsworth.

Throughout his professional career, he has worked as an attorney at law representing individuals and corporate clients.

'Christmas in Bedford Falls' celebrated Saturday

By Judith Goldsworth

The celebration will be held in Bedford's Historic Downtown District this Saturday, Dec. 11, from noon-3 p.m. Featured will be a photo opportunity with Santa Claus and Mrs. Claus, crafting, ice sculpting, goodies, holiday lights and music, and much more.

City Manager Mike Mallis and other city officials encouraged residents and visitors alike to come to the event, which is being sponsored by the city's Parks and Recreation Department.

Maple Heights mayor to run for county executive

Maple Heights Mayor Annette Blackwell has announced that she will be a candidate for the office of Cuyahoga County Executive in next year's race for that position.

In an online posting of a letter from Blackwell, who has served as Maple Heights mayor since 2016, she said in part:

"Prior to my six years serving as Mayor, I was a very successful business professional and my employers include KeyBank working as an administrative professional in installment lending, University Hospitals of Cleveland, an Administrative Coordinator for the President and Chief Medical Officer of University Hospitals Primary Care Physician Practices, and 16 years as a Senior Commercial Property Tax Analyst at Deloitte and Ryan International Tax Services. Proudly, I was the Co-Leader of the Black Employee Network (BEN) at Deloitte and while at Ryan Global Tax Services was the United States India Liaison, a position where I hosted several of my Indian colleagues on their U.S. rotation to Ohio. Additionally, I trained and supervised their U.S. work assignments for the Hyderabad India Property Tax Department.

"While in the Mayor's Office, I serve on several boards to expand my knowledge, acquire influence, develop relationships with key businesspersons and organizations to positively affect the city's public relations, position for significant economic development and compete successfully for grants, as well as experienced and professional employee talent.

"I have assembled an impressive and competent administrative team who is poised to continue the noteworthy revitalization and reinvestment that is taking place in the city (Maple Heights) as well as the hard-fought financial stability, lifting the city out of the fiscal emergency designation. Therefore, it is with this body of work, confidence and faith that I look forward to the next executive office. More specifically, the Cuyahoga County Executive."

The mayor's campaign manager said more information will be available when Blackwell's campaign website is up and running. Stay tuned!

Newburgh Heights gets first book locker in area

Cleveland Public Library leadership joined Newburgh Heights leaders last Friday morning in a ribboncutting celebrating the opening of the first book locker in the area, bringing a new way to get books, movies and other library materials to the village.

The Grab & Go lockers at the Village Hall, 3801 Harvard Ave., serve as a stand-alone, fully automated branch that allows users to pick up books and other materials during business hours.

All patrons have to do is go online and place an item on hold, select Cleveland/Newburgh Heights Lockers as the pickup location, receive item available notification and scan library card at locker to get items. Got a return? Use return slot on lockers. More info at cpl.org.

Shown left to right at the library ribboncutting ceremony at Newburgh Heights Village Hall are: N.H. Councilman Bill Dunman, N.H. Councilwoman Dorene Kray, N.H. Councilwoman Linda Giersz, N.H. Mayor Trevor Elkins, N.H. Councilwoman Gigi Traore, Cleveland Public Library Executive Director Felton Thomas, Jr., CPL Board President Martiza Rodriguez, CPL Boardmember Teleange Thomas, County Councilman Pernel Jones, Jr.

Bedford Council passes 2022 budget

By Judith Goldsworth

Bedford Council passed the city's 2022 budget at its regular meeting last week amounting to \$39.3 million to fund services, equipment and operations, Finance Director Frank Gambosi stated.

"We are actually operating at a higher efficiency for less money than we did just a few years ago," Mayor Stan Koci said. "I think that's a testament to our administration sitting up here, and department heads and employees doing their part to lowering the budget and keeping it in line with running the city as efficiently as possible."

Council also passed legislation to amend the city's 2021 budget to reflect changes in funding and expenses throughout this year, Gambosi stated.

Also passed were three ordinances declaring properties at 32 Mapledale Ave., 65 Talbot Dr., and 132 Greencroft Dr. "dangerous, unsafe and unfit for human habitation or occupancy," and condemning them for possible future demolition.

City Manager Mike Mallis said the city had been trying to work with the respective

property owners for years to renovate and clean up the structures but to no avail.

Two ordinances, one to accept the dedication of Hubbell Circle and Hubbell Way extensions in the Center Road-Willard Ave. neighborhood, the other to accept the dedication of the Belle Court extension in the Turney Road-West Glendale neighborhood, were approved by council.

Approving the legislation accepts the roadways for public use and maintenance within the city, and also fulfills a filing requirement with Cuyahoga County that the streets be dedicated, Mallis stated.

An ordinance authorizing Mallis to enter into a contract between the city and the Firefighters Local 1683, International Association of Firefighters, was approved by council. The contract is the last of three contracts to be approved this year between the city and union workers, another being for police officers, and yet another for American Federation of State, County and Municipal (AFSCME) employees, Mallis stated.

As with the other two contracts, firefighters will receive a 6.5% raise which will be distributed as 2% (retroactively) for 2021, 2.5% for 2022, and 2% for 2023.

Council approved legislation to enter into a contract with Acuity-VCT for the purchase and installation of a new server, video capture system VCS surveillance, and video management software for the Municipal Complex, at a cost of \$13,327. The need for an update was "immediate, due to cyber threats and to strengthen the current security for the safety of the general public and employees," according to the legislation.

Also approved was an ordinance for the city to buy a John Deere 1200A Bunker and Field Rake for the Parks and Recreation Department from Revels Turf and Tractor, LLC, at a cost of \$14,424.80. This will take the place of aged equipment, which needed to be replaced for some time, Mallis stated.

And legislation to adopt the city's Fixed Asset (Capital Asset) Policy, to conform with the requirements of the Ohio Revised Code, and also to clarify procedures, per Gambosi, was approved.

Donation for 'Meals'

In a special presentation at the meeting, Dinah Mouat of the Southeast Clergy Meals on Wheels received a \$1,000 donation from Koci on behalf of Bedford city employees for the program that assists elderly and disabled homebound residents in Bedford and other nearby communities.

City employees pay a dollar into a special fund to "dress down" on Fridays throughout the year and the money goes to the Meals on Wheels program, Koci said.

Railroad companies to be fined

Mallis said that after a railroad company had been blocking crossings in the city recently, one time as long as five hours, the company will be fined under an ordinance passed this past summer prohibiting blocking of city crossings for more than five minutes at a time. Civil fines of up to \$1,000 may be imposed for each violation.

Cleveland Council holds last meeting of the year

Cleveland City Council held its final meeting of the year Monday night, with the new council being sworn in on Monday, Jan. 3, 2022.

Here are some of the highlights of action council took at its final meeting of the year.

- Authorized the city to enter into grant agreements totaling \$3.5 million with the Hitchcock Center for Women to support the construction of a new residential treatment facility.

The Hitchcock Center at 1227 Ansel Rd., provides treatment and recovery services for women with substance abuses. Since 1992, the center has been operating out of the former St. Mary's Seminary built in 1924.

Currently the treatment center serves 223 women and 23 children. It has teamed up with the Finch Group for the construction project. Finch is proposing a new building containing updated state-of-the-art facilities and recovery housing.

Other organizations have pledged millions in support of the project. The city's grants would come from emergency funds from the federal government – the CARES Act and the American Recovery Plan Act.

- Adopted an ordinance for the public improvement of the city's sewer lines, including constructing and installing replacement sewers and repairing and rehabilitating existing sewers and sewer connections, relining sewers and constructing and repairing catch basins and man-holes at various locations throughout the city.

- Authorized the payment of \$2 million to Northeast Ohio Neighborhood Health Service (NEON) to assist the agency with pandemic-related community health and social service programming. The funding would go for food distribution, educational programming on healthy eating, lead poisoning testing and safety measures, and mental health services.

A portion of that award - \$200,000 – will go toward upgrades, outside of what insurance covers, in repairing the extensive fire damage at NEON's Hough neighborhood facility. The \$2 million grant comes from the city's American Rescue Act funding.

- Authorized the city to direct a \$3 million forgivable loan to an affordable housing project on E. 66 St. in the Hough neighborhood.

'Christmas in Bedford Falls'

(Continued from Page 1)

The celebration will be held in Bedford's Historic Downtown District this Saturday, Dec. 11, from noon-3 p.m.

Featured will be a photo opportunity with Santa Claus and Mrs. Claus, crafting, ice sculpting, goodies, holiday lights and music, and much more.

City Manager Mike Mallis and other city officials encouraged residents and visitors alike to come to the event, which is being sponsored by the city's Parks and Recreation Department.

Councilman Jeff Asbury said that the Bedford Downtown Alliance would be offering a "Make and Take" holiday craft for kids at 661 Broadway Ave., next to Broadway Cyclery.

Ice sculptures will also be featured, Asbury said, along with a DJ. The Bedford Historical Society will be open from noon-3 p.m., as will the Dunham House, which is expected to be decorated like an old fashioned Christmas from 1876.

GARFIELD HEIGHTS

Weapon Offense

On Nov. 28, at 10:43 p.m., Garfield units were dispatched to the Sunoco station at 5326 Turney Rd., for a report of a male pointing a firearm at someone. As officers were enroute to the area, dispatch advised that the suspect left in a dark blue Chevy Malibu. Moments later the vehicle was spotted on Granger Rd., just past Dunham Rd., and a traffic stop was initiated. The suspect told police he had just come from the Sunoco station and he did have an argument with a woman there and did remove his handgun, that was now located in the center console of his car, from his waist during the argument. Police removed a loaded semi-automatic pistol from the center console. After checking with LEADS, police learned the suspect's CCW license had expired.

Police talked to the complainant/victim, who told them that while she was at the Sunoco station she had gotten into a verbal argument with a male over both parties attempting to pull up to the same gas pump. The woman went to a different pump, but while inside the station the male continued to argue with her and revealed a black handgun in his waistband and then got in his car. The woman started taking pictures of the man's car and license plate. He exited the vehicle and pointed the gun at the victim and said he would shoot her. She then left the station while calling 911. The suspect was arrested and transported to city jail. He was charged with no CCW permit and aggravated menacing and held on no bond.

Theft

An officer was met at the station by a woman living in the 12000 block of Maple Leaf Dr. who wanted to report theft of her identity. She said she was notified on Nov. 29, that someone had filed for unemployment in her name. She learned that this person had opened accounts with Chase Bank and Cash Net USA back in 2016. The unemployment checks were sent to her former residence in Maple Heights. She said she moved from there a while ago and doesn't know who lives there now. She was advised to contact the Ohio Attorney General's Office and keep an eye on her credit report for suspicious activity.
