## Councilman David Wingenfeld of Valley View passes away; council extends sympathy to family

The Village of Valley View Council met in its regular monthly session Jan. 5, the first meeting since the untimely death of Councilman David Wingenfeld on Dec. 17.

Mayor Jerry Piasecki said, "Dave was a devoted father, respected neighbor, esteemed councilman, dedicated village historian, hardworking farmer and conservationist, and most importantly a friend to so many."

The mayor introduced Dan, Noah and Megan Wingenfeld, who read a letter about their dad and the projects he supported and wanted to see continued.

Council President Jeff Wyatt then presented a proclamation to the Wingenfeld family. Council appointed Ken Pytlak to fill the council vacancy left by Wingenfeld's passing.

Wingenfeld

The following ordinances and resolutions were among those passed by council at the meeting:

- Authorizing the repayment of an advance of funds from the Capital Projects Flood Mitigation Assistance 2017 Fund to the General Fund;

- Authorizing the repayment of an advance of funds from the Capital Projects Hazard Mitigation Fund to the General Fund;

- Transferring funds from the General Fund to the Fire Pension Fund;

- Funding the full deductible of the Medical Mutual Supermed Plus HSA healthcare plan for all qualified full-time employees;

- Purchasing a Pierce Enforcer pumper for the Fire Department through state contract in an amount not to exceed \$742,175;

- Accepting a storm water management and access easement for Ferguson Enterprises LLC at 5486 Cloverleaf Pkwy.

The following expenses were authorized by council:

- \$8,169.51 to renew the maintenance program for three generators for three years through Generator Systems;

- \$12,000 for a change order for the home at 6713 Canal Rd. due to a structural problem;

- \$500 donation to the Cuyahoga Heights High School After Prom.

In other council business, Councilman Jeff Wyatt was elected council representative to the Planning Board for 2021, Councilman Matthew March was elected president pro-tem of council for 2021, and the mayor's reappointment of Alan Sprague, Joe White, Mike Bertovich and Tony Fini to the Planning Board for one-year terms was accepted.

Also approved was the re-appointment of Rocco Casadonte, Doug Dyer and Jeff Grabel to the Recreation Board for two-year terms, and the appointment of Jeff Wyatt, Simon Caplan and Maria Eder to the EDG Committee for two-year terms.

## Female Uber driver carjacked, assaulted on Oakview Blvd. in G.H.

A female Uber driver was carjacked and beat up last Friday night by four men on Oakview Blvd. in Garfield Heights.

Officers responded to a home in the 13700 block of Oakview Blvd. at 9:38 p.m., on a report of an assault and stolen car. They found the victim sitting on the front steps of the home appearing to be in a state of shock at what had happened.

She was taken by ambulance to Marymount Hospital where police were able to speak with her. She told them she was called to a home in the 5500 block of Cumberland Dr. to pick up four males via Uber. The men were described as being four young black males and wore medical masks. They directed her to Oakview Blvd., and while traveling eastbound on Oakview in her 2020 Kia Forte, the men began to attack her. They started punching her in the face and head while trying to choke her.

One of the men hopped in the front seat and started to hit her and tried to stop the car. At some point the rear doors opened and three of the men jumped out. The woman then floored the accelerator down the street and the male in the front seat with her was successful in stopping the car in the 13700 block of Oakview Blvd.

The men who had jumped out of the car caught up to the Kia, opened the driver's door and threw the driver to the ground. The men all got in the Kia and drove away eastbound towards E. 139 St.

On Monday, Jan. 18, GHPD was notified that the stolen Kia was recovered by Cleveland police at E. 152 St. and Waterloo Rd. The car was not occupied and the keys were in the ignition. It was noted that the Kia had rear left end damage that appeared new. The GHPD Detective Bureau is following up.

## PROMOTED TO LT.

Shawn Foust with the Garfield Heights Fire Department was recently promoted to the position of lieutenant effective Jan. 13. He is shown being congratulated by Mayor Vic Collova, at left, following swearing-in ceremonies.

Lt. Foust has been with the department since 1996, and will be working in the Fire Prevention Bureau. While on shift, he specialized in training members of the department and spends a lot of his time off from the station teaching all over the country.

## Todd Bloam elected council president in Cuy. Hts.

The Village of Cuyahoga Heights Council met in regular session last Wednesday, Jan. 13, and nominated and approved Todd Bloam to serve as council president for 2021.

Also passed was the following legislation:

- Accepted the renewal quote of Plant Technologies in the amount of \$7,603.20 for online services;

- Created a 2021 Village Scholarship for graduating high school seniors residing in the village;

- Authorized the village to enter into a First Amendment

to the Demolition Program Cooperative Agreement with Cuyahoga County;

- Appointed Dean DePiero as magistrate for the village Mayor's Court;

- Authorized a change order and change of scope for the Nicky Boulevard Storm Sewer Extension and Slope Stabilization Improvements Project, Phase II;

# Cuyahoga SWCD hosts 2021 poster contest

Cuyahoga Soil and Water Conservation District (SWCD) hosted a 2020 district poster contest for Cuyahoga County students themed "Where Would We Bee Without Pollinators." First place students in each grade band level advanced to the state contest sponsored by the Ohio Federation of Soil and Water Conservation Districts.

Gianna Condelli, a student in Matt Lubin's class at Mayfield Middle School, finished first in the 7th - 9th grade category at the state competition. Her poster is on its way to the national competition sponsored by the National Association of Conservation Districts (NACD) and the NACD Auxiliary. Ayden Gonzalez from Charles A Mooney School in Cleveland finished second at the state level in the 2nd-3rd grade category.

Cuyahoga SWCD is hosting a 2021 Poster Contest themed "Healthy Forests = Healthy Communities." Students may begin posters on or after Tu B'Shevat, Thursday, Jan. 28, the day that marks the beginning of a "new year" for trees. Register classes online by Thursday, April 1, the beginning of Ohio Native Plant Month. Submission deadline is 6 p.m. on Arbor Day, Friday, April 30. Detailed instruction available at [www.cuyahogawcd.org](http://www.cuyahogawcd.org) - click on Events - January 28th.

Linking art and creative thinking with science, the poster contest provides K-12th grade students the chance to develop and share their thoughts and ideas about natural resource issues. Posters are submitted digitally

and the topic can be explored virtually so the contest is a great remote learning experience. Students are encouraged to use the poster to creatively express their ideas on how conservation improves the environment.

County schools can request other tree-related programs from Cuyahoga SWCD. The Native Urban Tree Starters (NUTS) program, which directly and actively involves students in the process of restoring the tree canopy in Cuyahoga County, has lessons and activities for grades K-12. District educators can bring the free Project Plant It program to 3rd grade classes in late April to celebrate Earth Day, Arbor Day or Stewardship Week. Project Plant It provides free education materials for teachers and free tree seedlings and pollinator packets for students (while supplies last).

Cuyahoga Soil and Water Conservation District's mission is to implement programs and practices that protect and restore healthy soil and water resources. For more information regarding this contest, contact Jacki Zevenbergen, Stormwater Education Program Manager at 216/524-6580, ext. 1006 or [jzevenbergen@cuyahogawcd.org](mailto:jzevenbergen@cuyahogawcd.org) or visit website [www.cuyahogawcd.org](http://www.cuyahogawcd.org).

# Letters to the Editor

## Marlene Ziel remembered

Today (Jan. 13), sadly, I attended the funeral at St. Columbkille in memory of Marlene Ziel. I attended with my husband, Keith Kish. Dave Ziel, Marlenes's oldest son, and Keith are friends.

After the funeral I stood in the parking lot, social distanced, listening to many of Dave's childhood friends that Marlene had an impact on. She had an impact on so many! Fun stories of Marlene's laugh and larger than life interest in others!

At a normal wake, in a normal year, the lines would have gone around the building to show support for Marlene's family and as a tribute to the amazing woman she was during her lifetime.

I feel a bit cheated for the family and friends... COVID, a thief in the night.

It is an honor that the athletic scholarship at Garfield has been renamed (see Editor's Note below). A small tribute to Marlene's amazing life well lived!

Robin Kish  
Twinsburg, Ohio

*(Editor's Note: The Garfield Heights Athletic Booster Club has made the decision to change the name of their \$1,000 college scholarship to the "Marlene Ziel Forever a Bulldog Scholarship.")*

# YEAR IN REVIEW

## What happened in 2020

*(If anyone wants to remember it)*

Here are some of the highlights of the year 2020, as seen through the eyes of The Neighborhood News.

### JANUARY

• The first day of the new year was a good one for North Broadway resident Betts Skrha, who celebrated her 90<sup>th</sup> birthday that day. It was pre-COVID, so friends and family gathered at Bonefish Grill in Independence to celebrate her big day.

• The Federal Bureau of Investigation partnered with local, state and federal law enforcement under a new initiative to tackle crime in seven of the country's most violent cities, including Cleveland.

Judge Jennifer Weiler of Garfield Heights Municipal Court is shown administering the oath of office to Independence Mayor Gregory Kurtz in ceremonies at

city hall on Jan. 2, 2020. Longtime Indy Mayor Kurtz was back in the driver's seat of the southeast suburb after a four-year hiatus caused by term limits.

• Maple Heights Mayor Annette Blackwell was sworn into another term of office on Jan. 6, at a special ceremonial Maple Heights City Council meeting at Milkovich Middle School.

• Slavic Village Development presented the annual "State of the Neighborhood 2020" on Jan. 16, at Third Federal's corporate headquarters on Broadway Ave., with civic leaders and neighborhood stakeholders presenting an optimistic view of their community over the past year and beyond. Sara Amato of University Settlement told attendees about the new four-story multi-family and commercial development to be located on the site of the former St. Alexis/St. Michael Hospital. Michael Jones of the U.S. Census Bureau explained the benefits of all residents being counted during the 2020 Census tabulations and urged residents to participate.

# YEAR IN REVIEW

(Continued from Page 3)

- St. Monica Parish's Winterfest 2020 was held on Jan. 19, on the campus of St. Monica Parish, 13623 Rockside Rd., Garfield Heights. Activities included raffles, home cooked food, prizes and music. All proceeds went to offset the parish's utility bills.
- The US Bank at 5695 Turney Rd. in Garfield Heights was robbed on Jan. 21, about noon, by two men wearing masks and hoodies, one of them armed. Both were captured within a half hour of the robbery by Garfield Heights police.
- Newburgh Heights Council, at its January meeting, hired former Independence Mayor Anthony Togliatti to serve the village as economic development director.

## FEBRUARY

- With a 60-year history in the neighborhood, Vic's Floral transitioned ownership as longtime owner, Drew Haney, sold the company to longtime employee Kelly Hastings in 2017. On Feb. 11, the shop was relocated from its original site at E. 71 St. and Broadway Ave., to its new location at 6304 Fleet Ave.
- Kelli Jachym, the first full-time female police officer in Cuyahoga Heights, was sworn in before the Feb. 12 village

council meeting.

- Donato "Danny" F. Deliberato, 81, owner and operator of Golubski Deliberato Funeral Home since 1970, passed away on Feb. 13.
- At its annual State of the City address on Feb. 13, Bedford City Manager Michael Mallis announced that council had given its okay this month to explore a complete redevelopment of the parking lot space behind Bedford Commons and the train station, complete with a shelter, greenspace, skating rink/spray pad, children's interactive area and more.
- Garfield Heights mourned the loss of Parks & Recreation Director Bob Dobies, who died unexpectedly on Feb. 19.
- The city of Garfield Heights presented a Black History Celebration on Feb. 19, at the Garfield Heights Center for the Performing Arts, with guest speaker Judge Larry A. Jones, Sr., of the Eighth District Court of Appeals.

• The mayors of Bedford, Garfield Heights and Bedford collaborated on a regional "first," to present the 2020 Multi-city Black History Month program at the Performing Arts Center on Feb. 21, directed by Janice Tubbs and hosted by FOX 8's Wayne Dawson.

• On Feb. 23, the lady butchers from Saucisson on Fleet Ave. in Slavic Village, Penny Barend and Melissa Khoury, were featured on the Food Network show "Beat Bobby Flay." The show pits two chefs against each other to see

who then takes on Bobby Flay. Barend, representing the team, beat the former Iron Chef of the Food Network on his own show!

Shown here are the Lady Butchers of Saucisson, Penny Barend and Melissa Khoury.

• Drew Haney, owner of Vic's Floral in Slavic Village from 1977 to 2017, passed away on Feb. 24.

## MARCH

• St. Patrick's Day was celebrated throughout The Neighborhood News area on March 17, with Kegs & Eggs at the 49 Street Tavern in Cuyahoga Heights, a car wash grand opening at Gas USA at Harvard and E. 71 St., and corned beef, corned beef and more corned beef at American Legion Post 309, Chris' Family Restaurant, Gabor's Deli, K&K Meats, Red Chimney and Fleet Deli.

• By the NN issue of March 18, the COVID-19 pandemic had reared its ugly head, canceling the annual Ice Show in Garfield Heights and the Slavic Village Neighborhood Summit. City municipal buildings were closed throughout the area, public meetings began to be scheduled virtually and all publicly celebrated Masses/liturgies were suspended by the bishops of Ohio. The state has mandated Stay at Home orders for all Ohio residents whose jobs are deemed "non-essential."

• Although impacted by Gov. Mike DeWine's ordered closing of businesses such as restaurants, banks, city halls, libraries, etc., in light of the pandemic, The Neighborhood News is considered "essential" and continues to publish during these trying times and urged readers to access the newspaper online if at all possible for everyone's safety until the crisis is over.

• As sure as spring follows winter, the Ohio & Erie Canal in Valley View will overflow its banks onto Canal Rd. And that's exactly what it did from a downpour on March 29. Sections of the nearby Towpath Trail in the Cuyahoga National Park also flooded that day and were forced to close.

## APRIL

• All Roman Catholic churches in Ohio were closed to the public for Masses at least through Easter Sunday. Holy Communion, confessions, weddings and funerals are happening but with minimal attendance and only in cases of dire need. All schools are closed.

• The Cuyahoga County Office of Emergency Management announced the opening of a donation collection point in Newburgh Heights in response to the COVID-19 pandemic. Items needed include N95 masks, surgical masks, isolation gowns, eye protection, face shields, nitrile gloves, disinfecting wipes and hand sanitizer.

• Garfield Heights Mayor Vic Collova confirms that plans for a business park at City View are in place and the deal is very close to being finalized.

• Xellia Pharmaceuticals received approval from the Food and Drug Administration to begin manufacturing drug products at its plant in Bedford, the former Ben Venue Laboratories facility on Northfield Rd.

• Giant Eagle at City View ended its in-store customer business on April 17 and converted into a curbside pickup-delivery only store.

## CLEVELAND

### Motor Vehicle Crash

On Jan. 13, at 8:35 p.m., a car crash occurred at E. 64 St. and Harvard Ave. with the vehicle hitting a pole. A 35-year-old male was transported to MetroHealth Medical Center with serious injuries.

### Bomb Squad Called

On Jan. 13, (time not noted), the Bomb Squad responded to the 4500 block of Turney Rd. Item rendered safe.

## GARFIELD HEIGHTS

### Theft of Motor Vehicle

On Jan. 13, at approximately 6:45 p.m., an officer was dispatched to System Seals, Inc. at 9505 Midwest Ave. The complainant there told the officer she had arrived back at the above location after lunch at approximately 1:30 p.m. She said her car keys must have "fallen out of her pockets" and remained in the vehicle. Her 2021 black Kia Seltos is seen in security footage leaving the area with what appears to be two men inside at 6:03 p.m. The auto was entered as stolen into L.E.A.D.S.

### Theft from Auto

On Jan. 14, at about 8:10 p.m., police spoke with a woman living in the 9800 block of Plymouth Ave. regarding a theft from automobile complaint. She said between midnight and 6 a.m., her husband's vehicle was broken into by an unknown person. She said that the vehicle was accidentally left unlocked and she is the one who drives the vehicle daily. She reported that two First Progress credit cards and \$20 were taken from the vehicle.

### Noise

On Jan. 14, shortly before midnight, officers responded to the 10900 block of McCracken Rd. for a report of loud

music in the area. They observed a vehicle parked on a front lawn with the car radio blaring and a male inside screaming. He was escorted to the patrol vehicle parked on the street. After he was secured, an officer heard a commotion with police dealing with other people from the house. A male was screaming repeatedly that he was going to "beat every officers ass." The man was advised that he was under arrest. After a short struggle an officer pulled out his Taser and activated it. The man then complied and yelled not to Tase him. The Taser was not deployed and officers were then able to get him into custody and secure him in a patrol vehicle. Upon arrival at the jail both parties were loud and uncooperative. The first male was arrested for obstructing official business, menacing and issued a summons for loud music. The second male was arrested for menacing and resisting arrest.

### Juveniles

On Jan. 14, at about 3:42 a.m., police observed two male juveniles standing in the road on Garfield Boulevard, near E. 86 St. Officers asked them why they were standing in the road but the pair seemed very disinterested in speaking with officers. One of the youth had an exposed firearm handle sticking out from his front pocket. When police saw the weapon he was detained without incident and the firearm removed, which turned out to be a Walther Airsoft-type pistol. The pair denied being in the area for anything criminal in nature, but said they were on the way "to pick up clothes" at nearly 4 a.m. Police transported the juveniles to a Garfield Boulevard address and turned them over to relatives. Charges of curfew and possessing certain weapons pending after review of the Youth Bureau.
