Memorial Day parade to resume in Bedford

By Judith Goldsworth

After a virtual online observance was held last year due to the COVID-19 pandemic, the annual Memorial Day parade through Bedford will resume this year, City Manager Mike Mallis and Mayor Stan Koci announced at the city council meeting Monday night.

Mallis said the parade, set for Monday, May 31, will begin at Bedford City Hall at 10:10 a.m., and make its way down to the Commons for a short ceremony, then continue down to Bedford Cemetery for additional ceremonies.

Koci added, "I think it's a very moving parade, thanks to the joint veterans who help put this parade on and that we help out with. So please come out and enjoy, but keep it solemn and let's think of those people that paid the ultimate sacrifice."

Councilman Donald Saunders mentioned that he had been contacted by the parade's organizers and they are looking for any veterans from World War II to participate. They will provide them with golf carts for the parade. He said to contact Mallis for signups.

Summer events

With summer on the horizon, Koci announced that council's summer schedule of meetings had been set for: Monday, June 7; Tuesday, July 6; and Monday, August 2. Due to the ongoing pandemic, meetings are currently held via teleconference, and are available on the city of Bedford's YouTube channel. Koci said the city would wait until September at the earliest to have in-person meetings again at City Hall.

Mallis stated that passes for the municipal pool were currently on sale and encouraged residents to visit the city's website, bedfordoh.gov, or contact the Parks and Recreation Department for summer employment opportunities.

He said there would be several new events for residents being planned for later this summer.

Mallis also mentioned that Bedford had recently taken ownership of an abandoned property in poor condition at 180 West Grace. The plan was to demolish it "very quickly," he added.

Legislation approved

Council passed an ordinance at Monday night's meeting authorizing Mallis to contract with Vandra Brothers Construction Inc. of Bedford, in an amount not to exceed \$373,705, for the 2021 Road Improvement Program. It was noted in the legislation that this amount does not include construction inspection and engineering fees.

Mallis said that Vandra submitted the lowest and most responsive bid for four streets to be done this year, including Bell, Deborah, Edgewood and Egbert rds. He explained that out of the \$106,000 designated for the Egbert repairs from Union St. to the bridge, \$45,000 of that will be reimbursed by Cuyahoga County.

Mallis said the city may be able to secure some additional funds for the Union St. project that would free up dollars to use toward the alternate streets for this bid, namely Nordham Dr.

Also approved was an ordinance authorizing the city to accept a \$50,000 Community Development Supplemental Grant award from the county for adding modern amenities and technology improvements in the city's Historic District, which include installation of two electric vehicle charging stations in the municipal lot, the purchase of additional benches and new bike racks and for hardware and equipment necessary to provide public Wi-Fi in the Commons area.

Council approved legislation authorizing a contract with Pelton Environmental Products of Lewis Center, Ohio, for maintenance and inventory for the belt filter press system at the city's Wastewater Treatment Plant at a cost of \$14,361.

Also passed was an ordinance to levy assessments for expense of garbage and refuse collection, recycling and disposal in the city during tax year 2021 and collected in 2022, with Finance Director Frank Gambosi explaining that the amount for trash collection per household will remain the same at \$14 per month.

Council passed a resolution requesting the Cuyahoga County Fiscal Officer to advance taxes from the proceeds of tax levies for the year 2021 that will be collected in 2022, pursuant to Ohio Revised Code.

And also passed at Monday's meeting were three pieces of legislation, passed in Bedford on an annual basis, pertaining to street lighting in the city. One of the three pieces is a resolution to declare the necessity to improve streets in the city by lighting same, and lists the streets subject to improvement.

The other two pieces are ordinances, one to determine to proceed with the lighting improvements on said streets; the other to levy assessments for the lighting improvements, which is 1.5 mills or \$1.50 per each \$100 of tax value per year for tax year 2021, to be collected in 2022.

This is the same millage as before, Gambosi stated.

Announcement

The Building Department is waiving permit fees for the month of June, Councilman Jeff Asbury said. The city's intent is to give property owners a break in costs associated with renovations.

Homicide on Maplerow

On May 15, at approximately 2:31 a.m., Garfield Heights police responded to the 13700 block of Maplerow Ave. for reports of a male and female who had been shot.

The 31 year-old female, Jasmine Cabil, was transported to Marymount Hospital where she was pronounced dead. The male, a 37 year-old Cleveland resident, was transported to MetroHealth Medical Center with a non-life threatening injury.

Cleveland police advised GHPD that they were on the scene of a double homicide on E. 189St. in Cleveland, on May 15, and that the murder suspect in the Maplerow case was one of the victims in the Cleveland homicides. GHPD Detective Bureau responded to the CPD crime scene.

GARFIELD HEIGHTS

Theft

On May 6, a woman went to the police station to report that she was setting up a Roku on her television and trying to add an Amazon Prime membership. When she clicked on the link to install Amazon, she received a pop up stating that there was an error and she needed to call 316-502-6585 for support. She dialed the number and the person answering the phone told her she needed to pay for installation and service over the phone with either a credit or debit card. The woman said she was not comfort-

able giving those numbers out over the phone, so the representative told her to buy \$800 in EBAY gift cards in lieu of the debit or credit card payment, which she did. She realized too late that this was not standard procedure for ordering Amazon Prime. She called her bank and was advised to file a police report. A sergeant did some research and found that hackers can access Smart tv's through their WiFi networks and create false error messages and lure people into calling the bogus support numbers. It appears that is what happened in this instance.

Criminal Damage

On May 9, an officer was told by a city of Garfield Heights employee that sometime between 1:18 p.m. on May 8, and 8:30 a.m. on May 9, someone threw a rock at the windshield of a city-owned bus in the parking lot at the Civic Center causing it to crack. The employee will advise if anything had been caught on security cameras.

Theft – Firearm

Two firearms were reported stolen from a man in the 5700 block of Turney Rd. He told police the theft of his Taurus G3 and Taurus G2 occurred sometime between May 7, at 7 p.m., and May 10, at 3:35 a.m.

Burglary

On May 12, police responded to a room at the Eldorado Motel, 13701 Broadway Ave., for a burglary report. The complainant said that on May 11, while he was at work, someone broke into his room and stole items from him. His 65" television was missing from the stand, his Samsung sound bar was taken and an aluminum floor jack was missing as well. Video surveillance showed that at about 8:30 a.m. a blue truck pulled into the parking lot and backed in front of the victim's room. An unknown person got out of the truck and climbed through the window and then left with the listed items. The person then gets back in the truck and heads west on Broadway.

Felonious Assault

Officers were dispatched to the area of Darlington and E. 122 St. on May 12, at 10:12 a.m., for a male down bleeding. They found a man conscious, laying face down on the apron of a Darlington Rd. home in pools of blood, bleeding from an injury to his mouth. GHFD arrived to perform first aid. The victim indicated that he was jumped from behind but later he stated that he had been hit by a car. He was unable to give any description of the vehicle or who may have hit him. No witnesses or security

cameras were located. Victim transported to Marymount. **Theft**

An officer was dispatched to the 9600 block of Sladden Ave., for a theft report. The victim said that on May 15, about 6 a.m., he noticed his lawn mower and an electric weed eater were missing from his garage. He said he thought he knew who the suspect was after reviewing his neighbor's surveillance video. A man on Cardwell was questioned about the stolen equipment. He said an unknown male gave him the equipment to mow the lawn and instructed him to leave it in the backyard of the property in the 9400 block of Cardwell Ave., Cleveland, where the stolen items were located. The victim declined any further action.

Deadline approaching to nominate members for Ohio Veterans Hall of Fame

The deadline for submitting nominations for the Ohio Veterans Hall of Fame is less than a month away for those who know former service members who are excelling and making a difference in society.

Now in its 28th year, the Hall of Fame recognizes those who served in the U.S. Armed Forces and continue to contribute to our communities, state and nation through exceptional acts of volunteerism, advocacy, professional distinction, public service or philanthropy.

Each year, the Ohio Veterans Hall of Fame inducts up to 20 veterans based on recommendations from an Executive Committee of veterans from throughout the state and approval from the Governor of Ohio.

The deadline to submit nomination forms for consideration for the 2021 class of the Ohio Veterans Hall of Fame is June 1. Also accepted are nominations for those who would be inducted posthumously.

To be considered, the veteran must meet the following criteria:

- Be a past or current Ohio resident
- Have received an honorable discharge
- Be of good moral character

Nomination guidelines, a sample of a completed nomination form, and more information are available at the Hall of Fame Nomination page.

ME report in on woman killed in crash

Deputy Chief Rick Suts of the Bedford Police Department has issued a press release stating that the medical examiner's report on a woman fatally injured in a crash on Jan. 9, 2020, at Rockside and Center rds., shows she had a blood alcohol content of .239, as well as marijuana and lorazepam in her blood.

The Cleveland woman was killed when she lost control of her car while speeding in the area of Broadway Ave. and Rockside Rd. in Bedford. The Bedford police report notes that officers observed the 2008 Audi traveling at a high rate of speed and go off the roadway, striking several cars parked at the Bedford Nissan dealership.

Suts said his department has now closed the books on this case.
