Fleet Bike Shop marks 50th anniversary

Scores of friends of Fleet Bike Shop turned out on Sunday afternoon, Aug. 22, to help owners Marty and Al Zaleski celebrate their 50th anniversary in the Slavic Village neighborhood.

Almost 100 clients turned out on a Sunday afternoon recently to celebrate the 50th anniversary of Fleet Bike Shop, 5002 Fleet Ave., as a staple of the Slavic Village business community and a friend to bicyclists from around the region.

For owners Margaret "Marty" and Alexander Zaleski, the bike shop has been more than just their business. They lived in the building for 40 years and raised their grandchildren there.

The celebration Sunday, Aug. 22, featured a live band, cookout and lots of memories.

Al began repairing traditional bikes at age 16, but both Al and Marty are gearheads, now working on E-bikes as well as traditional bikes. They sell mostly refurbished bikes, however, making them affordable to more customers.

"Al will repair a tire or fix a popped chain for a child any time of the day," said Ward 12 Councilman Tony Brancatelli. "And Fleet Bike is the most affordable bike repair business in Cleveland."

Brancatelli presented the couple with a proclamation from the City of Cleveland and also on behalf of Newburgh Heights Mayor Trevor Elkins to honor Fleet Bike's anniversary and the Zaleski's commitment to the neighborhood.

Community police reports

Garfield Heights

Criminal Damage

•On Aug. 15, a resident reported online that on Aug. 13, between 1:15 and 1:30 p.m., someone broke out her living room window while she was at work and her daughter was at home. Resident advised to follow-up with the landlord.

•On Aug. 17, police responded to the former Arthur Treacher's on Rockside Rd., where the complainant said several windows of the former restaurant had been shot out. Special attention will be given to the property.

Disturbance

On Aug. 15, about 3:04 a.m., officers responded to a disturbance involving individuals physically fighting with one another at a home in the 4700 block of Birchwood Rd. One female, with a strong odor of alcohol on her person and slurred speech, was uncooperative and belligerent with police. After several attempts by officers to get her to stop her disorderly behavior and a struggle with them, she was handcuffed and placed under arrest. She was taken to the station and charged with resisting arrest and disorderly conduct. At 8:30 a.m., once she was sober, she was released on personal bond.

Theft of a Motor Vehicle

On Aug. 16, at 7:21 p.m., an officer was flagged down by several people in the area of Turney Rd. and Summerdale Ave. He was directed to the Sunoco station at 4935 Turney Rd., where a frantic female told him her 2017 Hyundai Accent had been stolen. She said she parked in front of the gas station store and left her car running while she went into the store. She said that while she was in the store her car was stolen by a man she could not fully describe. Another witness described the suspect to the officer and said the man simply got in the car and drove off down Summerdale Ave., eastbound. A check of the area revealed the victim's phone, which had been in the car, was lying in the street at the intersection of Summerdale Ave. and E. 106 St. Vehicle entered into LEADS as stolen. It was later recovered by Cleveland police in a field at 4752 E. 173 St. There was no damage to the car and no arrests were made.

WHEREAS, Section 41 currently provides that the rate of compensation for members of the police and fire division of the Department of Public Safety shall be no less than the average that is paid to the members of the police and fire divisions in suburban cities with a population of fifteen thousand (15,000) or more whose boundary lines are contiguous to the City of Cleveland, and

WHEREAS, Council wishes to amend said language to change the population requirement from 15,000 to 10,000 for the suburban cities contiguous to the City of Cleveland for the police and fire division rate of compensation calculation.

NOW, THEREFORE BE IT ORDAINED by the Council of the City of Garfield Heights, Ohio that:

SECTION 1. Section 41 of the Garfield Heights Charter shall be amended to read as follows (removed language is indicated by strikethrough; additional language is indicated by bold):

Upon passage of this Charter Amendment, a special survey shall be made in accordance with the hereinbefore stated provisions, and the new rate shall be paid beginning January 1, 1973.

For the purpose of this section, the pay ranges of 1971 shall be considered as a base. Such additional funds as shall be required by the operation of this Section in addition to the 1971 base, shall be generated by an increase in the limitation on the rate of taxation as provided in Section 21 of this Charter.

Council is hereby authorized to increase the limitation on the rate of taxation by such millage as shall be needed to realize the funds required.

Community Police Reports

Shots Fired

An officer was dispatched to the 12700 block of S. Parkway, in regard to damage to a home after a call of shots fired. The complainant told police that on Aug. 22, at about 1 p.m., while inside the home with her family, she heard several gunshots and discovered damage on the south side of her home and contacted police. The officer canvassed the immediate area and found several spent casings in front of two homes in the 12700 block of Thornhurst. While searching the residence on S. Parkway, police found damage to the kitchen wall, basement ceiling and a first-floor closet. Complainant will provide video surveillance once it is downloaded.

Assault

•Three officers were dispatched to Walgreens, 5090 Turney Rd., on Aug. 24, at 5:30 p.m. when a female

employee was reported to have assaulted the manager. The caller said the manager was unconscious on the floor. When police arrived the manager told them she was dizzy and seeing stars. Witnesses said the manager was being yelled at by the employee in front of the store and was told to leave. The manager said the employee was not getting her belongings so she put her hand on the suspect's arm to guide her to her locker. The employee then assaulted the manager. The manager said she believes the employee hit her in the face with her cell phone. Officers found the employee walking on Turney Rd. by Plymouth Ave. She told them the manager had grabbed her arm and she punched her in the face. Employee issued a summons for assault. Manager taken to Marymount Hospital by GHFD.

•On Aug. 27, at 2:45 p.m., police were dispatched to Dave's Supermarket in Turney Town Shopping Center for a report of a large group of juveniles fighting. On arrival,

officers observed three of the juveniles actively fighting outside Dave's in the semi truck delivery dock. Two of the juveniles, a male and female, began to resist an officer's efforts to arrest them and were finally subdued when two more officers arrived on scene. All three were taken to City Jail where they were booked without incident. The high school was notified of the situation. One male suspect was charged with disorderly conduct and obstruction, the female with disorderly conduct, obstruction and assault on a police officer. The other male was charged with disorderly conduct. Report forwarded to the Juvenile Detective Bureau.

Connecting for Kids

(Continued from Page 1)

Do you want strategies to motivate your child toward positive behavior? Do you wish you had a kit filled with proactive "tools" you could use to get ahead of meltdowns before they start? Join us each month to learn how to use the tools in our Behavior Toolkit to help your child ages 18 months – 6 years control behavior and manage emotions. This program is designed for children with or without developmental concerns. At each session, Ochanya McRoberts-Wells, MEd, will discuss the theme of the month and answer your questions on a variety of topics, which can be asked during the program or submitted upon registration. You have the option to attend in person or via live stream.

Use Your Story for Personal Growth for Black and Latinx Families

Fridays, September 17, 24, & October 1, 7 p.m., virtual only

Learn to tell your story with power and conviction to get the best results for your child (and for yourself). This program is part of the Torchbearers Advocacy Series which is a workshop for Black and Latinx families of children with health, learning concerns or disabilities who are dealing with bias and unequal outcomes in the systems that serve them. Join Nikki Montgomery, MA, MEd, GPAC, in this workshop series, where you will learn to turn your narrative skills inward to support self care, confidence building and gather personal support to cope with the demands of caregiving and parenting. Please note that registration for this program will close on Friday, September 10.

Supporting Your Child on the Gender Spectrum

Thursday, September 23, 7 p.m., virtual only

Are you trying to foster a gender-affirming environment, but are unsure what the differences are between gender expression and gender identity? Join Kristen Pepera, MEd, LPCC-S, and Lisa Pepera, MEd, LPCC-S, of Colors+, for a short presentation on the gender

spectrum. Afterward, they will lead a discussion on how to nurture a gender creative environment for your child who is gender expansive or questioning. Connecting for Kids provides families with resources so they can make an informed decision for their child.

How to Communicate Effectively with the School

Tuesday, September 28, 7 p.m., virtual only

What are some ways you can improve communication with your child's school? How can you more effectively ask for support? Join Karla Fitch, MTSC, of Connecting for Kids, as she teaches families how to create and use a communication binder. Karla will walk attendees through the documents a family should have readily available and discuss the importance of each. She will also demonstrate ways to use the binder throughout the year to communicate your child's needs. All participants will be given supplies to put together your own communication binder!
