Safe Routes to School bill passed in Maple Heights

By Judith Goldsworth

An ordinance authorizing Mayor Annette Blackwell to enter into an amended agreement with the Ohio Department of Transportation for the Safe Routes To School (SRTS) Infrastructure Project in the city was passed at the Jan. 19 meeting of Maple Heights Council.

The project "will enhance the sidewalks and crossings along the main routes to school, including adding high visibility signage, thermoplastic pavement markings and striping," for work along Glenwood Ave., from Turney Rd. to Ramage Ave. in the city.

"The agreement authorized ODOT to advertise for bids and administer the construction of the project upon receiving improvement plans and all necessary environmental and project development documents from the city," City Engineer Ed Hren said.

Blackwell said she and other city officials had met with Maple Heights Schools Superintendent Charles Keenan as the congestion associated with the schools in the affected area became unbearable. "We are working to see what we can do to remove that congestion, and a way to do that is the Safe Routes To School project," she said.

Other legislation passed

Council also passed an ordinance at the meeting to enact a new section of the zoning code regarding "non-conforming uses, defining lots of insufficient area or yard width as nonconforming and defining uses for such nonconforming lots."

Economic Development Director Patrick Grogan-Myers spoke briefly on the legislation, explaining that there was a provision in the city's codes "that says lots have to be of a certain square footage, and they have to have a certain average lot width, and they have to have a certain frontage, and in our city, there's lots that were platted 50, 70 or 90 years ago, and those lots do not conform with today's zoning code standards."

Enabling the use of the nonconforming lots through the ordinance would give greater flexibility to build houses on those lots and increase housing stock and thus increase property values in the city. However, Grogan-Myers stated, "That doesn't mean we are giving a developer, for example, a blank check... it means that you still have to meet other provisions through our zoning code."

Also passed by council at the Jan. 19 meeting was the following:

- Resolution observing the birthday of Dr. Martin Luther King, Jr.

- Ordinance dedicating a 1-foot-x-403.5-foot parcel of land in the tree lawn on the south side of Reddington Ave., owned by the city's

Snow ban

In accordance with the Winter Weather Advisory issued by the National Weather Service, Garfield Heights Police Chief Mark Kaye announced yesterday that a snow ban will go into effect at 7 p.m. on Wednesday, Feb. 2, and remain in effect through Friday, Feb. 4. During this period, all parking on city streets is prohibited.

"During storms like this, resources become stretched very thin. This includes plow trucks, officers and tow trucks," Chief Kaye said. "This makes moving and/or towing vehicles at a quick enough rate to keep ahead of plow trucks impossible. Road conditions can also make it difficult for our vehicles to even make it to cars on the side streets.

"For these reasons we urge residents to keep their vehicles off the streets for the duration of the storm. We appreciate everyone's cooperation. Thank you."

CCPL ends overdue fines

The Cuyahoga County Public Library kicked off its 100th anniversary by announcing that the Board of Trustees has approved a new policy now in effect - no more overdue fines!

And, just this once, they'll forgive every cardholder any fines or fees currently on their account - a fresh start for everyone!

The only exceptions to the fine free policy are bookable kits and materials checked out through OhioLink and SearchOhio, as they are items that do not belong to the Cuyahoga County Public Library.

ODOT crews ready for next winter storm

More snow is headed to northeast Ohio, and crews from the Ohio Department of Transportation (ODOT) say they are prepared for whatever Mother Nature brings, be it rain, ice, snow or a mix of it all! Winter precipitation is expected to begin today and continue for the next couple of days with the potential for significant snow fall Wednesday night through Friday morning.

Travel will be impacted. Motorists are encouraged to stay home. If travel is required, allow plenty of extra travel time and plan ahead by checking out OHGO.com to view hundreds of live traffic cameras, traffic speeds and be informed of any crashes or incidents.

In northeast Ohio ODOT has more than 166,000 tons of salt on hand and the ability to make its own salt brine to combat this storm. Mechanics have been tuning up the snowplows and drivers are ready to begin 12-hour shifts.

"If we get the expected amount of snowfall, it will be very difficult for our crews to keep up," said ODOT officials. "Don't expect perfect road conditions. Our snowplows will be plowing and treating roads and doing their best for those that must travel. Even as the forecast is changed and updated over the next several hours, one thing remains the same, ODOT snowplows will be working around the clock."

Maple Heights wrestlers win holiday tournament and Maroon & White Duals

The Maple Heights High School wrestling team claimed the championship of the 6th annual Maple Heights Holiday Tournament on December 30, held at Wylie Athletic Complex. The host Mustangs tallied 194 points to outdistance runner-up Westlake with 166 points. Benedictine was third with 142 points, followed by Brush (103 points), Villa Angela/St. Joseph (84 points), Garfield Heights (59 points), Trinity (29 points) and John Adams (21 points).

Jayshawn Eggleton (113 pounds), Khaleal Rasheed (126 pounds), Kaden Pulley (175 pounds) and Tre'Voughn Jackson (215 pounds) each won individual titles, while Ayrington Reed (106 pounds), Jhaleal Rasheed (120 pounds), Daniel Eggleton (144 pounds) and Steven Gardner (285 pounds) finished as runners-up in their respective weight classes. Other Mustang place winners included: Vontez Tyus (4th at 138 pounds), Markese Moss (4th at 150 pounds) and Ian Adams (4th at 165 pounds).

Coach Jamie Milkovich's Mustangs also captured the team championship of the 12th annual Maroon & White Duals also held in the Wylie Athletic Complex on January 8. Maple topped Akron Buchtel 66-6, Cleveland Rhodes 61-18, Akron Hoban 48-19, Akron Kenmore 59-18 and Painesville Harvey 52-3.

Maple's dual meet record currently stands at 11-0.

Human Services Director Linda Vopat announced that through a partnership with the Cuyahoga County Board of Health, on the last Wednesday of the months of February, March, April, May and June, from 4-7 p.m.,

COVID vaccinations will be made available at the Maple Heights Senior Center, 15901 Libby Rd., no appointment necessary. "Just come on down to the Center and the Board of Health will take care of you," Vopat stated.

Safety reports

Police Chief Todd Hansen reported 1300 service calls year to date for the department, with five guns taken off the street and several thousand dollars in money confiscated through six separate drug seizures. Hansen urged residents to check on their neighbors in the cold weather and to observe snow bans.

Fire Chief Vito Kavaliunas reported 351 fire calls year to date, and also reported a large apartment fire on Maple Park Drive on Dec. 27, with residents trapped. All residents were rescued.

GARFIELD HEIGHTS

Weapon Offense

On Jan. 23, about 8:15 p.m., police were dispatched to the 12300 block of Valley Lane Dr. for a report of a person possibly being trapped in the storage area on the third floor of the apartment building. Officers found a man who appeared to be living in the storage area. He was sweating profusely and vomiting. Police requested a squad come and check on him. Officers did a pat-down and found a gun in his waistband, although he had told police he did not have any weapons on him. After a

struggle to get the weapon out of the suspect's pocket, police cut his pants with trauma shears and were able to secure the weapon, which was unloaded. A short time later an unknown man entered the apartment building and told police the suspect had stolen his gun. The suspect was taken to City Jail and police took all the other man's information about the theft of his gun. He was taken to the station to fill out a statement. It appeared that the suspect had been squatting in the storage room. There was a mattress on the ground along with some bedding and clothing. The suspect was arrested and held on no bond for obstructing official business and CCW, with charges of theft of a firearm pending.

Theft

•On Jan. 29, at approximately 11:30 a.m., an individual came to the police station to file a theft report. The person reporting said he was the fiduciary for the estate of a Garfield Heights resident who had recently passed away. He said he had gone to the deceased man's bank on Jan. 11 to "freeze" his bank account. The bank said they could not comply because the death certificate was not accurate. The fiduciary told the bank the county had misprinted the deceased man's address on the certificate. He told police that on that visit to the bank the deceased had about \$13,000 in his bank account. When the fiduciary returned to the bank on Jan. 21, there was only \$35 left in the account. A bank representative printed out the activity for the deceased's account and there were numerous fraudulent charges at various locations. The fiduciary returned to the police station at 12:45 p.m., and told the officer that someone had broken into the deceased's residence and that a back window was broken out and the water pipes had burst in the house. The report was forwarded to the Detective Bureau.

•An officer was met at the police station on Jan. 24, by a woman who wanted to file a theft report. She said that on Jan. 21, she received notification from her bank of a \$600 transaction on her debit card at a Lowe's store. She

said she did not make the transaction and has her debit card and has no idea how someone could have gotten her account information. She was advised to watch her credit report for suspicious activity.

Theft of Motor Vehicle

On Jan. 29, at about 5:20 p.m., police were dispatched to the 4800 block of E. 84 St. for a report of a stolen auto, a silver 2018 Ford Fusion. The car's owner told police that she had stopped at her home at 4:55 p.m. that day to get her wallet. She left her car running and unlocked in the driveway while she ran into her house. About five minutes later she went outside to her vehicle and found it missing.
