Garfield Hts. Council considers upping its salary to \$18,000 a year; first raise in 15 years

By Ellen Psenicka

Garfield Heights Council, at its regular Monday night meeting, passed to a second reading an ordinance to raise the salary of council members to \$18,000 per year, effective Nov. 13, 2023, the first day of the next council term.

Council members currently receive \$15,125 per annum. The legislation will again be considered at the next regular meeting of council.

Passed at the meeting were the following ordinances and resolutions:

- To renew an agreement on behalf of the city with the Cuyahoga Soil and Water Conservation District to participate in the Storm Water Pollution Prevention Program.
- To advertise for proposals for various materials, services and supplies for the year ending Dec. 31, 2023.
- To submit a payment of \$6,000 to the Cuyahoga Soil and Water Conservation District and Northeast Ohio Regional Sewer District for public involvement and public education regarding soil and water conservation for 2023.
- To ratify the appointment by the mayor of Ike Dawson, Sr. to the Neighborhood Advisory Committee Land Reutilization Program of the city for the term effective immediately and ending Dec. 31, 2026.
- To apply for the Cuyahoga County Solid Waste District's 2023 Community Recycling Awareness Grant of up to \$6,000.
- To honor and congratulate Fr. Thomas Haren on his retirement. He has been pastor of St. Monica's Catholic Church in Garfield Heights for over 17 years. Among his other pastoral assignments was at Holy Name Church, where the parish hall was named after him. He will live in residence at the St. Michael Church rectory in Independence, according to City Council President Tom Vaughn.

Rapist sentenced for attack in Slavic Village

Tyrese Acoff, 29, who pleaded guilty last month to rape, kidnapping and gross sexual imposition in a home in Slavic Village last August, was sentenced to 35 to 40 years in prison yesterday in the courtroom of Cuyahoga County Common Pleas Judge Deena Calabrese.

On Aug. 10, 2022, Acoff attacked a 12-year-old girl inside a home near Marble and Broadway aves., Cleveland, and sexually assaulted her. He then forcibly carried her into another room, sexually assaulted her again, and then fled the scene. On Aug. 13, Acoff was arrested, according to information provided by the Cuyahoga County Prosecutor's Office.

Valley View police were pursuing this car northbound on E. 71 St., when it flipped and landed upside down in a parking lot at E. 71 St. and Grant Ave., in Cuyahoga Heights. Above is a picture of the Chevy Equinox involved, taken by a Newburgh Heights police officer.

Car flips but only minor injuries reported during Valley View police pursuit

By Ellen Psenicka

Valley View police officers tried to pull a Chevy Equinox over last Friday for expired plates at Bank St. and Canal Rd., and a pursuit ensued when the car took off, said Valley View Police Detective Joe Ferrando.

As the car traveled down E. 71 St. in Cuyahoga Heights at reckless and excessive speeds, CHPD set up stop sticks in the road near Grant Ave., the detective said. When the speeding car hit the sticks it punctured the tires, and as the car continued to ride on the rims and shredding tires, the driver lost control and went off an embankment and onto a parking lot near Grant and E. 71 St., flipping over.

The three people inside were able to get out of the car and flee on foot, but officers from Valley View, Newburgh Heights and Cuyahoga Heights were able to catch them within minutes.

Two of the three people inside the car were taken to MetroHealth Medical Center with minor injuries and released from the hospital later that day, Detective Ferrando said.

He said two guns were found inside the car, and two of the individuals inside were wanted on warrants and taken into custody by Newburgh Heights police.

Shooting, suicide on Gertrude Ave. in S.V.

A felonious assault shooting and suicide took place last Saturday night in the 6400 block of Gertrude Ave., in Slavic Village.

Cleveland police said a 21-year-old female was shot in the neck and chin, and a 25-year-old male died of a self-inflicted gunshot wound to the head. He was pronounced dead on scene by medics at 10:15 p.m. Saturday. A dog was also shot.

According to preliminary reports from the Cleveland Police Department, the male shot his girlfriend and her dog, then shot himself. This investigation is ongoing.

SVD awarded grant from Ohio State Bar Association

The Ohio State Bar Association has donated \$644,685 to Ohio nonprofit organizations in its latest grant cycle, including \$50,000 awarded to Slavic Village Development, at Broadway and E. 55 St., Cleveland.

Slavic Village Development is using the grant funds for an Eviction Prevention Pilot Project, which seeks to reverse the high rate of eviction in the Slavic Village community through tenant rights education and proactive legal services.

Over the past few years, SVD has noticed an alarming rise in out of town rental companies buying up local property and raising rents beyond what most neighborhood tenants can afford, said Zachariah Germaniuk, director of Neighborhood Stabilization at SVD. These rental increases have been arbitrary and not based on any improvement of property conditions, property tax increases, and far outpace the normal rate of inflation, he said.

This is especially harmful to many elderly tenants and families with children who are not in a position to move and often have strict budgets, Germaniuk said. To help stabilize its aging renter-neighbors, at the end of 2022, SVD established the Eviction Prevention Pilot Program with the \$50,000 grant from the Ohio State Bar Association.

The program seeks to achieve two primary goals: 1) empowering tenants with information and support necessary to hold absentee landlords accountable for substandard property conditions; 2) placing qualifying tenants on a path towards better housing, including possible homeownership through one of its housing rehab programs - Neighbors Invest in Broadway or Slavic Village Rediscovered.

Maple Hts. Council honors Dr. Martin Luther King, Jr. Start 2023 out right with help from Legal Aid Soc.

By Judith Goldsworth

Maple Heights Council passed a resolution to observe the birthday of Dr. Martin Luther King, Jr. and honor his life at its first meeting of 2023 on Wednesday, Jan. 4.

The late civil rights pioneer, who was born Jan. 15, 1929, is honored every year with a federal holiday on the third Monday of January, which this year is Monday, Jan. 16. The resolution, which was the sole piece of legislation on last week's agenda, was passed unanimously.

Dr. King "changed our nation forever through his leadership, service and clarity of vision," states the legislation. "He devoted his life to strengthening the content of the American character, and called on our nation to live up to its founding principles of life, liberty and the pursuit of happiness for all its citizens... through his determination, spirit and resolve, Dr. King helped lift

souls and lead one of the greatest movements for equality and freedom in history." All citizens are encouraged to honor Dr. King, "not only upon the occasion of his birthday but throughout the whole year, by living out his teachings as we continue to work for the day when the dignity and humanity of every person is respected."

Announcements

Regarding the city's bond rating, Mayor Annette Blackwell announced, "I am very happy to share that we will be meeting with Moody's Investor's Services in the next couple of weeks, and we are very optimistic that our rate will be increased, as it has been for the past three years."

Councilwoman Toni Jones said that Cuyahoga County property tax bills would be sent out in the coming weeks. She noted that assistance, including grant funding, was available from the city.

It's time to start getting your affairs in order for the new year and The Legal Aid Society of Cleveland can help!

Legal Aid has been offering free civil legal services to those with low incomes (up to 200% federal poverty guideline) since 1905 – the fifth oldest legal aid organization in the United States. Legal Aid not only serves residents in Cuyahoga but also in Ashtabula, Geauga, Lake, and Lorain counties.

Call Legal Aid if you need help with:

- **Housing:** foreclosure, eviction, landlord/tenant issues, utilities, public housing
- **Work:** unemployment compensation, IRS tax issues, sealing criminal records, securing a valid ID or professional license
- **Money:** loans (school, payday, auto, debt), public benefits (food stamps, energy assistance, cash assistance, supplemental security income), bankruptcy
- **Family:** domestic violence, divorce, custody, immigration, education, estate planning
- **Health:** medical bill collection, access to medical records, Medicare and Medicaid, marketplace tax credits and penalties

Legal Aid provides assistance with civil legal issues but cannot assist with applications for benefits or criminal cases.

Legal Aid attorneys provide one-on-one consultation at Brief Advice Clinics and represent clients at court and administrative hearings. Attorneys also go into the community to educate residents regarding their rights and the services that are available to prospective clients.

Legal Aid helps clients like Deja (not her real name). Deja made her rental payments on time each month – until the pandemic hit. She had to change jobs and lost a significant amount of income as she struggled to find childcare for her daughter, who was no longer going to school in-person.

She fell behind in her rent and soon received an eviction notice. She also owed increasing late fees which were snowballing at \$25 per day.

Once connected with Legal Aid, an attorney helped Deja apply for rent assistance through CHN Housing Partners, and her application was approved. Deja's attorney was then able to negotiate with her landlord to accept that money as back pay plus three months of future rent payments.

Need help? Call Legal Aid at 888-817-3777 during normal business hours or apply online 24/7 at laslev.org/contact/. When speaking with a Legal Aid intake specialist be sure to have income information and necessary documentation related to your legal issue on hand. To request an outreach/education event or materials for your community group, email: outreach@laslev.org.

Community police reports

GARFIELD HEIGHTS

Burglary

On Dec. 15, police were dispatched to a home in the 5300 block of E. 117 St., for a burglary report. The resident caller met police in his driveway and showed them video of a black male walking down his driveway at 12:56 p.m., on report date. The male broke into the residence, and at 1:04 p.m., exited the house and walked down the driveway carrying a bag filled with items, including \$500 cash, three guns, Gucci tote and purse and several gaming systems. Video of the incident will be forwarded to the Detective Bureau.

Motor Vehicle Accident

On Dec. 29, at about 9:30 p.m., an officer was dispatched to the 10200 block of S. Highland Ave., for a car accident. The male driver of a 2009 Nissan Murano had hit an unoccupied parked car so hard that it pushed it off the road separating one of its tires from the vehicle. It ended up spun around in the front lawn of a S. Highland Ave. home. The driver of the Murano fled the scene of the accident continuing to drive west on S. Highland, where he struck a light pole, splitting it in half. The Murano is believed to have rolled over several times before coming to rest in front of a home in the 10000 block of S. Highland Ave.

The driver showed back up on scene where the GHFD began to treat him. He decided to run away from medical aid on foot and police engaged in a foot pursuit after him. He was finally located in front of Dave's Supermarket in Turneytown, and admitted that he was the driver of the Murano. He was arrested for obstructing official business and cited for hit/skip, failure to reinstate and reckless operation.

Criminal Damage – Auto

On Jan. 2, police took a report from a man living in the 9400 block of Birchwood Ave., who said he was cleaning out the back seat of his car that was parked in his driveway and found a spent rifle round on the seat. He then checked the roof of his car and found a bullet hole over the back seat. He said he had not moved his vehicle since Dec. 29, 2022.

Traffic Complaint – Possible OVI

On Jan. 4, shortly before 3 p.m., an officer was dispatched to the 5700 block of Transportation Blvd. for a private property crash. A motorist met him while standing outside his vehicle and told police as he was driving he was cut off by an SUV. He appeared unsteady,

glassy-eyed and a strong odor of an alcoholic beverage emanated from him. He had driven his vehicle off the paved lot and into a fence. He participated in a Field Sobriety Test and was transported to city jail. The owner of the fence was advised of the report.

Theft from Auto

On Jan. 5, an officer spoke with a man from Miller Cable Co., who said one of the company vehicles had both catalytic converters stolen from it sometime between 2 p.m. on Jan. 4, and 9:30 a.m., on Jan. 5. He said the vehicle was parked in the construction zone on I-480 at Transportation Blvd.

Child Endangerment

Shortly before 2 a.m., on Jan. 6, officers were sent to check the welfare of a juvenile who was banging on the inside door of an apartment in the 5100 block of E. 88 St. Police were able to gain entry to the apartment through an unlocked window and found the only occupant was a girl, about 2 or 3 years of age, who witnesses said had been alone inside for about a half hour. About 15 minutes later the child's mother came home and told police she had gone to buy pain medication at a gas station and didn't take her daughter because she didn't want to wake her. The mother was placed under arrest for child endangerment because her child was at a substantial risk of physical harm by leaving her alone in the apartment. She was booked and housed at city jail. Custody of the child was given to her father. Charges pending.

Bedford Councilman Smith sworn in after election to unexpired Ward 4 council seat

By Judith Goldsworth

Bedford Mayor Stan Koci swore in Frank Smith to the remainder of an unexpired term as the city's Ward 4 Council representative, at council's 2023 organizational meeting on Tuesday, Jan. 3.

Smith was appointed in May of last year to fill the vacancy left in the Ward 4 seat after longtime Councilwoman Paula Mizesak died in February.

According to the city charter, following his appointment in May, Smith was required to run in the November 8, 2022 General Election to fill out the remainder of Mizesak's unexpired four-year term, which ends December 31, 2023.

Smith ran unopposed in the November election, receiving a total of 376 votes, and can run for a new four-year term in the November 2023 election.
