MHPD seeks help with homicide on Clare Ave.

A Maple Heights gunshot victim died at the hospital yesterday, and Maple Heights police believe the incident may be related to an altercation at the Marathon gas station at the intersection of Warrensville Center Rd. and Maple Heights Blvd., shortly before the victim was shot.

On Tuesday, April 11, at approximately 7:05 a.m., MHPD officers were in the area of Clare Ave. and Warrensville Center Rd., investigating a complaint. While on that complaint, the officers were told by several witnesses they had heard gunshots and then saw two persons running from the area. A male gunshot victim was located by officers in the area of 20125 Clare Ave.

The persons seen fleeing the area, westbound on Clare Ave., were described as an older male wearing a gray hoodie and black pants, and the other person wearing a black jacket (possibly with a hood) and blue jeans, possibly a female.

The victim was transported to MetroHealth Medical Center where he was treated for gunshot wounds but eventually died of his injuries. MHPD continues to investigate the incident.

Anyone with information related to this case is urged to contact the Maple Heights Detective Bureau: 216-587-9624 or Detectives@mhp-dohio.com. Information can also be supplied to Crime Stoppers.

Improvements on the way at Dan Kostel Rec Center

At Monday night's meeting of Garfield Heights City Council, an emergency ordinance was passed for a second reading to get the ball rolling on a \$230,000 improvement project to the parking area and entrance at the Dan Kostel Recreation Center.

The ordinance, if passed at a future meeting, would direct City Engineer David Krock to prepare necessary plans and specifications, per the OHM Advisors proposal, and to go out for competitive bids for the project at the Rec Center.

Garfield Heights has received a \$150,000 Cuyahoga County Community Development Block Grant to fund the improvements, with \$80,000 to be paid by the city.

Council also approved the appointment of four members to the Garfield Heights Land Reutilization Program: Lottie Overby, Cotilia Decemby, Eileen Gryszel and Donna Bell, whose terms commence immediately and end Dec. 31, 2026.

The Land Reutilization Program in Garfield Heights allows the city to manage, upgrade and improve non-productive lands within the city.

Also passed was a resolution providing for only one council meeting to be held on the second Monday during the months of May, June, July and August, 2023.

Garfield Heights, Independence school districts both seek additional funding on May Primary ballot

As early voting is now underway, the Garfield Heights City School District and the Independence Local School District are seeking more funding from voters in this May 2, 2023 Primary Election with a proposed bond issue and additional tax on the ballot in Garfield Heights and a renewal and tax levy increase on the ballot in Independence.

Garfield Heights City School District: Issue 2 - Bond Issue and Tax Levy (Excludes Ward 1-B & C and 3-A.02, which are in the Cleveland Municipal School District)

Bond Issue: 2.6 mills, which amounts to \$81 for \$100,000 appraised value for the purpose of constructing, furnishing, equipping, renovating, rehabilitating, remodeling, adding to, and otherwise improving school district buildings and facilities, and clearing, equipping and otherwise improving sites for those school district buildings and facilities in the principal amount of \$19,500,000 to be repaid annually over a maximum of 37 years.

Additional Tax: 8.6 mills, which amounts to \$301 for each \$100,000 of appraised value to provide funds for the acquisition, construction, enlargement, renovation, and financing of general permanent improvements for a continuing period of time.

The purpose of the joint bond and permanent improvement levy, which will generate approximately \$55 million in total, will go towards constructing a brand new, state-of-the-art Garfield Heights Middle School and an outdoor athletic complex at Garfield Heights High School.

The placement of the bond issue and permanent improvement levy, which will appear as one issue on the May ballot, comes at a unique moment in the financial climate of the district because the community will not experience any impact on their property tax bills until the year 2027, at the expiration of the bond for the high school which expires on December 31, 2026. With the intention of minimizing the tax impact on the community once the existing bond for the high school expires, school officials said citizens will experience a nominal 1.7 mill increase on their property taxes for the next 30 years, an estimated increase of approximately \$60 per year for a home valued at \$100,000.

The Garfield Heights City Schools intends to share more information with the community about the significant need for new construction at the Middle School and high school athletic complex in the near future.

Independence Local School District: Issue 3

Tax Levy (Renewal & Increase): Renewing \$4,252,863 and providing an increase of \$3,000,000 to average 13.96 mills for each \$1 of taxable value which amounts to \$453 for each \$100,000 of appraised value, for the purpose of providing for the emergency requirements of the school district, for 10 years.

"This will be the first time the District has proposed that the community consider a levy for additional operational funds in 12 years," Independence Schools Superintendent Ben Hegedish wrote in an email to Independence families last month.

He noted that economic impacts over the past years have affected Independence Local Schools, resulting in a need for the Board to place a levy on the ballot for the community's consideration. While district operations are structured to be as fiscally responsible as possible with the funds that currently are available, costs to provide student supports and learning opportunities are exceeding our revenue, Hegedish said.

"If passed," he continued, "funds from the levy would be used, in part, to implement universal and tuition-free preschool for all four-year-olds, beginning with the 2024-25 school year, along with continued delivery of our classes, clubs, sports, technology, curriculum, and opportunities for our students."

City of Maple Heights: Issue 16

Also on the ballot May 2, is Issue 16 in Maple Heights, which is a charter amendment to provide that the Council shall have the power to change the salaries of all elected officials at any time, including during the elected officials' term, or terms, or any part thereof.

Bedford Municipal Court Judge: Democratic Primary only.

In the only candidates race in The Neighborhood News readership area, Nick Papa and Robert N. Pelunis are on the Primary ballot with the winner going on to face the Republican candidate for Bedford Municipal Court Judge in November.

Literacy after-school kids learn skills that last a lifetime

MARY LOU SOKOLICH

Mary Lou Sokolich passed away December 14, at age 92 after a long illness. Born and raised in Dickerson Run, Pennsylvania, she trained as a nurse in Pittsburgh, married Frank in 1955, and relocated to Ohio in 1956. Mary Lou was a proud and devoted nurse who served at St. Alexis Hospital for 25 years. She paused her career to raise five children in Cleveland and later Maple Heights: Martin (Melody), Mike (Lynne), Millie Harnocz (Alex), Matt (Vicky), and Mary Ellen Newell (Greg). She was a kind and caring grandmother to seven: Andy (Andrew), Steve (Donna), Michael (Lillie), Matt Sokolich (Sara), Alex Harnocz (Julie), Jessica Newell, and Elizabeth Norman (Chris) and two great-grandchildren. She was preceded in death by her husband, daughter Mary Ellen and siblings Joe and Pat. She is survived by her brother Jack McGrogan of Pennsylvania.

Her family would like to thank her neighbors on E. 141 St. for assisting Mary Lou after Frank's passing in 2014. We also express our gratitude to the staff at Jennings Center for caring for Mary Lou in her later

years. We know that she felt a kinship with nurses and caregivers to the last.

Mary Lou will be interred with Frank at Western Reserve National Cemetery. A celebration of her life will be held Friday, April 21, from 5 to 8 p.m., at Vito-Nero Funeral Home, 6130 Turney Rd., in Garfield Heights. To honor Mary Lou's memory, we suggest thanking a nurse, petting a cat, or visiting a neighbor.

Swat Call-up

Garfield Heights

Recovered Stolen Auto

On April 3, at about 1:26 a.m., an officer saw a black Kia sedan going west on Broadway at E. 131 St., with no visible registration and illegal window tint going at least 50 mph in a 25 mph zone. The officer initiated a traffic stop but the Kia took off with police in pursuit through several Garfield Heights streets. The pursuit ended when the Kia crashed into a tree on Metroparks property at Edgepark and E. 110 St. The driver fled on foot and was unable to be apprehended by GHPD, Metroparks officers or a Bedford K9 officer. The Kia was confirmed as stolen out of Cleveland.

Child Endangering

On April 4, about 6:05 p.m., police were dispatched to the area of the 12700 block of Darlington Ave., for a child, approximately four-years-old, walking on the street unattended. The child's house was located and police talked to the person at the home who

identified himself as the child's cousin. He said he was babysitting him for his aunt and that he fell asleep while the child was taking a nap. He said he slept for about an hour and was unaware the child had gone outside. He was issued a summons for child endangering.

Weapon Offense

On April 4, about 6:28 p.m., GHPD officers responded to Medina Baye Clothing, 5824 Transportation Blvd., on a call that a black male with dreads was shooting a gun in the parking lot of the business. An employee of the store said she heard yelling from outside the store but did not pay attention to it because it is a normal occurrence for the area. She said a short time later she heard a gunshot. She looked out the window and saw a black male get into a vehicle and leave the area. Officers located damage to the front of the store and a bullet fragment inside the store. Video footage showed a white Dodge Ram that was parked next to an older white BMW and two black males standing outside both of the vehicles talking. A short time later one of the men brandished a firearm and fired one shot at the other male. Both males then left the area heading south on Transportation Blvd. Investigation continues.

Drug Activity

On April 5, about 3:35 p.m., police were dispatched on a call that a male in a yellow sweatshirt was walking on I-480 East by Granger Rd., impeding traffic. They arrived on scene and saw a male standing on the shoulder of the road talking to a woman inside a car. The man seemed visibly upset and officers asked him to sit in the back of their patrol car, to which he complied. He said he was having a bad day caused by arguing with his girlfriend in the car and wanted fresh air. He was checked through LEADS and had multiple

felony warrants with Cuyahoga County. He was placed in handcuffs and was found to have a small knotted baggie with pills in his pants pocket. He told police some were muscle relaxers and some might be ecstasy. He was transported to the GHPD for possession of narcotics and booked without further incident. He was held on no bond for investigation of possession of drugs.

Juveniles

On April 7, about 5:25 p.m., dispatch received numerous calls of juveniles near or on Turney Rd. throwing rocks onto I-480 and some walking on the

freeway and attempting to run in front of motorists. Once units began to arrive, police observed a large volume of traffic beginning to slow down in the westbound lanes of I-480, near Granger Rd. Officers got closer to the traffic tie up and saw about 6 to 7 juvenile males running down the embankment and across Granger Rd., toward Trinity High School. Police canvassed the area and saw the juveniles attempting to get inside St. Joseph's Senior Center. Officers surrounded the area and detained the juveniles for questioning. All of them

were later released to their parents or guardians. No further police actions was taken. All of the juveniles are in the 8th grade at Garfield Heights Middle School.

Breaking & Entering

On April 7, at about 4 a.m., police were called to The Culture Smoke Shop, 4799 Turney Rd., for an alarm drop. On arrival they saw the front windows of the business were smashed in.

Officers discovered a trail of pocket lighters leading from the shop and headed across Turney Rd., westbound. The trail led to an alley but no one was seen in the area.

Surveillance video showed five young juveniles wearing dark clothing and masks breaking into the store. A rock was used to break the front windows. Four of the juveniles went into the store while one stood outside appearing to be a lookout. In addition to the four lighters

located outside the store, a small jar of delta 8 hemp flower was lying in the street next to a parked truck. The vehicle is not believed to be involved. Report forwarded to the Detective Bureau for further investigation.
