Shootings in Stafford Park

On Labor Day, Sept. 4, at approximately 3:15 p.m., there was a shooting at Stafford Park, 5400 Mayville Ave., Maple Heights, in which three people were killed and one injured, as cited in a press release from the Maple Heights Police Department.

The park was full of people for Labor Day events when the incident happened. Maple Heights Police said officers responded to numerous 911 calls and, almost immediately upon arrival, were able to apprehend the shooter who was fleeing the area. The numerous callers had given partial descriptions of the shooter and from that MHPD was able to quickly take the suspect into custody.

Jason D. Iverson

During the ensuing investigation, it was learned that the alleged shooter, later identified as Jason D. Iverson, and the victims were related and had had a previous feud, police said. The shooter came to the park and when he realized these family members were there, he immediately began trying to physically fight with them, according to the MHPD press release.

The victims were able to disengage and go to their vehicle and try to leave to avoid the problem. The shooter followed them, police said, and confronted them in the parking lot of the park.

Community Police reports

Garfield Heights

Felonious Assault

•On Aug. 25, at about 10:45 p.m., several officers were dispatched to the area of Russell Ave. and Turney Rd. for a report of shots fired in the area. Five spent 9mm casings were found in the roadway on Russell, on the north side of the 4800 block of Turney Rd. There were no signs of victims or violence. Video footage may be available.

•On Aug. 27, at 6:39 p.m., GHPD received a radio broadcast to respond to McDonald's, 5240 Turney Rd., for a black male who was shot riding a bike. When officers arrived on scene they found no victim, and the manager at McDonald's said she knew of no one shot in or out of the restaurant. Police searched the area for a victim with negative results. Dispatch then notified the officers that Marymount Hospital had just received a gunshot victim in the Emergency Dept., a 15-year-old male who was there with his mother. He told police he had been walking into the entrance of McDonald's and accidentally bumped into an unknown black male. Both started to argue and the unknown male pulled out a black 9mm semi-automatic handgun. The victim started to run away from the suspect with the gun northbound from McDonald's onto Turney Rd., when the suspect ran up from behind him and shot the victim once, hitting him in the bicep area of his right arm. The victim then ran behind an apartment building on Turney, called a friend and that friend called the victim's mother, who picked him up at the apartment building and took him to Marymount. The victim said he

did not wish to pursue any charges regarding the shooting.

Suspicious Person

On Aug. 27, an officer arrived at the police station to take a report from a woman about a suspicious person on her property. She said that the day before, at about 6 p.m., an unknown white male knocked on her door and then pulled on the door handle. She didn't answer the door since she didn't know the person. Upon reviewing her ring camera she saw that the male also went into her backyard and then got into a gray Jeep parked in her driveway and left. The complainant requested documentation of the incident.

Back at Work and Happy

James Vyhna, who is the son of F.J. Vyhna, furniture and hardware man of East 49th Street and Broadway, is back at the store, smilingly waiting on customers and happy indeed.

"Jimmie," as you will remember, was a patient at Huron Road Hospital Clinic for three weeks, where he successfully underwent a double operation.

Although he lost a few pounds, James looks finer and healthier than he has for a long time. We weren't the only ones who noticed this, for James is receiving compliments from all sides.

While at the hospital, about

120 people came to see him. "Jimmie" generously attributes his popularity to the fact that the news of his illness was published in The Neighborhood News.

Garfield heights school children looked forward today to a month long Christmas vacation instead of the scheduled two weeks.

Maple Hts. to operate own bus line

A municipal bus line for Maple Heights was decided upon Wednesday night at a meeting of the Maple Heights City Council.

The buses, scheduled to begin operations about June 15, will run to the city limits but will have authority to proceed on to the public square, it was said. Fares will be about 6 or 7 cents, with no passes for children.

Twenty-one passenger buses will be required to begin with, and bids for these will be open May 15. About \$11,000 in crisp is available for the initial payment on the buses, with the balance coming through a federal loan.

Only licensed chauffeurs will operate the buses, and must be residents of Maple Heights, council ordered.

Mayor Jackson Gets \$700 Raise

Mayor O.D. Jackson of Garfield Heights is entitled to an increase in salary of \$700.

Tuesday, March 16th, the Supreme Court overruled the appeal of Elfie C. Menke, a taxpayer. The Supreme Court held that the salary ordinance granting the increase was an emergency and as such was not subject to referendum, as demanded by the taxpayer's suit.

TWO HEADLESS BODIES FOUND HERE Youth discover double murder in ravine near Praha

A bizarre double murder was uncovered this week when two neighborhood boys came across the headless and otherwise mutilated nude bodies of two men in a small ravine at the foot of Praha avenue Monday afternoon.

The missing heads were found buried in loose sand near the bodies, as were blood-soaked clothing and a bucket of a solution believed to have been used in an attempt to destroy one of the bodies. Both men had been killed by decapitation, according to the coroner.

The murder was discovered at 5 p.m. By James Wagner, 16, of 4711 Gallup avenue, who with a playmate, Peter Kostura, 12, of 4465 Douse avenue, had gone down the seep and unfrequented "Jackass Hill".

Wagner reached the bottom of the hill first and came upon a nude body lying in the bushes. The boys climbed back up the hill and told their story to an unknown man, who in turn summoned Erie Railroad police by telephone.

Erie police arrived and issued a call to city police from the Broadway-E. 55 street station. The second body was found by the Erie men lying thirty feet from the first body while the two heads were dug up shortly after.

One of the victims was a westside man, Edward A. Andrasy, age 28. The other was described as about 45.

The spot where the bodies lying is waste land south of the Cleveland interurban Railway Co. rapid transit tracks.

Outer Belt Freeway to Replace 470 Families in Garfield Hts.

More than 1,300 residents of Garfield Heights jammed the massive high school auditorium to hear Albert Porter, county engineer, outline the proposed route of the huge Outer Belt Freeway.

Porter told the audience that 470 homes stand in the path of the multi-million project within Garfield Heights. He predicted that work on the eastern leg of the super-highway would start in 2 to 5 years. This portion of the road extends from Turney Road east to the Warrensville Heights interchange of the North-South Freeway now under construction.

The thought of moving and the inconvenience of being relocated apparently stunned some of the older residents in the audience. They asked Porter and his aides such questions: "How much will I get for my property?" Will it be enough to replace my present home? Who determines the value of my property,? etc.

Porter cited past problems in the acquisition of property for similar purposes. He said that 98 per cent of the owners settle through negotiations and the other two per cent settle before actual court action becomes necessary.

New Miles News

Next Thursday and Friday at the New Miles Theatre, 11507 Miles Avenue, will be shown a picture that has been by many chosen as one of the 10 best motion pictures of the year 1925.

It is "The Dark Angel," featuring handsome Ronald Colman, and the beauty from Budapest, Vilma Banky, as beautiful a girl as we ever saw.

The story is a war story and deals with the great love of a girl for her soldier who is blinded in the war. It is heartily recommended.

When a dynamite bomb, apparently set off with a timing device, exploded Tuesday morning, it wrecked a dairy in the rear of 2929 E. 49th Street, broke 24 windows in a home in the front and caused a woman to be injured.

The woman, Mrs. Mary Hridel, 33, wife of Charles Hridel, owner of the building, was tossed from her bed by the force of the blast into glass from shattered windows. She suffered a cut foot.

E. P. Lewandowski Plans Super-Playspot in Ward 14

Cleveland's finest playground will be located in south-east Cleveland, in the 14th Ward, to be exact, if efforts in that direction by Councilman E.P. Lewandowski are successful, it was learned this week

It would supplant the present Morgana play spot.

Already blueprints of the super-playground have been made by the engineering department and have been approved by H. E. Varga, director of parks; Samuel Newman, commissioner of parks, and J. Noble Richards, recreation commissioner.

The proposed new playground would consist of an ice skating pond, basketball courts, handball courts, horse-shoe courts for both boys and girls, baseball diamond, babies' playground, such gymnastic apparatus as traveling ladders, chinning bars, circular swings, teeter-totters, slides and swings.

Robbers of Atlas Savings & Loan Company captured

Over half the loot taken in the Atlas Savings & Loan Company robbery in their Capital branch at 5211 Fleet avenue, has been recovered.

Police made a record in rounding up the men who took \$2,900 from the institution at the point of pistols, having the men in their hold a few hours after the robbery.

\$1,295 was recovered, and police believe that they will find the rest of the money upon the capture of the driver of the car the gunmen escaped in. The automobile was a stolen one, and the license had been noted by someone. This was the final clue in the fast capture.

The gunmen were exceptionally polite, according to Joseph J. Zid, manager of the bank and Mrs. Victoria Stunek. They smiled and joked with Mrs. Stunek while Mr. Zid was forced to open the cash drawer and safe. They had come in quietly, pointing pistols. Not a word was said upon the entrance, their threatening pistols compelling Mr. Zid and Victoria to put up their hands.

There were two others in the holdup who were forced to raise their hands. Edmond Wyczalkowski, the landlord of the building came downstairs at the unfortunate moment for his rent. The gunmen ordered him to the rear. Mrs. Mary Vapenik, 3683 E. 54th street, also came in. She is a depositor at the savings company, and she was forced to join the rest.

The gunmen gave their names as William Smith, 25, and Walter Campbell, 35. Both are on parole four months from the Ohio penitentiary, according to police, Smith for auto stealing, and Campbell for robbery.

The Atlas Savings and Loan Company is fully insured against such losses.

FIND HEADLESS BOY IN KINSBURY RUN Youth is Fiend's Sixth Victim

Portions of a decapitated young man, apparently the victim of a fiendish human butcher, were found yesterday afternoon in Kingsbury Run.

Significantly it marked the fourth time within a year that bodies similarly butchered have been discovered in the vicinity. One other has been murdered in like fashion this year but its remains were disposed of elsewhere.

Portions of the most recent victim's torso were discovered by a transient sitting on an abutment awaiting a freight train to take him eastward. He sighted the two torso portions floating in the run and hastened to a nearby gas station to inform an attendant there. Police were called.

One portion of the torso was from the neck to abdomen, the second from the abdomen to hips.

An hour later, police, using grappling hooks, located the two lower legs. The continued searching in hope of finding the victim's head which would aid in his identity.

Police said the killing was apparently the work of the same person responsible for the killing in recent months of four men and a woman, three of them found in the Kingsbury gully.

As in the case of the others, the torso portions were nude and with marks of the emasculation. The spot they were found had no blood on the ground, indicating they've been killed elsewhere and their bodies were dismembered, and one had been wrapped with paper and packed into half-bushel baskets.

The scene is just east of the point where the Nickel Plate railroad crosses the run and where the Rapid Transit tracks are viaducted over the railroad tracks.

Not a single clue regarding the murders identity has been uncovered.

The skilled workers of Bartunek Brothers on E. 66th St. and Union Ave., are lined up in front of the plant where they make suits, overcoats and topcoats, selling for about \$20 each.

Shootings in Stafford Park

(Continued from Page 1)

During that confrontation, the shooter pulled out a handgun and shot at the occupants of the car, according to police. A 30-year-old, pregnant female, later identified as Mercedes Iverson, was shot at this location. A 13-year-old juvenile male was also shot at this time. A 31-year-old male, later identified as Norbert Carter, husband of Mercedes, fled the vehicle back toward the main park pavilion to escape the shooter. Police said the suspect followed the man and chased him to the park bathroom where he shot the male to death. The suspect then fled the park before being quickly apprehended by MHPD officers.

Mercedes Iverson and her unborn baby were both killed, along with her husband, Norbert Carter. The juvenile that was struck had a graze wound that was able to be treated and he was released from the hospital. This incident was specifically between the shooter and the victims, Chief Todd Hansen said. There was no randomness to the event.

The scene was rendered safe very quickly with the apprehension of the suspect.

Jason D. Iverson is being held on charges of murder and attempted murder. Arraignment is scheduled for today, Wednesday, September 6.

Ohio BCI was called out to

assist with the crime scene evidence collection. The Maple Heights Detective Bureau is handling the investigation.

Anyone with information related to this case is urged to contact the Maple Heights Detective Bureau: 216-587-9624 or Detectives@mhp-dohio.com. Information can also be supplied to Crime Stoppers.

Letters to the Editor

I just read this week's Neighborhood News telling the history of the paper and its founder, Vaclav Psenicka,

and I found it fascinating. Your paper has such a rich history and the story of Mr. Psenicka is truly one of the

great stories of an immigrant coming to this country and helping to make his new home even greater. Thank you for telling this story.
