12U Maple Heights Saints wins Division II National Championship!

By Coach Dejuan Bridges

Shown above in Orlando, Florida last week is Saints Head Coach Lewis Fitzpatrick receiving the Pop Warner National Championship trophy as his team looks on.

Last Friday, Dec. 8, in Orlando, Florida, the Maple Heights, Ohio Saints 12U football team defeated the West Haven, Connecticut Seahawks 39-13 to win its first Pop Warner National Championship in Saints program history.

Saints Head Coach Lewis Fitzpatrick retired from coaching after the National Championship, ending his career with 30 straight victories without a defeat.

Led by team captains John Morris, Jr. and Emir Stevens, the Saints finished the fall season a perfect 14-0 winning the Cleveland Muni Football Championship, Pop Warner Regional Championship and the Pop Warner National Championship. The Saints also competed in the 2023 Ohio Youth Spring League and won the Spring Championship not allowing a single touchdown.

"Thanks go out to Coach Brett, Coach Foe, Coach Pollard, Coach Roy and Coach E for all they have sacrificed for these kids to put them in position to succeed every week," said Head Coach Fitzpatrick.

Proposed income tax increase could be on March ballot in Maple Heights

By Judith Goldsworth

Maple Heights Council placed a resolution on first reading at its meeting last week proposing a ballot issue for an increase in the municipal income tax rate from 2.5% to 3% for a 10-year period. The added revenue would go to increase salaries and wages for the city's police officers, firefighters and service department employees.

Council will hold a special meeting at 7 p.m. on Tuesday, Dec. 19, at Maple Heights City Hall, 5353 Lee Rd., to vote again on the legislation and decide whether the issue will appear on the ballot for the Tuesday, March 19th election, which is also the Presidential Primary election in Ohio.

The resolution reads in part, "Despite 2021-2023 increases in the salaries and wages of full time employees of the department of service, and full time employees of the divisions of police and fire within the department of safety, which increases were the first pay increases in nearly 10 years, these full time employees remain significantly underpaid in relation to full time employees in surrounding Cuyahoga County municipalities, resulting in the city having difficulty retaining these employees and attracting new employees, thereby jeopardizing the health, welfare and safety of the residents of the city."

"In order to retain and attract employees in these departments, it is necessary to significantly increase their current salaries and wages, which the city cannot currently do without an increase in revenues," the resolution further states.

Community police reports

(All information is preliminary and subject to change pending investigation.)

Theft

On Dec. 1, an officer completed an online theft report for a woman living at a home in the 8200 block of Garfield Blvd. She said two packages were stolen from her property the afternoon of Nov. 29. The evening of Nov. 30, a neighbor returned what was left of them as they had been opened and thrown into her yard. There was nothing missing from one package, but the other was missing about \$200 worth of clothing. The photos showing proof of delivery revealed the driver had not put the packages in a secure location.

Child Neglect

On Nov. 30, at 9:55 p.m., police were dispatched to an apartment on Valley Lane Dr., for a report of a 17-year-old female being bitten by a dog. On arrival a squad rendered medical care to the victim, who was covered in blood with injuries consistent with a dog bite, with other dog bite marks visible that GHFD felt may have been older. Police learned the incident may have occurred earlier in the day at around 2 p.m. when the victim got home from school. She was home alone when the dog attacked her. When her mother got home at 9:55 p.m., and saw her daughter had been bitten she called 911. The dog in question is a one-year-old pit bull mix which the owner had secured in a dog crate inside the apartment prior to police arrival. GHFD advised her they were transporting her daughter to MetroHealth Medical Center due to the severity of her

injuries. Report to be forwarded to the Detective Bureau.

Criminal Damage-Residence

On Dec. 3, at about 10:12 p.m., a woman called police and said she heard a loud noise and then observed a hole in her living room wall. She said she was home with her two juvenile children. The officer began to investigate the damage to the living room wall and observed it to be the exit area of a round fired. Another hole was on the opposite side of the wall in the hallway and an entry bullet hole in the door of the front bedroom. The officer did not see any bullet holes that could have come from outside the home and concluded the gunshot was caused by someone within the home. Her son told police he had a Glock 19 handgun and was manipulating it while sitting on his bed. At some point he accidentally depressed the trigger and caused a single round to fire into the wall. He said he no longer had the gun because he had given it to another male by handing it to him out of the window. Report forwarded to the Youth Bureau.

Theft

• On Dec. 3, at about 7:19 p.m., an officer responded to the Sunoco station at 6009 Turney Rd., where a woman told police she parked her car at one of the pumps and went inside the station. When she left and pulled into WalMart she noticed her purse was missing. The officer reviewed surveillance video at Sunoco and observed the complainant walking to her car and dropping her purse without noticing. A few moments later a tan Chevy Tahoe pulls into the same pump the complainant had been at. The male driver notices a purse on the ground near the pump, points it out to his passenger, who then exits the vehicle and picks up the purse and they both drive away.

• On Dec. 5, at 7:10 a.m., an officer arrived at the convenience store at 8808 Garfield Blvd., for a theft that had just occurred. The caller said a juvenile male had taken two bags of chips the day before and she observed the same juvenile come in that day and take two more bags of chips. The complainant confronted the suspect, who then threw the two bags of chips he had taken onto a shelf in the store. The complainant blocked him from leaving the store because she wanted him to pay for the stolen items from the day before. He was able to push past her and exited the store. The complainant had a large scrape on her left forearm from him pushing her forearm against the door frame. He was identified as a student at Garfield Heights High School. Charges pending with the Youth Bureau.

Proposed income tax increase could be on March ballot in Maple Heights

(Continued from Page 1)

If council approves a separate ordinance that will actually put the issue on the ballot, and if residents subsequently vote for it, the income tax increase will begin on July 1, 2024, and end June 30, 2034, according to the legislation.

Mayor Annette Blackwell stated that the issue was brought to her attention by Finance Director Tinita Tillman and Law Director Frank Consolo, after negotiations among the city's various unions.

"I'm sure you've heard the challenges that we've had in recruiting safety officers," Blackwell said, adding that she was "pleased and proud" to be able to swear in two new police officers to the Maple Heights police department recently. She said that the two new hires brought the department's numbers to 30, when the size of the force should be 41 officers.

She added that the voters of Maple Heights would ultimately be the ones making the decision on the income tax increase.

"As we review all the needs of the city, I am doing my very, very best. But this is a hard decision to put this before the people," Blackwell said.

City positions also on Dec. 19th agenda

Also on the agenda for the Dec. 19th meeting is an ordinance amending previous salary legislation to add and delete certain job positions in the Finance and Human Services departments, and fixing the salary for these positions.

According to the legislation, which was placed on first reading, Tillman advised council's Finance Committee and the Committee of the Whole that she wants to eliminate the positions of Payroll Coordinator and Purchasing Agent from the salary ordinance, and add the position of Finance Specialist with a salary range of \$40,000 to \$65,873.60.

Also, Blackwell and the city's Human Resources Department "desire to eliminate the job position of Recreation Programs Coordinator, Human Services Coordinator, and Food Service Aide from the salary ordinance, and to add the position of Human Services Program Manager with a salary range of \$30,000 to \$65,873.60."

Stating that they wished to perform their due diligence before taking further action, District 1 Councilman Stafford Shenett and District 5 Councilwoman Tanglyn Madden voted no on passing the legislation on emergency, resulting in a 4 yes-2 no vote. District 7 Councilwoman Edwina Agee was excused from last week's meeting. Since 5 yes votes were needed to pass the legislation on emergency, this resulted in the first reading, Council President Ron Jackson stated.

On agenda

Council approved a motion to waive the requirements of the charter and move the official swearing-in of newly elected city officials on Wednesday, Jan. 3, 2024, from the Maple Heights Senior Center, the usual location of council meetings, to Maple Heights High School, 1 Mustang Way, starting at 7 p.m.

Passed were the following pieces of legislation:

- Resolution for the city to enter into a Member Community Infrastructure Grant Program Agreement with the Northeast Ohio Regional Sewer District for the Southwestern Sanitary Sewer District #2 Improvements Project (design only), involving \$409,590.60 in funding. Also, a resolution for the city to enter into a MCIP Agreement with the NEORSW for the Southwest Sewer Repairs Phase 2 Project in Maple Heights (construction upgrades), involving \$1,467,000 in funding.

- Resolution authorizing a change order for Specialized Construction, Inc., decreasing the contract by \$166,395.39, for the 2022 Roadway Repair Program.

- Resolution authorizing a change order for Set In Stone Contracting, LLC, to increase the contract by \$18,441.53, for the 2023 Concrete Roadway Repair Program.

- Resolution contracting with Senior Transportation Connection to conduct the day-to-day call center and scheduling operations of the city's Senior Transit operations for 2024, in the amount of \$1,350 per month.

- Accepting the quote by Precision Pump, Inc., not to exceed \$267,805.75, for installation of an above-ground 15,000-gallon storage tank at the service department.

- Resolution accepting a quote by Henderson Products, Inc., for upfitting the city's Freightliner Truck with snow and ice control equipment package in the amount of \$121,204.

Councilman Richard Trojanski announced that on Dec. 16, there will be a Coat Drive for children ages 5-10, from 11:30 a.m. to 2 p.m., at the Maple Heights Branch Library.
