## Deadline to file property reappraisal informal review is this Friday, Aug. 30th

Property owners wishing to dispute the Proposed Reappraised Value of their properties are advised that the deadline to file for Informal Review is this Friday, Aug. 30.

Every six years the tax commissioner for the State of Ohio requires the Cuyahoga County fiscal officer to reappraise all real property in Cuyahoga County. The Fiscal Office mailed 2024 Proposed Value Notices to property owners stating the Proposed Reappraised Value of properties for tax year 2024, payable in 2025.

Property owners can use the Property Tax Estimator to see how the Proposed Reappraised Value changes the estimated tax amount for 2024 at: [cuyahogacounty.gov/taxestimator](http://cuyahogacounty.gov/taxestimator).

Property owners who disagree with the Proposed Reappraised Value of their property have until Friday to file for an Informal Review. Property owners who are in agreement with their proposed valuation are not required to file for review.

To file an Informal Review Complaint:

Fill out the Property Owner Response Form online by entering the Permanent Parcel Number and Pin # provided in the 2024 Proposed Value Notice. You may also choose to drop off or mail in the Property Owner Response Form along with the supporting documentation to: Cuyahoga County Fiscal Office, Appraisal Department, 3rd Floor, 2079 E. 9th St., Cleveland, OH 44115.

Gather supporting documentation. All documents must be labeled with the Permanent Parcel Number and must include at least one of the following:

- Appraisal report completed within the last 36 months (photocopy)
- Purchase agreement and closing statement (photocopy)
- Construction costs of a new dwelling, certified by the builder
- Certified estimates from a contractor for repairs cited as a reason for the change in value
- Photographs of property showing structural damage and estimates for repair

## Public hearing set on development on Concordia site in Independence

Interest continues to grow in the proposed housing development on the Concordia Lutheran Church site purchased by the city of Independence in 2023, as noted in Mayor Gregory Kurtz's August 23 Weekly Update. He urges all residents to attend the two public hearings on Tuesday, Sept. 10, at 4 p.m. and 5 p.m., regarding the development. A council caucus and meeting will follow.

"I ask all residents who would like to speak to please do so in an orderly manner and stick to the topic at hand," Kurtz said. "I encourage residents on both sides of this issue to make their comments without fear of intimidation. While we can agree to disagree, let's all treat each other with dignity and respect."

For those with questions before Sept. 10, or those who may not be able to attend, please email [cityhall@independenceohio.org](mailto:cityhall@independenceohio.org).

## Tourism in CVNP pumps \$225 million into local economy

A new National Park Service report shows that 2.9 million visitors to Cuyahoga Valley National Park (CVNP) in 2023 spent \$139 million in communities near the park. That spending supported 2,136 jobs in the local area and had a cumulative benefit to the local economy of \$225 million.

"I'm so proud that our parks and the stories we tell make a lasting impact on more than 300 million visitors a year," said National Park Service Director Chuck Sams. "And

I'm just as proud to see those visitors making positive impacts of their own, by supporting local economies and jobs in every state in the country."

"People come to Cuyahoga Valley National Park to enjoy the 140 miles of trails and green space between the cities of Cleveland and Akron and end up supporting the U.S. and local economies along the way," said Superintendent Lisa Petit. "We're proud that Cuyahoga Valley National Park supports 2136 jobs and generates \$225 million in revenue to communities near the park."

The updated survey data revealed that more visitors are staying overnight in the local area when coming to CVNP and are spending more money per trip compared to the previous survey. Overall, the 2023 visitor spending estimates more accurately reflect local visitor spending patterns as well as increases in visitation and associated costs.

The National Park Service report, 2023 National Park Visitor Spending Effects, finds that the lodging sector had the highest direct contributions with \$9.9 billion in economic output and 89,200 jobs. The restaurants received the next greatest direct contributions with \$5.2 billion in economic output and 68,600 jobs.

### Theft

•On Aug 19, an officer spoke with a complainant in regards to a theft from auto report. The caller said that sometime after 10 p.m. on Aug. 18, someone broke into her boyfriend's 2021 Ram pickup and stole her Smith & Wesson 9mm semi-automatic pistol and her wallet containing various licenses and credit/debit cards. Also stolen was her boyfriend's wallet with his driver's license and credit/debit cards inside. The Ram truck was not damaged and it was unknown if the vehicle was locked. She said a Mazda was also entered without damage but she is unsure if anything was taken. Firearm entered into LEADS as stolen.

•On Aug. 20, at about 2 p.m., an officer was dispatched to the area of Dorothy Ave. and Turney Rd., in regard to a theft from a postal service vehicle. The USPS driver said she had parked at the corner and after delivering a portion of her route, returned to the vehicle and observed that a total of 10 packages were missing from inside. She said she saw a trail of empty packages leading south from her vehicle. She said she did not see anyone near it or in

the area and was unsure if she locked the vehicle when it was left unattended.

### Recovered Stolen Auto

On Aug. 19, at about 1:54 a.m., an officer observed a black Mercedes SUV in the area of Broadway and I-480 stopped at the red light facing east. A registration check found that the car was stolen out of Shaker Heights, and appeared to be occupied by 3-4 black males with face masks on. The officer attempted a traffic stop on the Mercedes but it sped up and got onto I-480 east. At speeds of up to 100 mph the car continued on I-480 and got off at the Broadway/Forbes exit, attempted to make a left turn onto Forbes Rd., but crashed into a guard rail. The driver got out of the vehicle and fled on foot north across Forbes Rd., and ignored orders to stop. The officer Tased the suspect and he was apprehended without further incident. The other passengers had fled out the passenger side going southbound. Other units arrived on scene, and Bedford and Oakwood PD were advised of the crash and the fleeing suspects. Oakwood PD observed a male matching descriptions of the suspects walking south on Broadway and was detained and brought to the scene of the accident. He told police he was not a passenger in the car that had crashed, although he had cuts and scratches on his face and hands, a bloody lip and mud all over him. He said he was jumped by a group of males down the street. Officers were not able to positively confirm that he was inside the vehicle so he was ultimately released and later given a ride home. No other suspects were located. The driver of the car was taken to city jail and booked for fleeing and eluding, receiving stolen property and obstructing official business.
