Splashing into summer in Garfield Hts.

Shown is part of the crowd that turned out last Saturday for the Splash into Summer event at the municipal pool at the Dan Kostel Recreation Center in Garfield Heights, getting some relief from the blistering hot temperatures that continue in the area. The event was certainly a "splashing" success! *Photo courtesy of the city of Garfield Heights*

What a great way to celebrate the first day of summer in Garfield Heights! Organizers want to thank everyone who joined in the fun on Saturday, June 21, for the city's Splash into Summer event. Could not have asked for better weather and such a great turnout!

There were plenty of happy faces enjoying cooling off in the water, listening to great tunes by DJ Ken Dillon, enjoying a snack from the concession stand, and some were lucky to have won one of the many assorted prizes from gift certificates, basketballs, pool floats, gift baskets, and even a firepit to enjoy making s'mores in your back yard!

Thanks goes out to the generous donors who made this event extra special for everyone attending: Mayor Matt Burke, Recreation Director Paul Birk and his staff, Ward 1 Councilwoman Stacey Collier, Ward 2 Councilwo

man Dr. Tenisha Mack, Ward 5 Councilwoman Rachelle Tonsing and Ward 7 Councilwoman Jennifer Newrones.

PetFix Northeast Ohio to open clinic in Garfield Hts. by end of this year to meet demand for spay/neuter services

PetFix Northeast Ohio is proud to announce plans to open a second spay/neuter clinic in Garfield Heights by the end of 2025. The nonprofit organization, dedicated to reducing pet homelessness and euthanasia through high-quality, affordable spay/neuter services, is expanding in response to overwhelming demand and a critical need for accessible services in underserved communities.

Since its founding in 2006, PetFix has grown from a mobile clinic to a full-service brick-and-mortar facility in Euclid. With two full-time surgeons, the clinic currently performs more than 11,000 spay/neuter surgeries annually. Despite this success, the demand for affordable services continues to exceed capacity. Surgery appointments are booked months in advance, with new openings filling in less than 48 hours.

"The need in Northeast Ohio is greater than ever," said Christie Lucco, executive director of PetFix. "With shelters overcrowded and some forced to euthanize adoptable animals due to lack of space, expanding access to spay/neuter is one of the most effective ways we can save lives and support struggling pet owners."

The new clinic will be located on Broadway Ave., Garfield Heights, strategically situated to serve Cleveland's southeast neighborhoods and surrounding inner-ring suburbs - areas identified as significantly underserved by current veterinary resources. Once operational, the clinic will double PetFix's annual surgery capacity to more than 20,000 procedures.

In addition to reducing wait times and accidental litters, the new clinic will enhance PetFix's transport program, which brings animals from shelters, rural communities and low-income urban areas to the clinic.

Ice Cream Social, concert in Independence

The first of three Sunday Ice Cream Socials will be held on Sunday, June 29, from 3 to 4:30 p.m., at the Independence Town Hall bandstand. The Greater Cleveland Chorus, Cleveland's premiere a cappella women's barbershop chorus, is scheduled to perform. Bring a chair or blanket and purchase ice cream treats from 2:30-4:30 p.m.

(Continued from Page 1)

PetFix will also continue to collaborate with animal welfare agencies and social service organizations to ensure low-income pet owners and caregivers are aware of - and can access - lifesaving services.

“Opening this second location is not just about performing more surgeries,” added Lucco. “It’s about empowering people, preventing suffering and strengthening the animal welfare network in Northeast Ohio.”

PetFix is currently seeking funding from the community to help with building renovations and to equip the new Garfield Heights clinic with the medical tools necessary

to safely perform high-quality spay/neuter surgeries. For more information or to donate visit www.petfixnortheastohio.org

PetFix is a nonprofit organization dedicated to ending pet overpopulation and the unnecessary euthanasia of adoptable animals by providing high-quality, affordable spay/neuter surgeries to pet owners, feral cat caregivers, shelters and rescues in Northeast Ohio.

Bedford Heights Council awards scholarships to local high school students

By Tristan Douglas

At its June 17th meeting, Bedford Heights Council presented four local students with \$1,000 scholarships to aid their transition to college.

The scholarships, administered by the Bedford Heights Scholarship Awards Committee, were presented to Jasira Stidham of Walsh Jesuit High School, Kayla Moore of Bedford High School, Kimora Conley of Bedford High School, and Rasheeda Steward of Bedford High School. Each recipient was selected based on a student profile, GPA, community service and extracurriculars, references and an essay.

Councilwoman Enid Thomas, chair of the Education/Legislative Committee, praised the students for their hard work, determination and willingness to go the extra mile to advance their education and give back to the community. Bedford Heights City Educational Foundation Chair

Wendy Grant, members of the Scholarship Awards Committee and members of the students’ families were also present to celebrate their achievements and honor them with the scholarships. In addition to the scholarships, each student was also presented with a Resolution from City Council.

Legislation passed

Council approved two additional pieces of legislation at Tuesday’s meeting. A resolution approved the appointments of Renee Cole and Mia Johnson to the Bedford Heights Tax Incentive Review Council. The TIRC is responsible for ensuring that any businesses receiving property tax reductions are following all requirements put forward by the city in their tax incentive agreement.

Also passed was a resolution which authorized the city to adopt the Cuyahoga County Solid Waste District’s Solid Waste Management Plan. The plan is updated every five years and puts forward a countywide plan to manage all solid waste produced within the county over the term of the agreement. It also presents plans to meet Ohio’s recycling goals and prepare the region for long-term disposal.

Committee reports

During his report, Mayor Phillip Stevens commended the work of I Assist, LLC, a youth-empowerment organization active in the community. I Assist employs middle and high school students to provide services to residents such as garbage can removal, yard cleanup and small landscaping jobs and other services.

Councilman Lloyd Anderson, chairman of the Safety Committee, announced that the Bedford Heights Police Department’s bike patrol program has started for the summer. Officers will patrol the community on bikes in the late afternoon and early evening hours, when weather and staffing permits.

Infrastructure & Capital Improvements Chairwoman Danielle Henderson said the Rockside Road Resurfacing Project began this week, and that the city has completed a sewer line replacement on Bartlett and Cranfield rds.

Community Life Chairman Paul Bounds reminded residents of the upcoming Community Festival Fun Walk-Run taking place on Saturday, July 19. Residents of all ages are invited to register for this event at the Bedford Heights Community Center.

Registration is also open for the city’s co-ed basketball skills camps for children ages 7–14. The camp for children ages 7-12 will run from July 8 to August 5, while the camp for ages 13–14 will be held from July 10 to August 7. Both camps meet from 6 to 7 p.m. and are open to residents and non-residents. Registration is open until full.

Garfield Heights

Criminal Damage-Residence

On June 10, at about 4 p.m., GHPD responded to a home in the 4600 block of E. 88 St., for a report that the home had sustained multiple bullet strikes. The complainant said the incident happened on June 7, at about midnight. Bullet strikes were located in and below the front window (6), corners of the home (2), south side of the home (5), and south kitchen window (2). Total bullet strikes: 15. The complainant said he did not locate any bullet fragments inside the residence and none were found by police, but the complainant said his upstairs neighbor had located rifle casings along the front of the home but that he was unavailable to contact at this time. A neighbor told police that they believed the incident happened on June 6, between 11 and 11:30 p.m. Photographs of the bullet strikes were attached to the report.

Theft From Auto

On June 16, an officer spoke with a complainant who said that on that day between 12:15 p.m. and 1 a.m., a group of four males broke into his vehicle parked in the 4400 block of Martin Luther King Blvd. He said they broke out the driver's door window and stole his keys and a new Apple iPhone 16 which were in a bag in the car. While speaking with the officer, the complainant tracked the iPhone to the 12500 block of Thornhurst. Responding officers knocked on the door with no answer.

Breaking & Entering

On June 16, an officer responded to Trinity High School regarding a breaking and entering that occurred at the school on June 12, at about 9 p.m. A school official told the officer that school surveillance cameras picked up two people entering the school through an unlocked window and wandered around the hallways for a few minutes, then drove away in a Honda van belonging to the school, which was locked and parked in the parking lot. Trinity was called by Cleveland PD on June 16 and was advised the van was found on E. 127 St., parked and unoccupied. A staff member recovered the van and drove it back to Trinity. The vehicle was not damaged and nothing else was taken from the school. Staff members did not recognize the two males who broke into the school. Report forwarded to the Detective Bureau.

Assist Other Departments

On June 18, at 12:11 p.m., GHPD received notification from Maple Heights PD that a Dodge Durango which had been stolen from Orange, Ohio, and was connected to a recent incident where shots were fired at Maple Heights officers responding to a breaking and entering call, had been pinged in Garfield Heights. The GPS pings placed the vehicle within a 400-meter radius of the 10900 block of Plymouth Ave. GHPD located the stolen vehicle backed into a driveway of a home in the 4900 block of E. 111 St. GHPD and MHPD established a perimeter around the location and deployed a drone for aerial surveillance. Police made verbal commands instructing the occupants to exit the home. A short time later a male and female came out and were detained without incident. Maple Heights detectives interviewed the suspects then released the female. The male was taken into custody by MHPD in connection with the stolen vehicle and previous incident.

Theft-Shoplifting

On June 19, about 11:45 a.m., police were dispatched to the Aldi store, 12782 Rockside Rd., where the manager reported that a male took a portable A/C unit and walked out of the store without paying. The suspect on an Aldi surveillance camera shows a 6-foot black male wearing a white, blue and pink jersey with the word "Cream" on the back and the number 36. The male took the A/C unit placing it on a wheelchair and once outside got into a white Toyota Camry, then drove away east on Rockside.

Assault

On June 19, at 23:49 p.m., police responded to the intersection of Darlington and E. 128 St., for a group of females in the street yelling and trying to fight each other. Some appeared to be connected with a white Kia which was stopped at the corner and others were residents of a home in the 12800 block of Darlington Ave. Some other unidentified people fled the area when police arrived. Police interviewed three occupants of the Kia. One of them said they were driving down the street when a group

of people from the Darlington house came out and tried to fight them. They said one of them assaulted one of the Kia trio and another threatened them with a gun. The resident of the Darlington home told officers two of the occupants of the Kia showed up at her house wanting to fight some of her children. She further said during the altercation she was assaulted by one of the Kia occupants and that the resident of the Darlington home that was armed only had the weapon for self defense. Officers did not observe any injuries to anybody while on scene. Report forwarded to prosecutor for review.

Bohemian National Hall, Pol-Am Center sell-out Cleveland History Days events

Cleveland History Days kicked off its two-week run with over 70 events this past weekend, which included those in Slavic Village at The Polish American Cultural Center (PACC) and Sokol Greater Cleveland's Bohemian National Hall.

The two events were sold out and hundreds of guests enjoyed the amazing Czech and Polish museum tours and cultural gardens. There also was a walk back in time to the basement “Speakeasy” that is in the downstairs of the PACC, which was decorated in the “Roaring 20’s” style for the period, including the bartenders and flappers! The kitchen was also open to authentic homemade Polish cuisine with aromas of grandma’s cooking throughout the venue.

The main forum at both the Sokol and PACC events was a book presentation by Tom Kaschalk, author of “Cleveland Neighborhood Taverns: A Pub Crawl Through History. This was a fun evening exploring the rich history of Cleveland neighborhood taverns and guests heard fascinating stories, met unforgettable characters and took a pictorial stroll through the neighborhood’s most iconic watering holes.

There was also a guest appearance by former Brecksville Mayor Jerry Hruby, whose family owned the legendary Chiefs Tavern next to Sokol as he brought in a collection

of memorabilia and historic photos. Thanks go out to all the volunteers who helped make these two events such an amazing success.

For more information on the other Cleveland History Days events go to www.canalwaypartners.com, and to find additional speaking engagements by Kaschalk for his "Cleveland Neighborhood Taverns" book go to www.mycllevelandhistory.com.

Shown at the "Speakeasy" in the downstairs of the Polish American Cultural Center Friday night was a sold-out crowd to hear author Tom Kaschalk talk about his latest book featuring Cleveland's neighborhood taverns as part of Cleveland History Week. Volunteer Frank Piscioneri is shown manning the bar.

New director named at Broadway School

The board of directors at Broadway School of Music and the Arts in Cleveland's Slavic Village has announced that Christopher Kaboth has been named executive director of the organization. Kaboth succeeds Barbara Bachtell, who stepped down after leading the organization for almost 28 years to spend more time with her family and in her art studio.

Kaboth stood out to the board as the candidate best suited to bring forward the new approaches necessary for the community arts education delivered by the Broadway School to continue to thrive in the current challenging environment.

BSMA's new director grew up in Canton, Ohio, where his access to arts programming as a youth, particularly theater, sparked his drive to help provide similar access to others. After graduation from Otterbein College, he began his career with an Alliance area manufacturing business where he held various management positions before being elected the company’s president.

After leaving manufacturing, Kaboth served as director of finance for ArtsNow, in Akron. He has continuously donated his time and talent in service to various nonprofit boards, including the Canton Palace Theater, Stark Economic Development Board, the Cuyahoga Valley Art Center, and JRC, a non-profit providing childhood education and enriching experiences for older adults.

Kaboth is only the fourth executive director of the Broadway School, the primary arts educational organization serving the diverse residents of southeast Cleveland and adjacent inner ring suburbs, many of whom lack access to high quality arts instruction and programming.

Over the last decade, the Broadway School has expanded its off-site programs to span the age spectrum from pre-K to older adults in collaboration with public schools and community agencies, while continuing to maintain on-site instruction in instrumental music, voice and dance at the Hruby Conservatory, 5415 Broadway Ave.
