Local teens headed to Boston during FIFA World Cup competition

Love Johnson

Six teens from Cleveland SCORES, two of whom attend Warner Girls Leadership Academy in Slavic Village, have been chosen to take part in an international youth festival connected to this year's 2026 FIFA World Cup™ in Boston, one of the tournament's host cities.

The group from Cleveland SCORES, a nonprofit providing afterschool programming through soccer, poetry and service learning, will be one of the more than 40 U.S. and international delegations attending Festival 26, which takes place July 5-13. It will bring together 400 youth from around the world for a cultural exchange, a fair play football tournament and football for good workshops.

A FIFA World Cup quarterfinal match will take place in Boston during the festival.

The trip and once-in-a-lifetime experience are possible thanks to the support of Major League Soccer's Columbus Crew. The teens and two Cleveland SCORES leaders will stay on the Boston University campus.

The Cleveland SCORES delegates are: Love Johnson, 13, and Mariyah Lewis, 14, both of Warner Girls Leadership Academy; Savannah Davis, 13, of the John Hay Cleveland School of Science & Medicine; Saib Meslat, 13, of New Tech West High School; Tamir Abakar, 13, of John Marshall High School; and Kamron Perkins, 13, of North Royalton High School.

The festival aims to empower young people and give them a voice while creating a sense of belonging.

"I'm extremely excited. I'm excited for the new experience, the bonds that I'll make and the knowledge I'll take in from it," Davis said.

Johnson said, "I'm feeling low-key nervous because this is the first time I'm going somewhere without my parents. And it is my first time riding on a plane, so I'm scared about that. But I feel like it's going to be pretty cool."

SCORES leaders attending the festival will be Program Manager Timothy Hinton and Program Coordinator Alondra Padilla.

"I am incredibly excited for the young people and my staff to go to Boston — not only to play soccer, but for the opportunity to connect with people from all over the world. Soccer (or football as it's known in some other countries) is a unifying force that breaks down barriers," said Cleveland SCORES Executive Director Alison Black. "They are going to be with young people who may not speak the same language or fully understand each other's backgrounds, but they are all part of something that invites inclusion and connection."

She added, "Too often, we forget about the community that makes soccer so special and it's the grassroots communities. This event is bringing those together. Our kids get to be part of something that creates that kind of camaraderie and will be a memory that lasts a lifetime and leaves a lasting impact."

Maple Hts. Council upholds mayor's veto of controversial ordinance

By Ellen Psenicka

Maple Heights Council met last Wednesday, May 20, and, after almost an hour of discussion, upheld the veto of Mayor Annette Blackwell on an ordinance which would have put into the city's Codified Ordinances penalties of fines and/or jail time or both for failure of subpoenaed witnesses to appear or not provide books, papers and other evidence requested by the mayor or council when investigating the conduct of any department, office, officer or employee of the city.

The ordinance to enact new Chapter 214 - "Mayor and Council Investigations," to the Codified Ordinances of the city of Maple Heights was originally passed by council at its May 6, 2026 meeting with a simple majority. But Mayor Blackwell subsequently vetoed the ordinance and it would have required a super majority of council to override the mayor's veto.

A vote to override the veto was called at last Wednesday's council meeting, but failed as District 2 Councilwoman Toni Jones, District 3 Councilman Timothy Tatum, and District 5 Councilwoman Shirley Merritt voted with the mayor to uphold her veto.

The mayor's objection and veto of the legislation stated: "It is my opinion that this legislation is not well-intentioned and redundant and that the city's Charter, Article VII, Sec. 16, allows for a "Council Investigation" and that a similar provision for "Mayor's Investigation" is found in Art. V, Sec. 6. Therefore the introduction of this new ordinance which has been explained is a new Chapter 214, to provide specific rules as to how the investigations should be conducted has been shared by our law director as not redundant.

Maple Heights Council upholds mayor's veto

(Continued from Page 1)

However, having been a participant in council's investigations in which I cooperated and answered all questions put before me, this action to give councilpersons more power to compel, subpoena, fine, convict and even imprison as punishment can be used to abuse, control, intimidate and slander anyone under their investigation, so I adamantly object."

The new Chapter 214, which was vetoed by the mayor, reads in part:

"CHAPTER 214 – MAYOR AND COUNCIL INVESTIGATIONS"

214.01 AUTHORITY; SCOPE OF INVESTIGATION. In furtherance of the provisions of Article V, Section 6 and Article VII, Section 16 of the Charter, the Mayor, the Council, or any person or committee authorized by either of them, shall have power to inquire into the conduct of any department, office, officer or employee of the city and to make investigation as to city affairs, and for that purpose may subpoena witnesses to appear before them, administer oaths, and compel testimony, the production of books, papers, and other evidence.

"214.02 APPEARANCE AT PUBLIC MEETING; SUBPOENAS. FAILURE TO OBEY. (a) The Mayor, or a chairman of a standing committee of the Council, with the approval of the majority of the committee members or President of Council, may subpoena witnesses to appear at a meeting before the mayor, or such committee, at a time and place designated in the subpoena, to testify under oath concerning matters of inquiry into the conduct of any department, office, officer or employee of the city and to make investigation as to city affairs. Meetings before the council shall be public. However, the members may move into executive session for a reason permitted under the Ohio Open Meetings Act.

(b) Subpoenas may require the production of books, papers and records in furtherance of such inquiries and investigations. Requests for subpoenas shall be made to the city's Law Department. It shall be the duty of the mayor to designate a police officer to serve such subpoenas, with return to the Law Department. The law director shall administer the oath to all witnesses.

(c) No person shall fail to obey a subpoena issued under

this Chapter, nor refuse to produce books, papers or other evidence required by the mayor or the council.

214.99 PENALTY.

Whoever violates Section 214.02(c) is guilty of a misdemeanor of the fourth degree and shall be fined not more than \$250.00 or imprisoned nor more than 30 days or both.

Community Police reports

(All information is preliminary and subject to change pending investigation.)

Garfield Heights

Capias/Warrant on File

On May 12, shortly before 3 p.m., police responded to a home in the 4600 block of Burleigh Rd., for a noise complaint. Dispatch advised the upstairs occupants of the home were causing lots of noise by stomping their feet throughout the apartment. The downstairs residents complained to officers that all the foot traffic upstairs was causing too much noise in their apartment. Police then went upstairs to the tenant who would not open the door but spoke from inside. She provided her name and was advised to have the children quiet down. While police were leaving the residence, dispatch advised they had located a female in LEADS with the same name and a possible warrant for murder. Officers returned to the apartment and asked the woman for her birth date and Social Security number, which she provided. Her personal information matched the warrant in LEADS. She was placed under arrest and asked an officer to call her friend to watch her children. The suspect was transported to Cuyahoga County Jail.

Theft

On May 12, at 5:29 p.m., an officer was dispatched to the GHPD for a walk-in report of theft. The victim said

that day, while police were on scene at her home in the 4700 block of E. 85 St., speaking with her regarding a previous incident, her downstairs neighbor stole her Ring security camera. The victim had a blurred video clip of the battery-powered camera in the back seat of her neighbor's vehicle. The reporting officer noted that this is an ongoing neighbor issue between the two parties. The camera was unable to be recovered at the time of the report, which was forwarded to the Detective Bureau.

Traffic Offense-OVI

On May 12, at about 6:39 p.m., officers were dispatched to the scene of a motor vehicle accident which occurred in the area of E. 141 St. and Broadway Ave. Dispatch advised the officers that one of the vehicles involved in the accident, a grey Jeep Grand Cherokee, was leaving the scene. The car was spotted by police going west on Broadway near Libby Rd., and a traffic stop was initiated. The Jeep pulled into a private drive and as officers approached it, the driver seemed unaware of the police presence. He slowly got out of the car and told officers he did nothing wrong. The report noted an odor of an alcoholic beverage coming from him. When asked why he left the scene of the accident, he said he had given the other driver his information and needed to leave so he could keep his tattoo appointment. He spoke with a thick tongue and slurred speech, his eyes were glassy and blood shot. He admitted to having a few shots for a celebration of life due to his brother's passing. After a Field Sobriety Test was initiated he was placed under arrest for suspicion of OVI and other charges. He was given a court date for the following day.

G.H. Ward 7 Block Watch

The Garfield Heights Ward 7 Block Watch, sponsored by Councilwoman Jenn Newrones, will meet Thursday, May 28, at 7 p.m., at St. Monica's outdoor pavilion off Rockside Rd. Guest speaker will be Xavier Pearson from Brickmade Academy, coach for Garfield Heights Youth Sports.

Local teens headed to Boston during FIFA World Cup competition

(Continued from Page 1)

“The Columbus Crew are proud to support Cleveland SCORES and help create opportunities for these teens to experience the power of soccer on a global stage,” said Stephanie Cedeno, Crew Director of Community Relations. “We’re excited for these students to build lifelong memories, form new friendships and represent Ohio as part of this incredible experience.”

Cleveland SCORES, formerly America SCORES Cleveland, is an official legacy program of the 1994 World Cup. The organization serves more than 1,500 youth at 17 schools in the city using a tri-curricular model of poetry, soccer and service learning to help students thrive.

The Columbus Crew is dedicated to serving its community and inspiring a love of the beautiful game, which unites people across the globe. The Columbus Crew’s Soccer in Schools program provides a free, turnkey youth soccer curriculum and resources for physical education teachers, helping increase access to the game while encouraging students to stay active, engaged and excited to come to school.

The Crew is also a proud partner of the Stay in the Game! Attendance Network, a statewide initiative focused on improving school attendance and student engagement through strategic partnerships with school districts across Ohio.
